FOOTBALL IN THE RAIN.

Peterboro Beat Norwood in Midland League by 2 to 0.

Peterboro, May 14.—In a downpour of rain here this afternoon, the Quakers of Peterboro beat the Harwood team by a score of 2 to 0 in a Midland Football League game. The play, despite the unfavorable weather conditions, was fairly fast, the teams being well matched, and the checking was close and hard thruout. The Quakers scored their two goals inside the first five minutes, the Fitzgerald brothers notching the points from easy shots. In the second half the play was very even, the fine work of the backs of each team keeping down the score. The teams were:

Harwood (0)—Goal, McAllister; backs, Butler, Pickering; half-backs, Payne, Donaldson, Corker; forwards, Harris, Eastwood, Smart, Sorley and Young.

Quakers (2)—Goal, Belleghem; backs, Simpson, Doris; half-backs, Parnell, F. Fitzgerald, M. Guerin; forwards, Moore, C. Fitzgerald, J. Guerin, Perdue, Brooks.

Referee—A. Noble.

Sherbourne-street Players Won.

The Sherbourne-street team defeated the Berkeley-street team in the M.Y.M.A. Football League game yesterday by a score of 1—0. The game was very fast, considering the miserable weather.

Dundas Beat St. George.

Dundas, May 14.—The St. George and the Dundas teams met to-day in an intermediate league match. Captain Macaulay won the toss and St. George kicked off at 3.30 o'clock. Macaulay got the ball, and by some clever work, carried it right up to the St. Georges' goal, where he passed to Cunningham, who shot but missed. The home team then kept the visitors' defence busy, and it was only the clever work of Lawrason in goal which saved them time and again; but at last Cunningham succeeded in scoring for the home team. This was the only score before half time. The second half was mostly in favor of the Dundas boys. The combination of their forward line was the feature of the game. They were successful in scoring three more goals, and the total of four was none too many for their splendid team work. The St. George boys missed the services of their main back, J. Bell, who is in Ottawa.

Dundas (4): Goal, J. Fletcher; backs, G. Fletcher, Hancock; halfbacks, Davidson, Archibald, Campbell; forwards, Macaulay, Cunningham, Reston, Walker, Chattand.

St. George (0): Goal, Lawrason; backs, Kight, Weaver; halfbacks, Lowrey (capt.), Reid, Kay; forwards, Lee, Wehrstein, Thompson, Roung, Howell.

Referee—S. H. Armstrong, Toronto.

Scots Beat Gore Vales.

On Saturday afternoon the Toronto Scots and Gore Vales met at Stanley Barracks athletic field in a senior contest. Altho it rained heavily from start to finish and the ground was in a sloppy condition, both teams played a good game, being very fast at times. The Scots kicked into the south goal for the first half, notching two goals, Houston scoring both, on beautiful shots. In the second half the Scots notched two more, Hall and Hoar doing the scoring. The Gore Vales, after about 25 minutes' play in the second half, scored twice, Stewart and Wilcox scoring. McPherson, the Scots' centre half, was the star of the game. A. Hatt refereed to the satisfaction of all. The teams lined up:

Toronto Scots (4): Holmes, goal; Humphrey, Hall, backs; Parsilee, McPherson, Hoar, halves; Park, Bongard, Hall, Holder, Houston, forwards.

Gore Vales (2): Newton, goal; Callander, Doyle, backs; Stewart, Webster, Hobbs, halves; Wilcox, Clayton, Dale, Bulmer, Johnston, forwards.

This Montreal Team Won.

Ottawa, May 15.—Montreal and Ottawa teams in the Eastern Canada Baseball League, played an exhibition match here on Saturday, victory resting with Montreal by a score of 8 to 2. The game was a good one, altho marred by a few mishaps. Madore, the Montreal catcher, was struck in the neck by the ball, and was badly knocked out, medical assistance being required. He was replaced by First Baseman Wolfe.

Norwood and Bridgenorth Tie.

Norwood, May 14.—Bridgenorth and the Norwood team played a tie game in the rain here to-day, neither team scoring a goal. The teams were:

Norwood (0): Goal, McFee; backs, Doherty and Weir; half-backs, Nichol, Pearse and Scott; right wings, Foster and Miller; centre, Powers; left wings, Lamey and Howston.

Bridgenorth (0): Goal, J. Turner; backs, S. Forsythe, T. Cullen; half-backs, E. Scott, A. Coons, E. Brumwell; forwards, E. Joyling, J. Conway, J. Cullen, N. Kelly, B. Kelly.

Football Kicks.

In a drizzling rain at Peterboro Saturday afternoon the Peterboro Midland baseball team beat the Pirates of Toronto in a five-innings game by 5 to 2. Considering the rain, the game was a good exhibition. The batteries were—Flaherty and Graham; Evans and Leake.

The Berkeley Church Football Club would like to arrange a game with some team outside the city for May 24. Address John Winnett, 329 Berkeley-street, Toronto.

The Scots juniors have arranged a practice game for this evening at Exhibition Park at 6.30 sharp. Members are requested to be on hand.

The W. F. A. match at Galt on Saturday played between Galt and Plattsville, resulted in a tie, neither team scoring.

Opening Game To-Day.

The opening game of the Eastern League championship season on the home grounds will take place to-day at Diamond Park, with the champion Jersey City team as Toronto's opponents. The mayor will pitch the first ball at 3.30 o'clock. Previous to the game the officers, players and sharpeaters of the club will parade, headed by the 48th Highlanders' Band. The parade will leave the Grand Union Hotel at 1.30 o'clock, and will go to the ball grounds via Front, York, King, Yonge, Queen Jarvis, King, Bay, Queen and Dufferin-streets. The members of the city council will join in the parade at the City Hall.

The Torontos returned home on Sunday, many of them being sore from playing in the cold weather that prevailed. No other excuse was offered for the Jersey reverses. That did not affect the buoyancy of Arthur Irwin. Toronto's line-up this afternoon will be: Weidensaul, 2b; Harley, c. f.; White, l. f.; Kuhns, s. s.; Murray, r. f.; Raub, c.; Currie, p.; Carr, 3b.; Rapp, 1b.. NO SUNDAY TRIALS AT THE TRACK

First-Class Going on Saturday—This Morning's Trials—Saturday's Arrivals.

The horses were kept off the Woodbine Sunday morning owing to the heavy Saturday rain, and consequently, by evening the sun and breeze had dried the track out nicely, and this morning the candidates will again have first-class going. In the absence of Dr. Smith, chairman of the O. J. C. committee, Mr. R. Davies was at the Woodbine early yesterday morning, and wisely decided to close the park all day.

They were still talking of War Whoop's splendid Saturday trial of 2.14½, and everybody agreed that he's the horse to beat. No one seems to know whether Nimble Dick or Heather Jock is Hendrie's best, and all are wondering why the veil continues over Scagram's trials. Dyment's pair are out of the limelight, tho the stable still has staunch supporters, while many are still looking hopefully to Mr. Osborne and Bill Lepine.

Frank Somers is a busy man these days. On Saturday he passed the following:

From New York, W. P. Maxwell's Elsie L., W. R. Condon, Demurrer, Gold Bell, Eckinate, Viona, Brunswick, St. Sever, Onward, Stenograph, Dolly; W. T. Anderson's Taxer, Fustian.

From Nashville: William Gerst's Two X., Launay, Port Warden, Tom Moore, Chanley, Gambrinus, Sam Hoffenheimer, Cherpex, Port Arthur, Brazil, Florias, Sythelist, Titlark, Lady Alert.

THE TORONTOS' AVERAGES FULLER HIT .333 IN 2 GAMES

Rapp With .300 in 14 Games the Real Leader—Several Fielders Have Clean Records.

After a series of 14 games abroad, the Torontos came home to day to open the 1904 season at home. The team will present quite a different appearance from last season, many changes having been made, and several players new to Toronto will be seen in the line-up this afternoon. In fact only five of last season's regular players are now on the list, besides Pitcher Gardner, namely, White, Kuhns, Carr, Wolfe and Wiedensaul, the five of the others, Rapp, Murray, Fuller, Mills and Falkenburg joined the team later in the year. The new faces are: Harley, Clarke, Applegate, Raub and Currie, some of whom will be remembered as having played with other Eastern League clubs. Consequently the team must needs undergo a critical scrutiny by the anxious fans at the opening game of the home series to-day. In order to get a line on the work of the players during their first trip away from home the batting and fielding averages, compiled from the telegraphic despatches, are given below, and it will be seen that their record, taking all things into consideration, is not at all bad. Of the 14 games played, six have been scored as victories, so that it was nearly an even break, which is very creditable, seeing that they were pitted against the strongest teams of the league. With Baltimore and Newark the series were evenly divided, and at Providence the Torontos took three out of four, the three victories being shut-outs. With Jersey City, who had the advantage of longer training, and who are playing very fast ball at present, the Irwinites lost the whole series, tho every game was closely contested. It will be seen that the team's greatest weakness so far has been in their batting, the averages being low all around. The team average is only .201, which is at least 75 points lower than it should be. However, the team is bound to improve a great deal in this respect. One feature noticed in the games played was the good showing made in the score with the small number of hits made, one game being won with only two hits. In long distance hitting White leads in the two-bagger column, and Murray with three-base hits. No home runs have been scored. White also has the greatest number of stolen bases.

Of the pitchers, Currie has been the most effective with two wins, with no defeats, Falkenberg won two and lost one, while Gardner and Mills each won one. Applegate and Wolfe are still in the maiden class. The averages follow:

—Batting Averages—

	G.	A.B.	H.	2B.	3B.	P.C.

CLEVER BIG MEN IN THE RING.

O'Brien and McCoy Box Even Six Rounds in Philadelphia.

Philadelphia, May 14.—Kid McCoy and Jack O'Brien to-night fought one of the most scientific six-round bouts ever seen in this city, at the Second Regiment Armory. At the close of the bout it would have been a difficult task to pick the winner.

McCoy had the best of the third and fourth rounds, while O'Brien had the Kid in trouble at the close of the fifth round and also in the sixth round. McCoy was visibly in distress at the end of the sixth round. He repeatedly ran away from O'Brien, and only attempted to counter when O'Brien led.

There were no marks on McCoy, while O'Brien's left eye was bleeding. O'Brien landed the greatest number of blows, but McCoy's punches had more steam behind them.

The Second Regiment Armory was crowded before 9 o'clock, and the speculators reaped a harvest selling seats at a good advance over box office prices. The men weighed in during the afternoon and both made the weight rather easily, McCoy being somewhat the heavier.

A wrangle that proved exceedingly tiresome took place over the question of the referee. O'Brien wanted Bert Crowhurst, but McCoy declared that he would not enter the ring unless some man not a Philadelphian was selected. Many other names were suggested and in the meantime the crowd fretted and listened to speeches by a number of alleged pugilists.

Jimmy Britt was introduced. McCoy's seconds were his brother, Homer Selby, Charley Mitchell and Harry Foley.

O'Brien's seconds were Billy McCarty, Jack Reilly, Lew Bantley, Jimmy Brady and Joe Basly. O'Brien finally announced he would permit McCoy to name anyone he chose, and after a short conference the McCoy party decided to let Crowhurst officiate.

From cleverness and science the bout was a draw. There were hisses and cheers for both men.

PARKDALE HAS TENNIS CLUB.

Officers Elected at First Annual Meeting.

For a considerable time tennis players resident in Parkdale have felt the want of suitable grounds on which to gratify their love of the game. To remedy this a number of enthusiasts met on Saturday evening and organized the Parkdale Tennis Club. Up to the present about 75 players have declared their intention of assisting in its success and the prospects for strong teams are very bright indeed. Grounds have been secured in the Collegiate Rink, corner Queen-street and Close-avenue, where four courts will be placed in first-class condition at once. Teams will be entered in the senior and intermediate leagues. The officers elected were as follows:

Hon. presidents, Arch. Campbell, M.P., Thos. Crawford, M.L.A., J. A. Kammerer, Dr. A. Lynd; president, Dr. C. A. Cooke; first vice-president, F. W. Tanner; second vice-president, Miss C. Kennedy, secretary, J. T. Burt-Gerrans; treasurer, E. Flanagan. Grounds committee—Dr. Sisley, J. Flanagan, H. Fenwick, T. H. Armstrong, H. C. Sloan, Dr. Burns. The secretary's address is 1313 West King-street. Phone Park 654, and western tennis players are invited to communicate with him.

TOUR OF CANADIAN BOWLERS.

Revised List of Players and Officers for Old Country Trip.

The anticipated event of a Canadian bowling team visiting the United Kingdom this summer is now assured. The team will leave Toronto for Montreal the evening of Victoria Day, taking the C.P.R. at 10 o'clock p. m., and will rendezvous at the Windsor at 10 o'clock on the morning of May 26 for social intercourse. The many of the members of the team are comparative strangers to each other, that well-known fraternal spirit which pervades all true bowlers' hearts will soon serve to make them all true friends on short acquaintance and pleasant companions on their extended tour, meaning much for the success and pleasure of a visit which, it is hoped, will do much to cement the ties of friendship between the bowlers of the old world and the new. Upon the invitation of the Westmount Club, practice games will be engaged in during the afternoon. In the evening the members of the team will enjoy the hospitality of the Westmount Club, playing a six-rink match on their noted green by electric light, which will prove to many quite a novelty. After the match a reception will be tendered the players before embarking on the Lake Manitoba, which sails at daybreak the morning of May 26. Some changes in the personnel of the team having arisen from the first draft published, the revised list is given, together with the officers and advisory committee:

GAMES AT UXBRIDGE.

Uxbridge, May 14.—There are, perhaps, few towns in the province more widely or more favorably known in musical and sporting circles than Uxbridge, and two years ago the old town added "new glory to her fame" by the magnificent manner in which she successfully entertained her thousands of old boys and girls. Now she's going to celebrate again. You can't stop Uxbridge. With characteristic enterprise and energy, the fall fair authorities have embarked in the spring show business, and on Victoria Day, May 24, will conduct an exhibition of live stock, implements, dairy products, etc., combined with a big athletic tournament. The bill of fare will surpass anything of the kind ever offered in the town in one day. The prizes in the show department are unusually liberal. Two races are on the program—a free-for-all and 2.40 class, open to trotters and pacers—a football tournament, a baseball match between the local nine and the Lornes of the Toronto Interassociation League, big list of track events (running, jumping etc.), public school drill contest, and exhibition of drill by the crack cadets of the Uxbridge High School. In the evening a grand concert will be given, for which the following Toronto artists have been secured: Miss Teresa Flanagan, the popular soprano; Robert Wilson, humorist, and Alfred E. Harding, monologist and musical specialist. Secretary Todd is this week issuing invitations to all the old boys and girls within reasonable distance to visit the old town on the 24th, in the hope that they may spend a pleasant holiday amidst old friends and associations. The management look for a record crowd, and are sparing no pains to provide accommodation and entertainment for everybody, old and young.

FOREIGN MEAT TRADE.

(Canadian Associated Press Cable.)

London, May 16.—Chairman Holland of the animal and meat trade section of the Liverpool Chamber of Commerce states that 876,000 live animals were landed in United Kingdom ports during 1903. There was imported from the colonies and foreign countries 743,810 tons of live and dead meat. Every effort is being made to remove the restrictions on the importation of Canadian cattle, but there is little chance at present of success.

U.S. LACROSSE CHAMPIONS SWARTHMORE BEAT HOPKINS

Rough Game at Baltimore, Losers' Capt. Being Disqualified—Saturday's Results

At Baltimore—In a lacrosse game characterized by roughhouse tactics and exciting incidents, the Swarthmore lacrosse team, trained by Bert Davis of Toronto, defeated Johns Hopkins University, thus winning the intercollegiate championship, the score being 8 to 3. The visitors clearly outclassed the local men, both in weight and all round work. They also had the advantage of playing 12 men against 11, thanks to the judgment of Referee Edgar, who put Tough, the Hopkins captain, out of the game.

The local man was disqualified by the referee in the latter part of the first half. Tough, previous to this, had had an encounter with F. Price of Swarthmore and there was bad blood between the two. Just before the ending of the first half, with the score standing 4 to 3 in Swarthmore's favor, Price struck Tough on the point of the jaw, nearly sending him to dreamland. Thoroly exasperated, Tough responded on Price's cranium with a resounding whack with his stick.

The referee did not see the beginning, but did see the ending, and he straightway put Tough out of the game. Outside of this unfortunate feature the contest was an interesting one. Good plays were made on both sides, notwithstanding the fact that Hopkins was severely handicapped. The best work for Swarthmore was done by the two Prices and Growl, while Strobler, Rosenheim and Batchal excelled for Hopkins.

At Brooklyn—In the closest lacrosse game of the season, played yesterday, on the grounds of the Crescent Athletic Club, the home team defeated the Harvard University twelve by a score of 8 to 6. In the first half the teams played with more than usual care, resulting in two goals for the Crescents, made by Jewell and Hardy, and one for the college team, made by Goddard.

At New York—In a hotly contested game of lacrosse Stevens Institute of Hoboken beat the team of the Greater New York Irish Athletic Association by a score of 3 goals to 2. At the finish of the first half the score was tied, each having 2 goals. In the second half McKinley of Stevens managed to score another goal, winning the game for Stevens.

In District No 2.

Mount Forest, May 14.—(Special.)—Brampton has dropped out of the intermediate series owing to some difficulty in procuring an athletic field. This leaves only three clubs in district 2—Guelph, Elora and Mount Forest, so it was decided to play double schedule, thus making each team four home games. In Elora there is considerable indignation felt towards the C. L. A. for not allowing the Rocks to resume their former position in junior series. However, having won the junior championship in 1903 their place is naturally this season one higher. Altho Elora are a little sore, they are staying with the game, and, The Express says, will at least endeavor to win out their district. The Lornes of Mount Forest also have the same idea, and Guelph is said to have a pretty fast aggregation; consequently, the laurels of district 2 adorn the picturesque village on the Grand River their chances of landing the cup will be almost certain, even considering Orillia and Peterboro.
