The "HORTICULTURIST," And Journal of Rural Art and Rural Taste.

THE Subscriber, who has long been connected with Mr. BARRY, as one of the editors of the *Genesee Farmer*, has purchased the *Horticulturist*, so ably conducted by A. J. DOWLING, and after the conclusion of the present volume, it will be Published at ROCHESTER, and Edited by P. BARRY, assisted by many of the best Horticulturists of the country, whose communications will materially add to its value. The ARCHITECTURAL DEPARTMENT will be conducted by gentlemen of ability and reputation.

To render the work accessible to a greater number, and consequently more beneficial, the price will be reduced to TWO DOLLARS per year, *in advance*, and at the same time various improvements made. Each number will contain a full page engraving of some new, rare, and valuable fruit or flower, drawn from nature, and engraved in a style not excelled.

Still further to add to the value of the work, and meet the improving taste and increasing wants of the horticultural community, we shall also publish an edition with COLORED PLATES, each number containing a full page engraving of some new, rare, and valuable fruit or flower, correctly colored from nature, by the best living artists in this line. This will be a new and important feature, in this country, and must command the attention and patronage of both professional and amateur Horticulturists. As the number of colored plates we can furnish will be limited, from the care and time required in their preparation, those who wish the *Colored Edition of the Horticulturist* for 1853, will do well to order immediately. Price with colored plates, FOUR DOLLARS, *in advance*.

All who cultivate fruit or flowers, should read the *Horticulturist*, as it is devoted entirely to Horticulture, and its kindred arts, Landscape Gardening and Rural Architecture, and will keep its readers advised of everything new on the subject, either in Europe or America.

It will be our aim not only to make the *Horticulturist* superior both in style and matter to any work of the character in this country, but equal to any o the Horticultural Journals of Europe; and we confidently ask the aid and co-operation of the Horticulturists of the country. The work is published monthly, and contains forty-eight large pages, without advertisements, stitched in a beautiful and appropriate cover.

Gleason's Pictorial Drawing Room Companion,

PUBLISHED IN BOSTON, MASS.,

WILL commence on the 1st of January, 1853, a new Volume—being Volume IV—of this elegant Illuminated Journal. It will appear with new type, new heading, and splendidly improved in every department, besides which, the price is to be greatly reduced. The publisher is resolved to commence the new year with a circulation of one hundred thousand, and, therefore, offers the most liberal inducements to clubs. Realising the spirit of the age, the great improvement in art, and the constantly increasing intelligence of the people, the publisher, with this change of prices, will vastly improve his already splendidly illustrated journal. Especially will a great improvement be manifested in the engraving department, as well as in the literary character of the paper; so that the Pictorial shall appear in a style, not only to merit all the encomiums of praise so lavishly bestowed upon it, but also as to challenge increased respect for its enhanced excellence and perfection. In short, the whole paper will be far superior to anything ever yet offered to the public by the publisher. By referring to the following list, which forms a part only of the regular contributors to the Pictorial, its high literary character will at once be understood.

Mrs. Ann S. Stephens, Mrs. L. H. Sigourney, Mrs. Alice B. Neal, Miss Phœbe Carey, Miss Alice Carey, Mrs. Caroline Orne, Miss Anne T. Wilbur, Mrs. S. P. Doughty. Mrs. C. A. Hayden, Mrs. R. T. Mr. ROBERT ALEXANDER KIDSTON, *Act. Sec'y.*

THE object of the *ART UNION OF GLASGOW* is, briefly to aid in extending amongst the Community a knowledge of the FINE ARTS, by the purchase and dissemination amongst the Members of Meritorious Works.

A Subscription of ONE GUINEA constitutes Membership for ONE YEAR. The whole Subscriptions, after deducting the necessary Expenses, are devoted to the purchase of PICTURES, DRAWINGS, SCULPTURES, ENGRAVINGS, and other Works of Art. Each Member for the present year, for every Guinea subscribed, is entitled to the following privileges:—

I. To a Copy of the very beautiful Engraving on Steel, of *THE KEEPER'S DAUGHTER*, after the Painting by Richard Ansdel, Esq., and W. P. Frith, Esq., A.R.S. Engraved by H. T. RYALL, Esq. Size, 19½ by 16 Inches.

II. To the chance of obtaining one of 100 *PARIAN STATUETTES and GROUPS*, with Shades and Stands.

III. To the chance of obtaining one of *TWO HUNDRED INDIA PAPER PROOFS*, in Folio, of Ten Etchings on Steel, by W. B. Scott, Esq., after Paintings by his late distinguished brother, David Scott, Esq., R. S. A., with a Memoir of his life, Engraved and Written expressly for the Art Union of Glasgow.

IV. To the chance of obtaining a PAINTING, or other Work of Art, at the Annual General Meeting.

The Committee of the *ART UNION OF GLASGOW* have much pleasure in directing particular attention to the Engraving of this year, and the very beautiful selection of Etchings from the Works of the late talented Artist, DAVID SCOTT, Esq., R. S. A., to be given as Prizes; and would also draw attention to the Plan of the Art Union of Glasgow, which partakes of all the best features of the different systems now adopted by contemporary Associations; for while, on the one hand, a guarantee is afforded, from an experienced Committee purchasing the Pictures, that nothing but Works of Merit will be bought, the Subscribers, on the other hand, have all the advantages of *Money Prizes*, in having the privilege of selecting from the Works of Art purchased, according to the number of the Prize allotted to them, such Painting, or other Work of Art, as may be most pleasing to them. This plan has been in operation for several years, and has given the most unqualified satisfaction.

The Committee respectfully urge on all friendly to the diffusion and encouragement of Art, not only to honor them by their own support, *but to induce their friends also to become Members of the Society*, AT AS EARLY A DATE AS POSSIBLE, that the Committee may be enabled *to commence their Purchases without delay.*

☞ The Engraving of "*THE KEEPER'S DAUGHTER*," and Specimens of the ETCHINGS by Mr. SCOTT, are on view at GEO. T. HASZARD'S Bookstore, and which the Public are respectfully invited to inspect. The *ENGRAVING WILL BE DELIVERED TO SUBSCRIBERS*, on Payment of Subscription, in the Spring.

GEORGE T. HASZARD,
Honorary Secretary A. U. of G.

Subscribers of *more* than One Guinea, in place of taking more than one copy of the Engraving for the year, have the choice of selecting, for *each* additional Guinea, one of the following Engravings, being Prints already issued by the Society, viz:—*THE HERMIT, ITALIAN SHEPHERDS, PRINCE CHARLES EDWARD, HARVEST, MAY MORNING, WHITTINGTON, HAGAR AND ISHMAEL*, and *HEATHER BELLES*, or, in lieu thereof, taking a Proof Impression for the year.

The International Journal,

Devoted to the Commercial, Literary, and Social Interests of the United States and the British North American Colonies.

THE mutually important and rapidly increasing commerce and social intercourse between the United States and the neighbouring British Colonies, called the "*International Journal*" into existence nearly a year ago; and the proprietors gratefully acknowledge a liberal assistance in their efforts to give it permanency and influence. The experiment has been signally successful; and after mature reflection and deliberation, they now have the pleasure of announcing a reduction in the price, to

ONE DOLLAR A YEAR; OR, SIX COPIES FOR FIVE DOLLARS.

Having closely in view the onward progress of the Colonies, we have watched with feelings of pride the advances they have made in solid improvement during the year just closed; but there is a wide field and a fair way open for further strides in the march of prosperity; and, fully impressed with the importance of the press in its influence, we wish to reach the fire side of every family, and engage their attention weekly in a friendly conversation on those important interests which so much affect their welfare,—some of which have been, and still are, commanding the attention of the leading minds in England and America.

Our past course is before the public. We have no regrets to express, nor apologies to make. Our motto shall be, "the prosperity of our native land;" and, profiting by a year's experience, we shall be enabled to improve the INTERNATIONAL JOURNAL, so as to increase its importance both to the American and Colonial reader. A wider space will be given to Colonial writers. Commercial reports, shipping intelligence, markets, prices current, &c., will receive a larger share of attention; and all our colonial and international interests, commercial, literary and social, will be watchfully fostered. But without a union of effort, and the friendly co-operation of all who approve our mission, its influence will be limited, and our labors less effectual. Members of the Legislatures, Postmasters, Merchants, and all who feel interested, will strengthen our hands and extend our usefulness by becoming subscribers, and recommending the JOURNAL, when convenient, to their friends.

LIST OF

British Periodical Publications.

FORWARDED by mail, under the provisions of the late Post Office Law, at merely nominal rates.

1. The *London Quarterly Review* (*Conservative*).
2. The *Edinburgh Review* (*Whig*).
3. The *North British Review* (*Free Church*).
4. The *Westminster Review* (*Liberal*).
5. *Blackwood's Edinburgh Magazine* (*Tory*).

These Reprints have been in successful operation in this country for *twenty* years, and their circulation is constantly on the increase, notwithstanding the competition they encounter from American periodicals of a similar class, and from the numerous *Eclectics* and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm basis, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their *literary* character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. *Blackwood*, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that magazine, and first appearing in its columns, both in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer), "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by Messrs. Scott and Co., so that Subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

Astonishing efficacy of the Oxygenated Bitters,

IN A CASE OF EIGHTEEN YEARS' STANDING.

From Fitzhenry Homer, Esq., of Boston, Mass.

Boston, September 28, 1848.

DEAR SIR—It is now eighteen years since I was first troubled with the water-brash and derangement of the stomach. I have taken advice of the best Physicians in this city and New York, in London, Paris, Germany, and Italy, followed their prescriptions, and visited the several sulphur and other springs in this country, the watering places of Germany, and elsewhere in Europe, and had found no relief. Since taking the Bitters I have never had a return of the Water-brash, which daily troubled me of late years to a very great degree. My appetite has returned; the extreme flatulence, severe constipation of the bowels, general debility, and sleepless nights under which I suffered, have entirely left me. Having found so great relief from this most discouraging disorder. I have recommended a trial of your medicine to many of my friends, who are now using it to great advantage. And I cannot refrain from writing to you in its favour and praise, for the good you have bestowed upon the community; and trust that what little is in my scope to offer in extending the circulation of your "Oxygenated Bitters," will be done with grateful pleasure at all times.

Yours very respectfully,
FITZHENRY HOMER.
