TUXIS BOYS AND TRAIL RANGERS

BY Firelighter

Last week was a stirring one in Trail Ranger and Tuxis Boy circles.

On Wednesday the "Upstreamer" (Tuxis Boys) put thro considerable business ending up with a practical talk on "Why Stick to School". On Friday the Anglican Trail Rangers, in virtue of their being the first local camp adopted the name of "The Pioneers", their motto is to be "Forward and Upward", and colours Red and Blue.

The same evening saw a very enthusiastic meeting of the "Tri Mus" Tuxis Boys at which arrangements were made to celebrate their first birthday. A move is also being made here for the inauguration of Trail Rangers Camp. The evening ended with a practical talk on "How to Study".

On Saturday evening the "Upstreamers" and the "Torch bearers" (Tuxis Boys) combined to entertain their girl friends at a Hollow'en party for which the Baptist Church kindly loaned their vestry. With the Hon. "Pea Nut" in the chair and the Hon "Sam" as Master of Ceremonies fun was assured from the start and everybody left voting it a great evening.

Steps are being taken to consider the organization of what is known as a "Local Boy's Work Board". If this can be brought about it will greatly help work amongst the boys.

Each ship has passenger accommodation for thirty and is designed for the passenger and freight service between Canada and the West Indies.
