ONE BETTER EVERY TIME

It seems to matter not what other newspapers may offer as premiums, the Family Herald and Weekly Star of Montreal, can always go them one better, and this year they have again clearly outclassed all competitors. Subscribers to that great family paper will this season receive the biggest value ever offered. In addition to a very much improved paper each subscriber will receive no less than three valuable and seasonable premium pictures. The pictures are large portrait of our new King, Edward VII., and the beautiful Queen Alexandra, each 18 x 24 inches, on beautiful paper, making a lovely pair of pictures ready for framing, and which should be found in every Canadian home. The third picture is a grand surprise. We have all heard of the renowned Gainsborough picture of the Duchess of Devonshire, that was stolen and recovered after 25 years and recently purchased by J. Pierpont Morgen for $75,000 cash. The publishers of the Family Herald and Weekly are giving each subscriber this season a beautiful copy of this historical picture (22 x 38 inches) in the rich colours, same as the original, along with the pictures of King and Queen. All these pictures and a year's subscription to the best Family paper on the continent for one dollar is certainly a big dollars worth. The plates of the King and Queen will be a surprise. No such plates were ever given with a newspaper.

FOR RENT, immediately, property in Cornwallis near Kentville formerly occupied by late Mrs. Troop. Large house buildings and 3 1-2 acres land.. tf Kentville Real Estate Agency

The Restigouche election case was dismissed last week, each party paying their own costs.

LOWER AYLESFORD

Oct. 3rd,—The elections passed off very quietly Wednesday.

Messrs Innes and Ryan's meeting at Kingston was well attended and their speeches were very convincing, but I fear that "Those who were convinced against their will are of the same opinion still."

Chas. Alders of Rockville Notch, aged 17 years, was interred at Tremont on Tuesday.

The following fine residences are being built:—Hennigar Neily, Joseph Neily and H. L. Baker of North Kingston, Mrs. Jas. Palmer of Kingston Station and Mr. George Meister of Greenwood.

Mr. Fred Foster of Greenwood, has a very fine variety of strawberries which bore an abundance of beautiful berries in the Spring and had a small crop at drill time with which he treated the officers when they visited him.

Mr Joseph Neily of North Kingston, has sold his farm to Mr Edward Foster

The supply of apples seems to be very unevenly distributed, some orchards have good crops others very few. Near the North Mountain there was no June frost and the crop is good. Near the South Mt, the frost struck some people's crops and orchards and not others.

Mr. N. R. Neily who sold his farm to Edward Lacy last year has bought the Gibson place at Bridgetown.

Edred Cole of Marlboro, Mass, has bought a farm from Chas Palmer of Meadowvale.

Mrs. Pineo of Grafton, is the guest of her sister, Mrs. Joshua Bowlby of Tremont.

CAMBRIDGE

October 3rd,—Election passed off very quietly here.

Mr. Cuthbert Harrison is prepairing to build a new house.

Mrs. T. T. Craig, Brooklyn Street, returned Monday from a visit with relatives in Bridgetown.

Mrs. Randal Illsley of Somerset and Mrs J. R. Webster of Kentville, spent Monday with their mother, Mrs. J. Caldwell.

Mr. Frank Tupper has moved into his new house.

Mrs George L. Webster and baby Mary, are visiting at Maplewood, Mass., the guest of Mrs. Webster's aunt, Mrs. James Huntington.

Rex Lyman has gone to Boston.

Miss Effie McCall who has been spending the summer with her parents, intends returning to Stoughton, Mass., Saturday.

Mrs. William Taylor died last Sunday after a long illness and was buried Tuesday, the Rev. E. O Reid performing the funeral services.

Mrs. Susan Woodman who has been very sick is improving slowly.

Miss Lucy Neily is quite ill. Dr. S. E. Shaw is in attendance.

Miss Beulah Palmer and Miss Julia West of Morristown, visited Mrs. Enos Knowlton and Mrs. Otis Nichols last week.

We have a new Station agent, Mr. Trethewey of New Germany.

Business is rushing at the Station. Craig Caldwell is hustling the apples and potatoes for Bligh at a rapid rate. J. H Cox is busy in the same line for Fullerton and Emerson Graves is doing a big business in agricultural implements

Mr. Snetsinger of Colburn, Ontario, apple buyer, is located here for some weeks.

Mrs. Unie Waterman of Brookline and Mr. Enos Lyons of Boston, visited their aunt, Mrs. Freeman Rachford last week. Their visit to Nova Scotia was a sad one, as they came with the remains of their father, the late Mr. Alfred Lyons, son of Mr. John Lyons of Berwick, which was brought here for burial The interment took place at the Berwick Cemetery Monday the 23rd September.

Mrs. Albert Bullerwell of Parrsboro, is the guest of her sister, Mrs. Will Bullerwell.

Sore arms, are again quite fashionable.

Address and Presentation

Miss Lena Dewar of Ottawa, who has been spending a few years with her sister, Mrs. David Sutton, Church Street, left for home on October 4th via Boston.

Before her leaving about thirty friends gathered at the home of Mr. Sutton and gave Miss Dewar a thorough surprise. Each came armed with a well filled basket and after a daintily served tea an address was read and Miss Dewar was presented with a beautiful silk umbrella with her name engraved on a silver clasp.

Miss Dewar has been a great favorite in our midst both in religious and in social circles and her place will be hard to fill. We wish her a safe and pleasant journey.

The Canadian Order of Foresters

Among the many fraternal and sick benefit societies in the Dominion of Canada, the Canadian Order of Foresters stands at the head as regards finances, having the largest surplus per $1000 of risk of any society doing business in this country. The membership now numbers 43,000 and the surplus in the insurance fund at the end of August last was $1,082,000 and it is increasing at an average of about $18,000 per month. The business of the society is confined to the Dominion of Canada, hence the death rate is very low, being only 4 56 per 1000 of membership in the year 1898, 4.43 in 1899, 4.88 in 1900 and the average death rate since the organization of the society in 1879 has been only 4.93. The society is adding largely to its membership, new Courts being established in all parts of the Dominion and the old Courts strengthened. Insurance policies are issued for $500, $1000, $1500 or $2000, the latter amount being the largest sum written on any life. The insurance premiums are very low, being as follows, payable monthly in advance.

Between the age of	$500 On	$1000 On	$1500 On	$2000 On
18 to 25	.35	.60	.90	$1.20
25 to 30	.40	.65	.98	1.30
30 to 35	.45	.70	$1.05	1.40
35 to 40	.50	.85	1.28	1.70
40 to 45	.55	$1.00	1.50	2.00

The sick benefit department though an optional feature, is very popular among the membership, upwards of 22,000 being enrolled in that department. The benefits are very liberal, namely $3 per week for the first two weeks of illness, and $5 per week for the following ten weeks, altogether $56 during any year, besides a funeral benefit of $30 considering the low rates charged, which are as follows, payable monthly in advance:

Between 18 and 25 years.	25 cents
" 25 and 30 years.	30 cents
" 30 and 35 years.	35 cents
" 35 and 40 years.	40 cents
" 40 and 45 years.	45 cents

All physically and morally qualified males, between the ages of 18 and 45 years, who are not debarred on account of occupation, are accepted for membership.

For further particulars enquire of any of the officers or members of the Order. or address.

Shorthorn Prizes for the Winter Fair at Amherst

The following letter has been received by the Secretary of the Maritime Stock Breeders' Association in reference to the Maritime Winter Fair to be held at Amherst on the 17th, 18th and 19th of December next:—

Toronto, Ont., Sept 28th, 1901.

W. W. Hubbard, Esq.
Sect Maritime Stock Breeders' Association, Halifax, N. S.

Dear Sir,—At a meeting of the Committee of the Dominion Shorthorn Breeders' Association the sum of $110 was voted towards supplementing the premiums to be given at your Maritime Winter Fair, to be given in the way of Specials, as follows:—

Shorthorn Specials

Shorthorn Steer, any age,	$20.
" Female, " "	20.
Grade Steer sired by Shorthorn bull 2nd $15.	25.
" Female sired by " " 2nd $10.	20.

The conditions are: All Shorthorn cattle receiving these prizes must be recorded in the Dominion Shorthorn Herd Book; in case of Steers, sire and dam must be recorded. In the Shorthorn grade class the sire must be recorded in the Dominion Shorthorn Herd Book. Hoping that this prize will be appreciated by your Association, I remain,

H. Wade, Secretary.

It is being reported that fruit growers are offered $3 50 per barrel for their whole crop of winter fruit and some will not accept that price. Apples are trumps this year and the farmer who has a full hand is the one who has plenty of fruit.

No Danger

There is no danger of heart burn or heart troubles from the use of Chewing Tobacco, if it has been properly manufactured. Great care is taken by the manufacture of "OLD FOX" and "BOBS" Chewing Tobacco, to use only pure and wholesome ingredients, which will leave no bad after effects. If you are not already using these brands, try them. Even the tags are valuable. Save them; and ask your dealer for our new illustrated premium catalogue.

January 20th, 1873.

This is to certify that my sister Julia, when at the point of death with, what was pronounced by the first physician to have the black smallpox incurable. In six hours after taking Doctor Loomer's Small Pox Cure the pains ceased, the swelling went down in the tongue and throat so she could speak; she had been blind for three days and speedily recovered. My two children were taken with the same disease one not being vaccinated, they took the remedy when it first showed the spots on the face, and were not sick afterwards. The spots dried in two days without leaving one mark. I was in the house all this time and took the remedy myself and did not take the disease. I believe it is a sure cure and preventative. I therefore recommend it to all.
