Over Three Thousand Girls Cared for During the Past Year.

The 37th annual meeting of the Young Women's Christian Association last evening was presided over by Hon. Justice Maclaren.

During the year $52,000 has passed thru the hands of the treasurers of the different departments, $3500 being received in subscriptions. This latter sum was used in paying off mortgages and in the running expenses of the industrial and general work. The balance was derived from the four boarding homes, which are self-supporting.

During the year 3500 girls have passed thru the different homes, many remaining only until suitable boarding houses could be found. The Richmond-street branch will move to 76 Pembroke-street on completion of the new wing which is at present being built to the new home.

This was the last meeting of the Y. W. C. A. as a separate organization prior to amalgamation with the Y. W. C. Guild. Amalgamation now only awaits a vote of two-thirds of the membership to ratify the action of the board. All officers were re-elected.

Night Palpitation, Stomach Pains.

People often wake at night with distressing pains. They are frightfully cramped, and often palpitation renders them very apprehensive of danger. Generally it is an accumulation of gas in the stomach or bowels. Stomach distention pressing against the heart urges it to rapid action—this causes alarm. Ten to thirty drops of Nerviline instantly relieves the pain of spasm and gas accumulation. Pain ceases and comfort and repose follow at once. A thousand dollars could not purchase you greater immunity from cramps, pains and aches than you will find in a bottle of Nerviline. Its great value can only be discovered by testing it. We refund its price if it does not prove as represented. Nerviline, as you see, is a guaranteed pain remedy for all stomach and bowel disorders. Where else can you find one? Sold and guaranteed by druggists, large size 50c., trial size 25c.
