ASK $30,000 FROM CITY

House of Industry Requirements—Want Work for Tramps.

That a grant from the city of $30,000 would be required by the House of Industry for the coming year was the statement made by Harry Patterson, the treasurer, at the monthly meeting of the board. He said this was $5,000 less than last year. A committee consisting of Henry O'Hara, president; Archibald MacMurchy, secretary; Harry Patterson, treasurer, and ex-Controller Hubbard were appointed to wait upon the board of control for this amount.

The secretary's report showed that 489 new families were assisted during the month, making 508 families now on the books of the institution.

A committee was appointed to interview Sir James P. Whitney to have tramps applying to the institution sent to work on the grounds of the new central prison, Guelph. The treasurer's statement showed an overdraft of $1,441.14.

Among those present were Rev. Father Rohleder, Rev. Dr. German, J. H. Graham, Rev. Dr. Redditt, A. Nairn, J. Bain, Thos. Whiteside, M.L.A., and J. Price.

WITNESS CAN'T BE FOUND

Could Throw Light on Death of James Moore.

Search on the part of the police failed to locate Andrew Hope, so the jury enquiring into the death of James Moore, who sustained injuries, from which he died, while in the same room at 144 Peter-street, with Hope, were forced to bring in a verdict without the wanted man's evidence, last night. The verdict was: "That James Moore came to his death early in the morning of December 21, 1909, from hemorrhage of the liver, received while in the company of one Hope. The jury is of the opinion that Hope should not have left his room mate while he (Moore) was in the condition he was in."

A warrant calling for Hope's arrest on the grounds of vagrancy has been issued by the Toronto police. Hope could not be found in Toronto, or in Parry Sound or Collingwood.

FORMER DIRECTORS SUED

Peterson Lake Company Ask for Over a Million Dollars.

Justice Teetzel waited patiently for two hours in the non-jury assize court yesterday afternoon for the parties in the action of the Peterson Lake Mining Company against Edward Steindler. David M. Steindler, and John A. Jacobs, to settle the case out of court, but at the end of the conference counsel announced that no settlement could be reached. The suit will be continued to-day.

The company claims $1,200,000, being the amount of shares of the plaintiff's stock wrongfully issued to the defendants, and also asks for $50,000 wrongfully appropriated, it is alleged, by the defendant, Edward Steindler.

The company allege that the defendants while acting as directors passed bylaws, authorizing the payment of $160,000 for the option and the issuance of 1,500,000 shares of stock to J. G. Shaw and also for payment to themselves of $25,000 cash and 250,000 shares of stock to each of them. An injunction is asked to restrain the defendants from disposing of the stock in question and the delivery to the company of such certificates.

Missionaries Stationed.

At a meeting of the foreign missionary committee of the Presbyterian Church yesterday three new missionaries were given stations. The appointments were: James M. Menzies of Staples, a graduate of School of Practical Science; Dr. Frederick M. Auld of McGill, at Honan, China; and Miss Mabel G. Clazie at Formosa, Japan.

The gathering was presided over by Rev. W. A. G. Martin of Brantford.

Parkdale Gun Club.

Thomas A. Duff, chief king pin, killed 25 straight sparrows Saturday afternoon at the Parkdale Club, sparrows and bluerocks being the order of the day. When the shooters lined up it would have been a difficult task to pick a winner, as amongst those present were some of the best exponents of the sport. In the sparrow spoon event T. A. Duff, a club member, led with 25 straight; G. T. Wolfe, P. G.C., being second with 24, followed closely by his little brother, Alex., G. M. Dunk and Mr. Houghton of Winnipeg, with 23 each. When the sparrows were done the light was rather poor for bluerock shooting, but the more enthusiastic kept it going until dark, Mr. Houghton doing a 23 out of 25 under adverse conditions. Messrs. Houghton of Winnipeg, G. M. Dunk and J. E. Jennings, city, were made welcome. Mr. Burgess acted as referee to the satisfaction of all. Mr. Duff shot that lovely green covercign shell. The following are the shooters and their scores at sparrows and bluerocks:

Grand Trunk Pacific Railway.

It is announced on the coast that track laying on the Grand Trunk Pacific will begin at Prince Rupert before the end of January. The progress being made here surpasses the expectation of the officials themselves, that is what they expected months ago.

Mr. G. T. Bell, Assistant Passenger Traffic Manager, and his party have been south as far as Los Angeles and are now at Prince Rupert. This trip was undertaken by Messrs. Bell, Hinton, Dalrymple, Salter and Captain Nicholson for the purpose of familiarizing themselves with the coast country, the people thereof and the possibilities in the way of steamboat business. Captain Nicholson announces that the Prince Rupert will go into commission June 1 and that the Prince George is expected to arrive from England by the first of July. A large shipment of rolling stock is en route to Prince Rupert, which, with the shipment made by barge in December, will enable the steel gang to begin track-laying at once. Ties have already been distributed along the grade as far east as Copper River.

Tait and Golding for Buffalo.

BUFFALO, Jan. 16.—The next indoor athletic and bicycle games of the 74th Regiment Athletic Association will take place on Saturday evening, Jan. 29. The program arranged is of a high class. The leading feature will be a three-mile race between George V. Bonhag of the Irish-American A.A. of New York City and Jack Tait of Toronto. Tait at the last meet of the 74th defeated Paull in the mile run and made the fastest time ever seen at an indoor meet in this city.

The second special feature for this meet will introduce Sam Liebgold of the Pastime Athletic Club, New York City, and George Goulding of Toronto, who will walk a square heel-and-toe race of two miles for the international championship.
