UNIVERSITY OF MONTREAL WINS FROM M'GILL SIX

Canadian Press Despatch.

Montreal, Feb. 8.—University of Montreal evidently became lonesome in holding down the cellar position in the intercollegiate hockey series, so they defeated McGill 2 to 1 in an overtime battle here Saturday night to pull the red and white down to share last place. It was the first win for the French collegians in the scheduled series.

MRS. MALLORY SCORES FIRST 1925 NET VICTORY

Associated Press Despatch.

New York, Feb. 7.—Mrs. Mollie B. Mallory enjoyed her first tournament victory of 1925 today, when she won the final at the Heights Casino indoor tournament, defeating Mrs. John D. Corbiere of Boston by 7—5, 6—5, after the latter had captured the doubles title with Mrs. William Endicot, also of Boston.

PUBLIC UTILITIES OFFICIALS PLAN MANY IMPROVEMENTS

Propose New Reservoir in City —Better Lighting For Streets.

HOLD BANQUET

Chairman Jared Vining Tells of Move To Reduce Debt.

Manager E. V. Buchanan has in mind many important improvements in the public utilities commission system during the current year.

Those improvements were outlined in his report before the commission at its annual banquet, which was held Saturday night.

Mr. Buchanan's report was most comprehensive, touching at least 14 points as to improvements in both waterworks and electrical departments.

Leading the list were the erection of a reservoir in the city, and more pumping engines for fire fighting purposes, installation of a Deisel engine for electrical standby purposes, better street lighting equipment, improved accommodation at the tourist camp, purchase of a site for the McMahon playground, and the establishment of a superannuation fund for the employees of the commission.

Augment Water Supply.

Other suggested improvements mentioned by Mr. Buchanan referred to the completion of the metering of all water serivces, augmenting of the water supply, recommencing of work of laying large main extensions, completion of ring main system between substations, erection of a bandstand in Victoria Park, founding of an aviary for Springbank park zoo, and selling of electric refrigerators and water-softeners at the Hydro Shop.

In commenting briefly upon the business of the past year, Mr. Buchanan pointed out that a total of $105,300 had been set aside by the commission for reserve funds. Operating expenses of the waterworks department amounted to $125,000 and those of the electrical department to $151,000.

"The amount placed in the estimates by the council for the parks and playgrounds departments is inadequate," declared Mr. Buchanan, "and it is simply a case of cutting our suit to fit the cloth. Our new venture, the golf course, I am confident, will break even this year.
