Disgust at the Peaceful Prospect—Dissatisfaction with Administration Diplomacy—Cubans Cursing.

NEW YORK, NOV. 25.

The latest Washington despatches are peaceful in their tone, and the people are extremely disgusted. Men have been enlisting in the army and navy, and thousands have been preparing to enlist, with the expectation that war was at hand. So sure were manufacturers of war materials and dealers in warlike stores that hostilities were about to begin that extensive and costly arrangements had been made to prepare for the demand.

The most deeply disgusted people are those who have been confidently looking for fat contracts, but many of the best people are loud in condemnation of the diplomacy of the Government. It is predicted by many leading men that Congress will take some action in the matter that will amount to strong disapproval of the failure of the Government to meet the emergency properly.

Cubans, whose hopes had been high at the prospect of a land and sea expedition against the Spanish power in Cuba, are cursing the Administration freely.

It was not known before that the war feeling was so strong.

Special Telegram to the Tribune.

Trying to Frighten Men to Support the Government by the Dissolution and Scandal Scarecrows—Seven Men Buried Under Bags of Oats and Killed.

OTTAWA, NOV. 25.

Ministerial organs are indicating that, after Parliament meets and the preliminary business is transacted, the House will be dissolved and the Pacific Scandal made a test question at the polls. This course depends solely on what majority the Ministry can procure.

St. Just and Christie are the only members of the Cabinet in town. Mackenzie will not be opposed, and returns after nomination day.

A number of extra session clerks are being discharged, principally from the Public Works Department.

Seven men in Upper Ottawa shanties died last week, under painful circumstances. It appears that the firm that employed them had sent up a lot of oats to their mill for winter use. On Sunday the men unloaded the oats and piled them in the shanty—the night coming on the victims concluded to sleep in the shanty where they had piled the oats. Next morning their return was looked for at the mill. One of the firm went up to the shanty to look for them. On entering he noticed that the oats, which had been piled up in bags, had slipped down during the night, completely covering the men. Mr. Murray commenced to move the bags, and discovered the whole quite dead.

Circuit Court.

The court reopened at 10 o'clock this morning, His Honor Judge Fisher having arrived from Fredericton last evening. The case of Kenny, et al, vs. Bradley, et al, was continued. Mr. Bradley, for the defence, told quite a different story about the affair. He claimed that he was a tenant under Mr. McConnell, and had taken possession of the property before the plaintiff had moved into the house. He used no violence in putting her out, and offered her a room in his own house, or to drive her to the city if she would leave the house.

Mr. McConnell, who gave Bradley possession of the place, was the next witness for the defence. A long argument then ensued between the two counsel and Judge. Objection after objection was made, and the jury looked, each and every one, supremely disgusted. The result was that Mr. Jack, for the plaintiff, went into the record part of the case, proposing to prove that Mrs. Stanley (the mother of the plaintiff) has had uninterrupted possession for twenty-five years; that McConnell, under whom Bradley claims to be a tenant, was for some years a tenant of hers; that his lease had expired, and he was in possession by a special arrangement, and that he had agreed not to assign, under let, or give possession to any one, and himself to eave when required by her.

Mrs. Stanley was called, and her testimony was that she had, since her first husband died, twenty-six years ago, received rents for the property from a Mr. Kerr, Mr. McConnell, and others; that McConnell's lease expired, and he lived two years on the property, by special arrangement, after which she warned him off. He left in April, and she leased the property to Kenny, who took possession before the assault took place. The lease was put in evidence and was objected to by Mr. Thomson. It was signed with Mrs. Stanley's mark, but she distinctly swore to it. The case will probably occupy the rest of the day, as Mr. Thomson says he has witnesses to produce to prove a clear title for Bradley.

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find
