THRASHING MACHINES.

LETTERS PATENT.

TIME AND LABOR SAVED IS MONEY EARNED.

THE subscribers having secured to themselves the exclusive right of manufacturing and vending to others to use within the territory of Upper and Lower Canada,

SEVERANCE'S CELEBRATED IMPROVED HORSE POWER & THRASHING MACHINE,

one of the most valuable time and labor saving Machines ever devised by human ingenuity, respectfully inform the public, that they have just completed a new and extensive Factory on Wellington Street, extending from Prince to George Street, which gives them more than double the accommodations they had in the old shops, which will hereafter, they trust, enable them to supply the whole farming community of the United Provinces with a machine that will thrash and clean more grain in a day, with less expense and with greater cleanliness, than any other known invention—only requiring two horses.

We beg leave to say to our customers and friends, that we are again prepared to furnish those in want of Thrashing Machines with an article superior even to those heretofore manufactured by us.

Our long experience in making, and the very liberal patronage we have enjoyed in the sale of our Machines, has, together with a constant determination to produce an article that will never fail to excel all others, caused us to watch carefully all the improvements that could be made from time to time, until now we feel confident in saying, that for durability, neatness of work, and amount of it they can do, our Thrashing Machines are unequalled by any in use. And while the grain is thrashed clean, and none of it broken or wasted, it is, at the same time, perfectly cleaned, fit for the Mill or any Market.

All orders addressed to us, or our Agent, Wm. Johnson, will be promptly attended to.

Machines shipped to any part in Canada, and every one warranted to be as good as recommended.

Liberal terms of payment allowed.

Whereas Letters Patent were obtained, bearing date March 3, 1848, on said Machine, the public are cautioned against purchasing, using, or manufacturing any imitation article, as all infringements will be dealt with according to the law of the land.

All genuine Machines will be accompanied by a Deed signed by B. P. Paige, the owner of the right, giving the purchaser the right to use or transfer the same. Without such a Deed, no person will be safe in purchasing or using said Machine.

B. P. PAIGE.

HEALTH WHERE 'TIS SOUGHT!

HOLLOWAY'S PILLS.

CURE OF A DISORDERED LIVER AND STOMACH, WHEN IN A MOST HOPELESS STATE.

Extract of a Letter from Mr. Matthew Harvey, of Chapel Hall, Airdrie, Scotland, dated the 12th of January, 1850.

To Professor Holloway:

SIR,—Your valuable Pills have been the means, with God's blessing, of restoring me to a state of perfect health, and at a time when I thought I was on the brink of the grave. I had consulted several eminent Doctors, who, after doing what they could for me, stated that they considered my case as hopeless. I ought to say that I had been suffering from a Liver and Stomach complaint of long standing, which during the last two years got so much worse, that every one considered my condition as hopeless. I as a last resource, got a box of your Pills, which soon gave relief, and by persevering in their use for some weeks, together with rubbing night and morning your Ointment over my chest and stomach, and right side, I have by their means alone got completely cured, and to the astonishment of myself and everybody who knows me.

(Signed.) MATTHEW HARVEY.

CURE OF A CASE OF WEAKNESS AND DEBILITY, OF FOUR YEARS' STANDING.

Extract of a Letter from Mr. William Smith, of No. 5, Little Thomas Street, Gibson Street, Lambeth, dated December 12th, 1849.

To Professor Holloway:

SIR,—I beg to inform you that for nearly five years I hardly knew what it was to have a day's health, suffering from extreme Weakness and Debility, with constant nervous headaches, giddiness, and sickness of the stomach, together with a great depression of spirits. I need to think that nothing could benefit me, as I had been to many medical men, some of whom, after doing all that was in their power, informed me that they considered that I had some spinal complaint beyond the reach of cure, together with a very disordered state of the stomach and liver, making my case so complicated that nothing could be done for me. One day, being unusually ill, and in a depressed state, I saw your Pills advertised, and resolved to give them a trial, more perhaps from curiosity than with a hope of being cured; however, I soon found myself better by taking them, and so I went on persevering in their use for six months, when I am happy to say they effected a perfect cure. (Signed.) WILLIAM SMITH.

(Frequently called EDWARD.)

CURE OF ASTHMA, OF TWENTY YEARS' STANDING.

Extract of a Letter from Mr. J K Heydon, 78, King Street, Sydney, dated 10th of November, 1849.

To Professor Holloway:

SIR,—I have the pleasure to inform you that many extraordinary cures of Asthma have been effected here by means of your Pills. One is that of a lady residing near the "Razorback," who after having for twenty years been unable to make the slightest exertion, suffering very fearfully from shortness of breath, coughing and spitting; but is now to use her own expression, able to run up to the top of that mountain. Another case is that of Mr. Caton, a tailor, Hutchinson's Buildings, Clarence Street, who was so dreadfully bad that he was confined entirely to his bedroom for six months, prior to his commencing with your Pills, and attended regularly by his medical man, who pronounced him to be in a dying state; yet he, likewise, to my knowledge, has been restored to perfect health by the use of your Pills, and rubbing your Ointment night and morning into his chest. (Signed.) J. K. HEYDON.

THE EARL OF ALDBOROUGH CURED OF A LIVER AND STOMACH COMPLAINT.

Extract of a Letter from His Lordship, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor Holloway:

SIR,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending me your Pills as you did. I now take this opportunity of sending you an order for the amount, and, at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the faculty at home, and all over the continent, had not been able to effect; nay, not even the waters of Carlsbad and Marienbad. I wish to have another box and a pot of the Ointment, in case any of my family should ever require either. Your most obliged and obedient servant, (Signed.) ALDBOROUGH.
