PUT IT ON THE CROWN ATTORNEY

FINANCE COMMITTEE VERY COY

Judge Snyder's Report Handed On — Action May Yet Be Taken.

Hamilton, March 27.—The Finance Committee held a three hour session to-night and reconsidered the question of "whitewashing" E. S. Brennen, the coal contractor. On motion of Ald. Waddell, seconded by Ald. Nicholson, it was decided to send the report of judge Snider's inquiry to the County Crown Attorney, with instructions that if he considers a criminal prosecution should be instituted, the police department be instructed to lay information. Ald. Biggar opposed the recommendation, as he said he did not think a jury would bring in a bill against Brennen, either for fraud or attempted bribery.

12 Concerts, $320.

The committee voted $320 to the Sons of England band for twelve concerts to be given in the city parks during the summer months. The following grants were made: Holy Sepulchre Cemetery $200, Hamilton Poultry Association $100, XIII. Regiment $100, Victoria Rifle Club $50, Hamilton Field Battery $75, Medical Corps $25.

There was quite a discussion over the bill of Beatty, Blackstock and Riddell for $1300 for acting for the city in the case against the Kramer-Irwin Co. Some time ago $800 was paid on account. The City Solicitor defended the account, but Ald. Biggar, who is a barrister, found fault with him for not having the bill taxed. One item in the bill was $100 for digesting the evidence.

No Relief Yet.

An application for an increase in salary, made by the relief officer, was laid over till the next meeting.

The opening of the new buffet of the St. Nicholas Hotel took place to-night. Mr. Robert Ward, late steward of the Hamilton Club, has been appointed manager of the hotel in place of Harry Merrifield, resigned.

The 15th annual dinner of the Hamilton branch of the Canadian Association of Stationary Engineers was held this evening at the Commercial Hotel, and was well attended. Ald. Pettigrew was chairman. A number of toasts were given. H. Carscallen, K.C., MLA., responded to Canada, Our Home. The executive head was replied to by Charles Mosley and A. M. Wiggins of the Toronto branch. Other toasts included manufacturers and kindred associations.

St. Andrew's Society.

The annual concert of the St. Andrew's Society was held this evening in the opera house. The principal entertainers were Miss Jessie MacLachlan, Miss Jessie Irving, elocutionist, and W. A. McPherson, dancer. During the evening Miss MacLachlan was presented with a bunch of heather by Master Alister Crerar and a poetical address, written by William Murray, and read by Adam Brown. Geo. H. Milne, president of the society, presented Adam Brown with an ex-president's badge, and he made an appropriate reply. The concert was attended by a large audience.

John Alexander Dead.

One of the city's oldest inhabitants, John Alexander, died at his home, 112 Aberdeen-avenue, this evening, after a long illness. He was 74 years old and had lived in Hamilton for 50 years. He was a member of the I.P.B. Society, and the '66 Veterans, and as a citizen was very highly esteemed. He leaves a son, Albert, and three daughters, Mrs. G. F. Jelfs, and two unmarried. The funeral will be on Saturday afternoon and will be private.

A Lawyer Remembered.

A number of the members of the Wentworth bar met this afternoon in the Law Library to bid good-bye to F. B. Martin, one of the profession who is going to Blairmore, Alberta, and present him with a substantial token of their esteem. E. Martin, K. C., president of the Law Association, was in the chair, and called on Justice MacMahon, who, in a well-worded address, made the presentation of a largely signed address and a well-filled pocketbook to Mr. Martin.

Mr. Martin replied in a pleasant speech, inviting his confrers to call on him when they visit the Northwest Territories. Judge Snider and Frank Mackelcan, K.C., also made congratulatory speeches and the proceedings terminated.

At the Assizes.

In the action of Queson v. the Hamilton Steel and Iron Co. for $200 damages, before Justice MacMahon and a jury to-day, the jury found that the place where Ineson was injured was not properly protected, and it gave the plaintiff a verdict for $400.

Judge MacMahon next took up the case of Lennox v. Harris, in which the plaintiff, J. H. Lennox, sued Fred J. Harris, to recover $1000 for alleged slander. The evidence for the plaintiff was that he went to put down a carpet for the defendant, who sent word to Malcolm & Souter, the plaintiff's employers, to send for Lennox, who was drunk or looked as if he was drunk.

Judge MacMahon non-suited the plaintiff, on the ground that he had not suffered from what the defendant said about him.

Justice MacMahon returned to Toronto this afternoon, and the Assizes will be resumed next week by another judge.

About 400 were present and enjoyed themselves immensely. The first part of the program was an oratorial contest among the boys of the school. William McLeod, 770 West King-street, wanted to answer a charge of breaking into the premises of Bernard Enusvesky, at Strachan and Wellington-avenues, was arrested last night by Detective Verney. Percy Newton is now on remand, charged with the robbery.

Four Months in Central.

Windsor, March 27.—Samuel Todd, the Gosfield North Township farmer who was arraigned before Judge Horne at Sandwich Saturday on the charge of assaulting Mr. and Mrs. Calvin Sweeltzer, his neighbors, and who displayed evidences of insanity by telling the court that God had told him that he would be discharged, was this morning sentenced to serve four months in the Central Prison. The prisoner is an old man. He has been living alone for many months in the woods, near the Sweeltzer farm.

The exodus from this county to the Northwest is more than ordinarily large, and farmers anticipate a great scarcity of farm help.

Todmorden.

Plowing, and, in some instances, seeding, has commenced here. Old timers say that they have never known a month of March such as this has been—more sunshine, less wind and rain, and an earlier arrival of blue birds, robins, song sparrows and plover than ever known around here.

A man from south of Rat Portage has bought up nearly all the goats in this locality. He is going to use them in New Ontario to clean up a large piece of land that is covered with a growth of underbrush and shrubbery. Goats are close feeders on forest undergrowth, and will devour almost anything in the way of vegetation. Over 40 goats have been secured here already.

County Debentures Sold.

Nine tenders were received yesterday by the York County Commissioners for the issue of $84,000 worth of debentures, made in accordance with the court house agreement. The offers varied from par to over $86,600. The highest, that of O'Hara & Co., was accepted. The debentures will run for 30 years, and bear interest at 4 per cent. The sale, financial men say, is a record one, considering the present demand for money in connection with the establishment of various industrial enterprises.

The officials of the York Township Council, who are negotiating for the lease of offices in the old court house, inspected the building in company with the Commissioners. The proposal to rent the rooms will be dealt with by the Township Council at its next meeting.

LAXA LIVER PILLS

Those who have used Laxa-Liver Pills say they have no equal for relieving and curing Constipation, Sick Headache, Biliousness, Dyspepsia, Coated Tongue, Foul Breath, Heart Burn, Water Brash or any disease or disorder of the stomach, liver or bowels.

Mrs. George Williams, Fairfield Plains, Ont., writes as follows: "As there are so many other medicines offered for sale in substitution for Laxa-Liver Pills I am particular to get the genuine, as they far surpass anything else for regulating the bowels and correcting stomach disorders."

Laxa-Liver Pills are purely vegetable; neither gripe, weaken nor sicken, are easy to take and prompt to act.

SPECIAL C.P.R. MEETING.

Ratifies the New Issue of $20,000,000 of Stock.

Montreal, March 27.—There was a special general meeting of C.P.R. shareholders to-day to ratify the new issue of $20,000,000, and it was ratified with the greatest unanimity. In moving the adoption of the resolution authorizing an increase in the ordinary capital stock of the company, Sir Thomas Shaughnessy said:

It is probably unnecessary for me to enlarge on the explanations given in the president's circular letter of Feb. 10 last. You will have noticed that our gross revenue from traffic has continued to show satisfactory increases, and that the net results are also very gratifying. Notwithstanding the necessity for a substantial increase in the working expenses the proceeds of the proposed issue of capital stock will enable your directors to provide such increased facilities and make such improvements as will ensure greater convenience for the public and a marked reduction in the cost of moving traffic. The outlook for immigration to our northwestern territory is brighter than it has been for many years past. The increase in the acreage that will be prepared for crops this season will be considerable. Incidentally, I may be mentioned that our land sales during the past eight months were by far the largest in the company's history, being 778,903 acres for $2,482,762. During the same period $1,500,000 of 5 per cent. land grant bonds were drawn for redemption, thus reducing the fixed charges by $75,000 per annum. This leaves outstanding only $1,314,000 of these bonds, which it is hoped will be taken up with the proceeds of land sales in the near future, and in the opinion of your directors the time is not remote when the annual interest on deferred payments for land will exceed the sum required to meet the charges on the $15,000,000 of 3½ per cent. bonds, amounting to $525,000 per annum, which you now treat as part of your fixed charges.

TO PLEDGE CANDIDATES.

Lord's Day Alliance Will Ask for Public Statement of Views.

The Executive Board of the Ontario Lord's Day Alliance met yesterday at the Confederation Life Building. Rev. Dr. Caven was in the chair. The meeting was opened with prayer by the Rev. Dr. Carman. Those present, in addition to the president and Dr. Carman, were: Dr Johnston, London; Rev F A Cassidy, Guelph; Rev T A Moore, Rev W B Caswell and Mr John E Brown, Hamilton; Rev J H Ratcliffe, St. Catharines; Rev W G Hanna, Mount Forest; Mr H P Moore, Acton; Mr G H Hale, Orillia; Rev Dr Parker, Toronto Junction; Rev Dr Thomas, Rev W H Hincks, Rev Alfred Gandier, Rev J C Tibb and Messrs John C Copp, J. K Macdonald, Alexander Mills, John A Paterson, R U McPherson, A E O'Meara, the general secretary. Rev J G Shearer and the Rev Mr. Frizzell, Toronto. The general secretary, Rev. J. G. Shearer, presented a report of the work done since the last meeting.

The Legislation Committee reported that thru the effective co-operation of Mr. Alexander Mills all applications by electric railways and other companies for permission to run their concerns on the Lord's Day had been successfully resisted.

The board heard also with gratification of the successful resistance of the attempt by the Master Bakers to get permission to compel their employes to work for a portion of Sunday in order to be able to provide fresh bread for Monday's breakfast.

It was decided to ask, thru representative electors in the various constituencies, all candidates for election to the Legislative Assembly "to make public statement of their views regarding the preservation of the Lord's Day as a day of rest by means of legislation impartial in its application to the whole community, uniform in its application to the whole province and preventing on that day the doing of all unnecessary business and the employment of persons in any unnecessary labor."

The sub-executive of the Lord's Day Alliance of Canada met in the evening, the president, Rev. Dr. Potts, in the chair. Others present were: Rev. Dr. Johnston, London; Rev. T. A. Moore, Hamilton; Rev. F. A. Cassidy, Guelph, J. K. Macdonald, J. C. Copp, A E. O'Mara, and the secretary, J. G. Shearer.

The treasurer's statement showed a balance on hand of $154.30. The Nova Scotia branch has already contributed its full quota of $350 for the year; Quebec has contributed $425 out of the $500 asked, and Ontario has paid in $733 out of the $2200 asked. Other provinces have paid in smaller sums.

The president and the Ottawa members of the board were appointed a delegation to urge upon the Dominion authorities restriction of the importation of American Sunday papers and the landing of American Sunday excursions. A delegation representing the Dominion Alliance will wait upon the presidents and general managers of the large railway companies of the Dominion to urge the cessation of unnecessary Sunday traffic. The International Sunday School Committee will be asked to give more prominence in the lessons to the preservation of the Lord's Day.

A Growing Concern.

For more than thirty years the name of "Russill's at the Market" has been one of the best-known in that part of the city of Toronto in the familiar neighborhood of the St. Lawrence Market. This great business was founded by the late John T. Russill, whose name became synonymous with integrity, honor and upright dealing throughout a large section of Ontario contiguous to the Queen City. Under his wise guidance the business grew and flourished and extended its borders until the old premises at the St. Lawrence Market became too small for the proper handling of such an immense business, and it became necessary to take in the adjoining store at 159 East King-street. Death claiming the energetic and honorable founder of the business, the management thereof devolved upon his son, Mr. Frank Russill, and right worthily has he sustained the reputation. For some four years succeeding the death of Mr. John T. Russill, the business has been carried on at the old stand at the Market, but eventually it became apparent that, in order to keep pace with the steadily increasing business, it would be necessary to look about for larger and more suitable premises. Fortunately the large store at 126 East King-street, two doors west of the Steele, Briggs Seed Company's retail store and only a few steps from the old store at the market, was secured, and last week "The Russill Hardware Company" moved into and commenced business in the new premises, which have been refitted throughout and include an elevator, an improved cash railway system, and many other modern conveniences. The store fronts on King-street, right opposite Simmers' seed store, and extends back 208 feet to the lane in the rear. It has an enormous selling space, and there are ample shipping and receiving rooms, cellars, etc., etc. There are five floors, including the cellar, and from cellar to garret this immense store is filled with the splendid stock of hardware goods that have made the name "Russill" favorably known throughout Central Ontario and, indeed, in many other parts of Canada.

The Russill Hardware Company's new store at 126 East King-street is well lighted throughout. The various departments are in charge of experts, who thoroughly understand their business and who are determined that the good name gained by the firm in the past shall be maintained in the future.

We might add that the firm has three times as much space for its goods as it had in the old store at the market, having a floor space of 15,000 square feet.

Wet for Easter.

The probabilities for to-day are that it will be a little wet in Toronto, which is a poor program for the weather man to provide for the first holiday of the year.

It may possibly be wet on Saturday and Sunday, without regard to the preliminary anxiety over Easter bonnets.

PINCHED AND PUNY

South American Nervine is the Antiodote for the ills which are induced by humanity's "mad rush" for an existence. The "eat and run" way of living is accountable for more of the pinched and puny faces than any other cause under the sun.

Dyspepsia, indigestion, constipation, sick-headache are the prime causes for broken-up nerves. Nature foretold the strain that we would be compelled to live under and has revealed to medical science the favorite formula—South American Nervine—and its daily joy is to put back the bloom of perfect health in the faces of millions who do honest toil.
