DETROIT COUPLE HAVE NARROW ESCAPE

Factory Hands Release Pair From Burning Auto.

Port Huron, Mich., July 3. — Mr. and Mrs. Charles Adams, of Detroit, had a narrow escape from death while en route to Port Huron from Detroit. Their automobile turned turtle after the sudden collapse of a tire following a puncture. Both Mr. and Mrs. Adams were caught under the automobile and pinned there for several minutes, while the machine began to blaze. The accident happened just opposite the Port Huron Salt Block at the time when the employees were quitting work, and but for their aid there could have been no escape for the couple. Mr. Adams sustained a few bruises, and Mrs. Adams had one of her knees badly wrenched.

SLAYER OF SISTERS MURDERED IN JAIL

Arizona Mining Man Shot To Death as He Sleeps.

[Canadian Press.]

Globe, Ariz., July 4.—Kingsley Olds, a prospector, who attempted suicide after the drowning of Lulu and Myrtle Goswisk, young daughters of his mining partner on June 24, was murdered in his cell in jail yesterday.

The call for a lynching had been made since Olds came into town and announced that Indians had slain the girls and shot away part of his jaw. The bodies of the girls were found later in a river, and it was learned, officers say, that Olds had mistreated and drowned them and then attempted suicide.

The murderer of Olds gained access to the court house, next to the jail, and breaking a hole through the blind, took aim through a window at the prisoner, lying asleep in his cell and shot him dead. He then effected his escape.

SAFE AND SANE FOURTH

Celebration at New York Opens Without Serious Accident.

[Canadian Press.]

New York, July 4.—New York's first "Safe and Sane Fourth" started out most encouragingly. Up to an early hour this morning no reports had been received of any gunshot or fireworks wounds. Only one hospital had sent a request to the health department for tetarius antitoxin, and his request, it is said, was merely a precautionary measure. A feature of today's celebration was the reading in all the city's public schools of a letter by Mayor Gaynor, in which he tells why the Americans celebrate the day. It is, he says, "lest we forget this is a free country; that no official in this country, however high, can exercise any arbitrary power whatever; officials can only do what the laws empower them to do; that the people of this country make their own laws by the representatives they send to the legislatures, or else, as they often do, by their own direct vote at the polls."

ATWOOD SETS SAIL FOR WASHINGTON

[Canadian Press.]

New York, July 4.—Harry N. Atwood, the Boston aviator who leaped into aero prominence Saturday by his aeroplane journey over New York City, from New London, Conn., left Governor's Island at 8:52 this morning to make a flight to Washington. He arose to a height of 1,000 feet, made a wide, sweeping circle, and then like a bird headed off down the Jersey coast in the direction of Atlantic City, where he expected to arrive about 11 o'clock. He planned to leave Atlantic City about 3 p.m., and land in the national capital near the Washington monument about 6 p.m. The young aviator said he was not out for records.

Conditions this morning were excellent for flying with scarcely any wind.
