HOW THE FOURTH PANNED OUT

DRYGOODS HOUSES AND BANKS SAY 'TWAS SATISFACTORY.

Local Stocks Quiet and Steadier—Money Unchanged—Outside Grain Markets Steadier—Produce and Provisions—London Stocks and Bonds—Beerbohm's Report—Business Troubles.

WEDNESDAY EVENING, Feb. 4.

Consols were firm to day, closing ⅛ higher than yesterday.

Canadian Pacific was quoted ⅛ higher in London to-day. American stocks and bonds are generally higher.

Outside markets were rather steadier to-day. Wheat opened in New York at $1.07⅛ and closed at $1.07⅝, ⅝c above yesterday. Chicago opened at $1.00⅛, dropped to 99⅞c and closed at that figure. Opening and closing quotations in other markets were: Milwaukee, 94½c and 94¾c; Toledo, $1.02⅝ and $1.03¼; Duluth, $1.01⅛ and $1.02¼; St. Louis, $1.00⅝ and $1.00¼.

There is not much change in the British grain markets. Wheat is quiet and steady with spot in Liverpool tending downwards. Lard is 3d cheaper and cheese 1d dearer.

Receipts flour at Milwaukee 22,415 bbls. against 16,055 yesterday, wheat 7000 against 14,000, barley 15,000 against 10,000.

Receipts wheat at Duluth 27,0 00 bushels against 7000 yesterday, at Toledo 2000 against 4000, at Detroit 10,000 against 5000. Receipts corn at Toledo 3000 bushels against 20,000.

There were 99 transactions on local stock market to-day, 50 of which were in C.P.R.

Advices received from Chicago state that the weather continues cold throughout the west, extending east through the winter wheat country. Temperature 6 below to 10 above in Illinois, Indiana, Michigan and Ohio.

Fourth February Payments.

The 4th of February is an important day in the drygoods trade. It is the date on which payments for fall and winter goods fall due, and the condition of the country is gauged by the manner in which they are met. Notwithstanding prognostications to the contrary obligations all round appear to have been met with much more promptness than a year ago. Requests for renewals and withdrawals have been fewer. Where these favors are being asked, it is, as a rule, for 30 and 60 days, and not for the long periods which have too often characterized the past. One leading house showed The World its books. Out of $90,000 worth of paper falling due at branch banks in the country, $56,000 was retired and $35,000 out of $50,000 payable at the house. The uneasy feeling which prevailed a year ago is marked by its absence this. The obligations of the wholesale trade to the banks were met satisfactorily. "It has been," remarked the manager of one of them, "the easiest 4th we have had."

The careful buying of the previous year and the brisk seasonable trade of the past few months appear to be bearing fruit. It was anticipated that the shortening of the terms of credit by the grocers would tend to diminish the percentage of payments maturing to-day, but the contrary seems to be the result.

LOCAL STOCK EXCHANGE.

PRACTICAL BUSINESS MEN should be the first choice for election. 75 per cent. of our Parliamentary men have but little knowledge of the requirements of commerce. They are too often mere figureheads—tedious party hair-splitters and utterly useless for advancing the commercial affairs of the country. In natural resources we have one of the richest countries in the world, but our advance must be slow so long as the interests of trade and commerce are neglected and left out in the cold by our representatives in Parliament.
