The return match between the "Maple Leaf" Club, of Guelph, and the Elora Club, was played here on Saturday, and resulted, as the annexed score shows very disastrously to the latter, who, however, it is only fair to state were without some of their best players. ROBBERY AT BADEN.—We heard early last week that a robbery had been committed in the Baden post office, but were unable to glean the particulars. They are supplied by the Berlin *Telegraph*, which says: The store in which the post office is kept is at present rented to Mr. G. A. McIntyre. At the back part there is a kitchen and dining room which was built three years ago, and the bedrooms are all upstairs. The robber or robbers first entered the kitchen by cutting out a pane of glass from the window and then unbolting the door, (which could be done by skilful exertions.) Finding they could get no further into the house from that direction, they helped themselves to a hearty repast from the cupboard, pocketed some of the best knives, teaspoons, a razor, &c., and proceeded in search of another entrance. Having found the cellar door the immediately commenced the siege in that quarter and succeeded in forcing it in. Their passage was now comparatively clear and with all caution they made their way into the post office and plundered it of money, stamps, and a registered letter. Finally they made noise sufficient to wake Mr. McIntyre in time to be too late to catch them. They made $100 by the operation.

THEFT.—On Wednesday last John Ryeman, jr., of Glenallan, and Francis Smith of Winterbourne, the same parties who were arrested a few days ago for stealing Mr. Jacob S. Weaver's horse and buggy, but discharged for want of sufficient evidence, were again up before John A. Mackie and I. D. Bowman, Esquires, charged on the information of High Constable Klippert, with stealing a rifle belonging to Mr. B. B. Bemis of Winterbourne, on the 13th of September last. They pleaded guilty. They were also charged with stealing three turkeys from the farm of Mr. John Marriot of Pilkington, near Elora on the 19th of the same month. The turkeys were found in their possession when arrested by constable Henry Wendling, at Winterbourne. They were sent up to await trial at the Assizes

MILITARY DIVISIONS.—The Minister of Militia has rearranged the military divisions into which the Dominion was divided. They are numbered from west to east. Ontario comprises the first four, Quebec three, New Brunswick constitutes the eighth, and Nova Scotia the ninth. We are included in Division No. 1, which is made up as follows: The counties of Essex, Kent, Bothwell, Elgin, east and west ridings of Oxford, north and south ridings of Middlesex; northwest and east riding of Lambton, Huron, north and south ridings, Perth, north and south ridings, Waterloo, north and south ridings, Wellington, north centre and south ridings Bruce, north and south ridings, and the city of London.

THE INTERCOLONIAL CONTRACT.—The Toronto *Telegraph* says: Mr. Morland, of Montreal, the head and front of the expectant firm of Railway Contractors of that city—has (as we learn by a private letter) been in Ottawa for several days, preparing to take as much of the Intercolonial Road as possible under his own immediate control. The prospects of the firm can hardly be so indifferent as some of the Government organs represent, if it is true, as we hear alleged, that they have engaged the services of the most eminent engineer in the Dominion.

The military encampment on the Garrison common, Toronto, is described by the Toronto papers as an imposing spectacle. Gen. Stisted has visited the ground and expressed himself highly delighted with the soldierly appearance of the men, and complemented them very much on the cleanliness of their accoutrements. The weather has so far been good, and the men are enjoying themselves splendidly.

MELANCHOLY ACCIDENT.—We regret to learn that an accident of a very serious character happened to Robt. Campbell, Esq., Deputy Reeve this (Monday) morning. We have not as yet learned the full particulars, but understand that Mr. Campbell was attending a threshing at Mr. Wm. Logan's, and by some means or other his right arm got caught in the machine, and completely shattered it to the shoulder. A messenger was immediately dispatched to Dr. Clarke, who at once drove out to the place.

New York Underground Railway.

SPANISH REVOLUTION!!

Enthusiastic Reception of Marshal Serrano at Madrid.

NEW CABINET FORMED

Queen Isabella's Protest.

PER ATLANTIC CABLE.

LONDON, Oct. 3rd.—A contract for the construction of an underground Railroad in New York has been concluded with the English Engineers who built the underground Railway in this City, and they expect to enter upon the work at an early day. Mr. W. B. Duncan, who sailed from Liverpool on the steamer *Scotia* yesterday, took out the contract for approval of the Board of Directors.

MADRID, Oct. 3.—Marshall Serrano accompanied by seven Generals of the Army entered Madrid to day in triumph. Great preparations were made for his reception. The streets and buildings, public and private, were superbly decorated and large civic and military processions escorted the Generals through the City. Houses, sidewalks and public squares along the route of the procession were crowded with citizens who received Serrano and Generals with wild enthusiasm. The Procession was followed by the Parade and Review of the National Guard. This was a great patriotic display, and was made the occasion of striking manifestations of popular will. The troops carried, side by side with their flags, banners on which was inscribed "Down with the Bourbons," "Sovereignty of the People," "Religious Liberty," "Free Education," and other mottoes of a similar character. At the termination of the Review Marshal Serrano made a patriotic address to an immense multitude of citizens and soldiers, in the course of which he announced that he had united with General Prim in calling Marshal Espartero the Duke of Vittoria to the Head of the State. The formation of a new Cabinet has been completed as follows: Marshal Serrano, President; Castello, Minister of Commerce; Jepete, Minister of the Marine; Aguirre, Minister of Justice; Gen. Prim, Minister of War; Oloyaga, Minister of Foreign Affairs; and Madoz, Minister of Finance. Manuel De La Concha has been arrested.

LONDON, Oct. 4.—The rumor is current that the success of the Revolution in Spain has had the effect to induce France to make some important concessions to Italy. It is known that Prime Minister Menabrea is expected in Paris, and the supposition is that he comes to conduct the negotiations redered necessary. It is rumoured that a conspiracy to dethrone Abdul Aziz, the Reigning Sultan of Turkey, has been discovered in Constantinople. A number of political arrests have been made ther . No further particulars received.

PARIS, Oct. 4.—Queen Isabella has issued a protest against the Revolution in Spain. The document argues that force used by Rebels depose the Queen does not injure her rights to the throne of Spain, and declares that the acts of a Junta established by violence are not binding upon the people.

Madrid, Oct. 2nd.—Proclamation will soon be issued for elections to be held throughout the Kingdom to choose members of a definite Junta, and delegates to a Constituent Assembly to meet at an early day at Madrid. The leaders of the revolution are acting together in pefect accord.

Paris, Oct. 2—The *Moniteur* says that the reason Marshal Serrano has not arrived at Madrid yet is because he is afraid to leave the army in its present disorganized condition. It is reported that when the Queen of Spain left San Sebastian she took with her all the Crown jewels and Royal Regalia, together with twenty-three millions reals of gold.

London, Oct, 2nd — The American Chamber of Commerce of Liverpool will give a banquet to Reverdy Johnson, the American Minister, and Lord Stanley, the English Minister of Foreign Affairs on the 22nd of October.

Abergile, Wales, Oct. 2nd—The jury in the case of Samuel Aton, the Station Master at Landullus, who was prosecuted for manslaughter in the matter of the the Abergile Railway disaster, acquitted the prisoner yesterday.

Perfect order reigns in Madrid. At Barcelona the people sacked the Town Hall and publicly burned the portrait of Queen Isabella. The Court of Cheste, who sought to repress the riotous proceedings, was fired on by the mob, but fled and escaped under cover of the night. Bossols has been appointed to the command of the province of Catalonia by the provisional Junta.

London, Oct. 3rd—It is announced today that the great powers of Europe will allow their diplomatic relations with Spain to remain in statu quo.

NEW ORLEANS, Oct. 5th.—A heavy storm has prevailed since Thursday. A large portion of the rear of the City is flooded, and the Street Railroad overflowed.
