On Monday, the 27th ult., by the Rev. John Griffiths, Byron P. Ladd, Esq., late of Boston, to Mary Elizabeth, eldest daughter of Hubbard Davis Esq., of Westport, N.S.

At Welsh-pool, Campobello, on Sunday, 3d inst., by the Rev. R. Simonds, Mr. Daniel McKeel of Campobello, to Miss Catherine E. Wilcox, of Andover, Massachusetts.

On the 8th June, at the United Presbyterian Chapel, Mount Pleasant, Lancashire, England, by the Rev. John Semple, Captain Charles Semple, of the ship *Lady Westmorland*, to Mary, eldest daughter of Henry Fernie, Esq., of Liverpool.

Died.

On Monday morning, after a severe illness, Lavinia, wife of Mr. James H. Vanduzen, and youngest daughter of Mr. Edward Jones, in the 21st year of her age, leaving a disconsolate husband, with a large circle of relatives and friends to mourn their loss. Funeral to-morrow, Wednesday, at 2½ o'clock, when friends and acquaintances are respectfully invited to attend.

On Monday morning, after a short illness, in the 21st year of her age, Rebecca, wife of Mr. Joel Watters, Sen.

On Monday morning, the 4th inst., after a protracted illness, which he bore with Christian resignation to the Divine will, Mr Solomon Fowler, (coloured,) in the 34th year of his age.

On Saturday, after a lingering illness, Margaret, wife of Mr. William McAulay, in the 38th year of her age.

On Monday evening, Arthur, infant son of Mr. George F. Thompson, aged ten months.

At Shediac, on the 6th instant, after one week's illness, Mary, the beloved wife of Edward J. Smith, Esq., and eldest daughter of John Bell Esq., aged twenty-seven years, leaving an affectionate husband and five children to mourn their bereavement. She was universally esteemed by all who had the pleasure of her acquaintance. Truly "in the midst of life we are in death."

At Long Reach, Parish of Greenwich, (K. C.), on Wednesday evening last, Mr. Thomas Richards, aged 85 years. Mr. R. came to this Province with the Loyalists in '83, and, settling shortly afterwards in what was then a wilderness, soon acquired a comfortable home and a competency, —the sure reward of honest industry.—and was ever ready to assist his less fortunate neighbours and to relieve the wants of the poor. He was firmly attached to the principles of the Church of England, and died in full assurance of a glorious immortality, through the merits of the Redeemer, leaving to eight children and numerous relatives and friends another evidence of the admonition—"Mark the perfect man and behold the upright, for the end of that man is peace."

At Halifax, on the 30th ult., after a long and severe illness, aged 51 years, George R. Young, Esq., Barrister at Law, late a member of the Executive Council in Nova-Scotia, and for eight years a representative of the County of Pictou in the Provincial Legislature. He was the original proprietor and editor of the Novascotian newspaper, which before engaging in the legal profession, he disposed of to Mr. Howe. He has been for many years prominently before the public, and was known as a man of talent, industry, and extensive and varied information.

Select Boarding & Day School FOR YOUNG LADIES,

CONDUCTED BY MISS THOMSON,
Assisted by her Father, Elder Thomson, A. M.,
St. John, N. B.

IN the Government and discipline of the School, due regard is had to the health, happiness and improvement o the pupils; and while every reasonable indulgence is granted, the great objects of education are kept constantly in view, viz.:—the full development and proper training of all the physical, intellectual and moral energies, and the formation of habits of industry, punctuality, good order and strict economy in the use of time.

The Educational and Domestic arrangements offer un usual facilities for elder pupils. There is also a separate preparatory department for younger pupils.

Miss Thomson informs her friends that her classes will be closed on the 17th of June, and re-opened on the 13th of July, on which day she hopes all her pupils will be present that the classes may be formed for regular business.

References to Parents of great respectability given, and a synopsis, with terms forwarded on application.

Miss T. is thankful to add that her Father has consented to give her pupils the whole of his time during the hours of study and recitation.

SAINT JOHN SEMINARY,
Princess Steet.

THIS SEMINARY will be opened on Monday the 1st of August, in Princess street, (South side, a few doors East from Germain street) by Messrs. **MALCOLMSON & HUTCHISON,** who design it not only for Boys, but also to supply a want long felt and expressed by many intelligent and respectable parents anxious to obtain for their daughters, at moderate expense, the usual requisites of a sound and liberal Education.

For Young Ladies who may find it inconvenient to attend in the forenoon, or may not wish to mix with the junior scholars, private Classes will be formed, in the School Rooms, between the hours of 4 and 6, p. m.

Mr. M. would acquaint his friends, that Mr. H. is a young gentleman of considerable literary acquirements, and experience in teaching, and that he has during the last four years been employed as Teacher in two Academies of the highest grade in Scotland.

The whole arrangements of the institution are adapted to the Improved Modern System of both Male and Female Education.—The following Branches form the standard course of Instruction:—Greek, Latin, French, and English; Algebra, Geometry, Trigonometry, Mensuration, and Arithmetic Theoretical, Mental, and Practical; Book-keeping, by Double and by Single entry; Natural Philosophy, Astronomy, Political and Physical Geography, Natural and Civil History, English Grammar, English Composition; and the Composition, Origin, and Primary signification of Words; Spelling, Reading, and Writing—together with all the usual subordinate and subsidiary branches.

Mr. M. will be in attendance at the School Room, on and after Monday the 27th instant, from half-past 4 to 6 o'clock, to answer inquiries and enrol pupils for the different classes to be formed.

Marble Chimney Pieces.

THE Subscriber invites the attention of the public to the above beautiful article. They are manufactured of Stone, by the Penrhyn Marble company, in imitation of the most rare and desirable kinds of Marble.

In style and finish they are unequalled, are very highly polished, retain their beauty much longer than common Marble and are not injured by coal gas, smoke or acids.

They have been extensively introduced into public and private buildings in the United States, giving perfect satisfaction to those who have tried them. While superior in appearance they are sold cheaper than anything of the kind in the market. In fact, the confidence with which they have been thus far used gives the fairest evidence that the Penrhyn Marble, by its many advantages, will in a great measure supercede the use of any other. Architects, Builders, and all others, are invited to examine them.
