THEY PLAYED HARD, BUT LOST

THE ENGLISH CRICKETERS DEFEATED AT PHILADELPHIA.

Peterson Will Row Dutch—Stanbury is Coming—Versatile Rans Third at Gravesend—How Dwyer Was Fooled by the Pool-Rooms—Turf Gossip—General Sporting News.

PHILADELPHIA, Sept. 28.—Fair weather again favored the third day's play in the All Philadelphia-Gentlemen of England match at Manheim to-day. The Philadelphia bowling was a great improvement on the first innings and the visitors were disposed of in quick order. W. Brockie dropped a very hard chance and split his hand in trying to make the catch. Only 88 runs were added by the last eight men.

When the Englishmen had been retired the Philadelphias began their second inning, needing 183 runs to win. These they secured with the loss of but two wickets. The outcome was something of a surprise and the excitement as the game neared a conclusion was intense. Every run that was added to the score of the home team was loudly applauded, and as Paterson, the Young American champion, scored the winning run the crowd broke into the field, loudly cheering the winners.

Lord Hawke was greatly chagrined at the defeat of his team, but will endeavor to secure revenge on Thursday, when a return match will be played. About 8000 persons were on the field to-day. The grand total of the winners was 431 and of the visitors 430.

The Englishmen were originally scheduled to play in Baltimore on Tuesday and Wednesday of this week, but as they have decided to lengthen their stay in this country and include a western trip in their program, their schedule has been somewhat altered, and the Baltimore match postponed until after the New York and Boston fixtures.

Highland Creek Defeats Norway.

The Game at Lincoln City.

The Newcastle Chronicle contains the following account of the match between the Canadians and Lincoln City:

In continuation of their English tour the Canadians, last evening, opposed Lincoln City on the John o' Gaunt ground, Lincoln, there being but a small attendance to witness the game. The visitors kicked off and after a few minutes give and take play, the home forwards showing best combination began to press and caused the visiting custodian to handle. They were, however, repulsed, and play transferred to the other end, where Bennett successfully dealt with two or three hot shots. The City again headed the attack and Irving scored with a beauty after the game had been in progress twenty-five minutes. Playing up with renewed vigor, the Canadians equalized just before the interval, Shea dashing the ball through after Bennett had partially cleared. The second half was again well contested, and the visitors scoring after half an hour's play won by two goals to one.

The Tourists Again Defeated.

The Canadian-Americans played a game at Birmingham on Saturday and were defeated by the Aston Villa team by 5 goals to 1. Ten thousand people saw the game. This team has a great record. They were winners English Cup in 1887, semi-finalists in 1886, winners Staffordshire Cup in 1881, winners Birmingham Cup in 1882-3-4-5, '88-9, '90 and '91, runners up in 1881, winners Charity Cup this year, ninth in English League this year and second in 1889.

They beat the Canadians in 1888 by 4 goals to 2.

The Stars Defeat the Tecumsehs.

Last Saturday afternoon the Star Lacrosse Club of Mimico defeated the Tecumseh Lacrosse Club of Toronto on the grounds of the Industrial School at Mimico by a score of 4 to 1. For the home team McCartney, Mahon, Brown and McKeith played a splendid defence game, while on home Read, Wilkinson and McKinnon did good work. The Tecumsehs played splendidly all round but Irwin, Brunell, Westman and Clemes particularly distinguished themselves. The men were as follows:

Mimico: Large, Stell, McCartney, Mahon McKeith, Brown, Hewett, Jim Ray, Wilkinson Dickinson, Reed, Ayre.

Tecumsehs: Pringle, Irwin, Brumell, Burns, Thompson, Blythe, Waghorne, Baker, McPherson, Gunn, Westman, Clemes.

Referee—W. Brent.

The Baseball Round.

NATIONAL: Boston 11, New York 3; Brooklyn 8, Philadelphia 3; Pittsburg 5, Cincinnati 7; Cleveland 4, Chicago 2.

AMERICAN: Athletics 6, Boston 6, 9 innings, darkness; Baltimore 1, Washington 5; Milwaukee 9, Louisville 2.

They'll Have Another Go.

The final heat between W. J. Bryce's and J. J. Ryan's crews will be rowed at Sunnyside on Thursday at 5 p.m. These are the crews who finished so closely in the race at the fall regatta. It was rather dark when the event came off, and although some thought that Bryce's crew were ahead the judge at the finish declared it a dead heat.

Windle to Try for Records.

W. W. Windle of the Berkeley Athletic Club, who is probably the fastest bicycle rider in the world, went to Springfield on Sunday. He will at once go into training on the Hampden Park track there for the purpose of breaking some of the existing records. A number of the fastest amateur riders in the country have accompanied him and will pace him when he tries for the records during the latter part of the week. Windle at present holds the one-mile safety record for competition of 2 minutes 23 2-5 seconds.

McClelland Defeats Darrin.

PITTSBURG, Sept. 26.—The three-mile foot race between McClelland of Pittsburg and Darrin of New York, for a purse of $500 at Exposition Park this afternoon, was won by McClelland in 15 minutes 55 seconds. About 2000 people witnessed the race.

Stanbury Coming.

The Sydney Mail says Stanbury intends coming to America in November. The article says he is not afraid of meeting with unfair treatment should he succeed in getting on races either for ordinary stakes or for the championship.

Peterson and Dutch.

NEW WESTMINSTER, B.C., Sept. 28.—A sculling match has been arranged between Harry Peterson of San Francisco and Charles Dutch, the Australian sculler. The match is for $1000 a side and will be rowed at Alameda Mole on Sunday, Oct. 8. It is likely that the match will be productive of much betting, as the men are believed to be pretty evenly matched.

Racing at Gravesend.

GRAVESEND, Sept. 28.—First race, 1 1-16 miles—Torrifier 1, Bermuda 2, Mabel Glen 3. Time 1.48¾.

Second race, 1⅛ miles—Homer 1, Pessara 2, Judge Morrow 3. Time 2.09.

Third race, ⅞ mile—St. Carolus 1, Brita colt 2, Delusion 3. Time 1.03¾.

Fourth race, 1 1-16 miles—Port Chester 1, Virgie 2, John Cavanagh 3. Time 1.49½.

Fifth race, ⅞ mile—Dixie 1, Rusted 2, Civil Service 3. Time 1.02¾.

Sixth race—Raceland 1, Cerebus 2, Versatile 3. Time 1.44. No distance given.

Winners on Other Tracks.

Gloucester: Lomax, Flattery, A. O. H., Middlestone, Joe Courtney, Little Addie.

Latonia: Brutus, Prince of Darkness, Eli, Kindig, K.K., Bonair.

Chicago: Miss Nelson, Fan King, Ernest Race, Forerunner Gorman, Exclusion, Russell and Goodbye ran a dead heat. The run-off was won by Russell.

The Toronto Hunt Races.

The Toronto Hunt Club's races at Woodbine Park on Saturday promise to be a great success. Many hunters are being prepared for the occasion, and together with the open events a good day's sport should result. The green steeplechase and green flat race promise to be excellent contests, and will keep the public guessing, as the candidates are all of unknown quality. The fields will doubtless be much larger than those last Saturday and with fine weather there should be a large crowd.

Turf Topics.

Gravesend closes on Wednesday.

The fall meeting of the New York Jockey Club will commence on Thursday.

When Direct made his record of 2.06 he paced the last quarter of the mile in 30½ seconds.

Daughters of Mambrino Boy (2.26¼) will soon be worth their weight in gold for brood mares. They have already produced Allerton (2.09¼), Axtell (2.12), Birchwood (2.18¼), and New York Central (2.18).

An hour before Allerton lowered the world's road wagon record last Friday, he trotted a mile to sulky in 2.09¾, making the third time he has beaten 2.10 in a week. Maud S., during all her career on the turf, never accomplished a similar feat.

Pneumatic to the Front.

It is a noted fact now around wheeling circles that the man riding a Rudge machine on the track has sufficient advantage in that to warrant his friends betting on him. This was again demonstrated on the Rosedale track on Saturday, when W. Carman had an easy victory riding a Rudge Pneumatic in the two-mile race. H. P. Davies & Co., 81 Yonge-street are the proud agents for this wheel. 246

Evison's Cigar Store.

Next the Musee, 80½ Yonge-street. Best brands of cigars; genuine goods at close prices. Creme-de-la-Creme and El Padre 10c goods at 5c. Try our own smoking mixture, excels all others.

Miscellaneous.

St. Michael's College Baseball Club would like to arrange a friendly game on Saturday, Oct. 3. Address Secretary B. B. C., St. Michael's College.

It is very doubtful whether L. H. Cary will return to college. He has been offered a business position in Chicago, which he has nearly decided to accept. It will be a severe blow to Princeton's athletic strength, for they rely on him to win the 100 and 200-yard dashes at the next intercollegiate championships. The Manhattan A. C. will also feel the blow, for if he leaves the college he will retire from athletics entirely. George B. Swain, who surprised the athletic world last spring by his fast sprinting, promises to fill Cary's place at Princeton.

Deformities.

A slight thing which may become a deformity or a lasting torture should have immediate attention. To cure a sprain promptly and permanently use St. Jacobs Oil, and that's all the attention it wants.

A WARNING.

Advice to Our Young Men And Women.

A wise writer says: "The excesses of our youth are drafts upon our old age, payable with interest about thirty years after date." The young men and women of our time are too unmindful of health. They imagine that the strength and robustness of youth are inexhaustible, and therefore they feel themselves able to dive deeply into every round of pleasure and excitement. Late hours, insufficient sleep, bad ventilation, sudden transitions from heat to cold, over-indulgences and excesses, the bustle of fashion, and rush after social position and wealth, are heavy drafts upon their health, which will certainly drag them down to ruin and decay before they attain middle age.

Any ordinary physician can easily point out on the street, market place or in the church such subjects as we now refer to. The pallid cheek, the sunken eye, the emaciated body, the unsteady and trembling hand, the nervous disposition, the weak and irresolute step—all are sad, painful indications of youthful follies and excesses. God forbid that such men and women will ever become the fathers and mothers of the next generation. God help our dear Canada if such be the case. We take it for granted that our young men and women are too proud of the history of their fathers and grandfathers and love their country too well ever to allow such a contingency to arise. They have heard of what science has accomplished for them; they know that from the lap of nature there has been culled a true elixir, a rejuvenator, a health-giving preparation now known as Paine's Celery Compound, which can restore the glow of health to the now pallid countenance, sweep away all forms of nervousness, restore lost vitality, revive the drooping spirits, clear the clouded brain, build up anew the body in flesh and muscle, and give new hopes, new joys and new ambitions.

Why delay the use of this God-given remedy? Why will ye longer walk in the bitter road of disease and suffering? This grand and effectual remedy—Paine's Celery Compound—is now within reach of all; a remedy that the best physicians of our land are now prescribing and recommending. Will you, in the face of such powerful evidence, go on for a few short months or years a burden to yourself and a stumbling block to others, or will you take hold of this great life restorer, and become a blessing to your family and a benefit to your country?

Regina Ripples.

"I took six bottles of Burdock Blood Bitters for liver complaint, headache and dull, limpid feeling, but now I am entirely well and healthy, having also a good appetite, which I did not have previously."—Mrs. T. Davis, Regina, N.W.T.

Clinton Clippings.

"I had for years been troubled with dyspepsia and sick headache and found but little relief until I got Burdock Blood Bitters, which made a perfect cure. It is the best medicine I ever used in my life."—Hattie Davis, St. Mary-street, Clinton, Ont.

In affections of the heart, liver, lungs, stomach, and especially of the genital organs, a loss of nervous power is ever a prevailing symptom. Muscular relaxation and weakness follow. In such cases Sanador will be found the quickest and surest remedy. Send for circular to Room 4, 172 Yonge-street. 136

REFER TO ME

"I have been deeply interested in the investigation of your method of treatment, particularly that portion prescribed in your "Treatise for Men Only." *I am convinced that your treatment for impotency and decay in males is the best known to the medical profession.* I shall recommend it in my practice, and you can refer to me at any time, should you deem it proper."

The writer of above is a practicing physician and unknown to us. We have scores of similar letters on file. It refers to our wonderful system of treatment by which the
