Drygoods.

The fall drygoods trade opened with the opening of August. Large movements of goods are going out daily. The houses here evince readiness to fill all orders coming from Ontario and Quebec, as good crops are now assured in these provinces. There is weariness shown, however, as far as Manitoba is concerned. Prices remain firm in all lines. Canadian cotton and woolen mills are running full time with orders ahead. The only feature that causes uneasiness is the lightness of the payments to meet maturing paper on August 1st. It is a heavy day in the trade and so far indications point to applications for extension.

Groceries.

This has been a flat week in groceries. Trade has been dull, and that is about all that can be said. There has been no further change in prices of sugar. Yellows are quoted at 7c to 8c and granulated at 8¾c for 15 barrel lots and over and 9¼c for under 15 barrel lots. There is very little demand for sugar at present. Canned goods of all kinds continue firm. Valencia raisins are out of the market. Payments are poor.

Leather.

The leather trade has been quite active this week. There has been a good demand for heavy leather from both jobbers and manufacturers. There has also been an appreciable increase in the enquiries for harness and upper leather. Prices: No. 1 slaughter, B. A. Spanish, 25c to 28c a lb.; No. 1 ordinary Spanish, 21c to 23c; No. 2 Spanish, 19c to 21c; No. 3, 17c to 19c; heavy No. 1 slaughter, 24c to 26c; medium slaughter, 22c to 24c; No. 2 slaughter, 20c to 22c; No. 1 harness, heavy, 27c to 32c; medium harness, 27c to 27c; upper, 28c to 35c; grained upper, 29c to 32c; splits, 16c to 19c.

Receipts of hides and skins are light. No change in prices has taken place except that in the advance of lamb and shearling skins to 45c. The wool trade is dull. There is very little doing either in receiving or shipping. Fleece wool is quoted at 20c to 20 1-2c; 22c to 23c for Southdown; unwashed fleece, at 15c; unwashed Southdown, at 14c; rejects, at 15c; supers, at 27c to 24c and extras at 28c to 29c.

LIVE STOCK.

The receipts of live stock at the western cattle yards to-day were 45 loads, including 700 sheep and lambs, 100 hogs and 45 calves. Small stock was active and firm and cattle easy. The offerings of butchers' cattle were very large, but the demand for which has fallen off. Prices have dropped from $3 to $5 a head. The offerings of export cattle were light, there being only about half a dozen loads on the market. The demand was brisk and prices firm. Export sheep were also in good demand. Butchers' sheep were steady and unchanged. During the past two days 400 lambs have arrived on the market, but all offerings have been absorbed. Calves were fairly active and higher.

Hogs firm and active. Prices: Butchers' choice, picked lots, 3 3-4c; medium to good, 3c to 3 1-2c; inferior, 2 1-4c to 2 1-2c; export cattle, 4 1-2c to 5c; export sheep, 4 1-4c to 4 1-2c; butchers' sheep, $4.25 to $4.50 a head; lambs, $3.50 to $4.50 a head; calves, $4 to $7 a head; hogs, $5.25 to $5.60 a cwt.

CATARRH HAY FEVER CATARRHAL DEAFNESS

A NEW TREATMENT.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the living members of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result of this discovery is that a simple remedy has been discovered which permanently cures the most aggravated cases of these distressing diseases by a few simple applications made (*two weeks apart*) by the patient at home. A pamphlet explaining this new treatment is sent free by A. H. DIXON & SON, 337 and 339 West King Street, Toronto, Canada.
