STATION PLANS BEFORE BOARD THIS WEEK

Toronto Also Has Applications for Protection at Level Crossings, and Question of Freight Congestion Will Be Discussed — C.N.R. Wants Plans Approved.

The revised plans for the new Union Station come up for consideration at the meeting of the Dominion Board of Railway Commissioners, in the city to-day. The station plans, which have been previously submitted by the railways, are the last item on the list of cases for hearing, so they may not come up until to-morrow or later.

Other cases are: The application of the city for an order directing the C. P. R. to erect gates or such other protection at Dovercourt-road crossing; the application for a grade crossing of the C. P. R. at North Yonge-street. There is a likelihood that the board of trade and Canadian Manufacturers' Association will present a report regarding the handling of freight, both at the point of sending and the point of receipt. This is a result of a recent there investigation.

C. N. R. Applications.

The C. N. R. will submit a number of applications, among them being a request for the approval of the proposed location of the line thru part of the city and Townships of York and Etobicoke; for approval of its amended location from Davenport-road to McLennan-avenue, and for authority to close certain highways and take possession of certain lands of the C. P. R.; and for approval of the proposed grade separation between Avenue-road and Dovercourt-road.

The C. P. R. is applying for authority to construct a spur line, 4-1-2 miles in length, from a point on its Toronto to London line, in the Township of Etobicoke, to connect with the Toronto to Owen Sound line in the Township of York.

It also asks for authority to construct its proposed Lambton to Weston line, and to divert certain highways in the Townships of York and Etobicoke, and to construct the Lambton to Weston branch underneath the Sarnia to Weston branch of the G.T.R. at Weston.

WILLS PROBATED

Mrs. Forsyth Left Half Interest in Farm Worth $20,000.

Three wills were probated in the surrogate court at the city hall yesterday. Mrs. Minnie A. H. Forsyth left a one-half interest in a farm on the east side of Yonge-street, north, amounting to $20,000, and effects valued at $28. Her husband, John Forsyth, farmer, Wilfrid H., and Andrew W. Forsyth, sons, all of York Mills, are the beneficiaries, each receiving a third.

George William Dixon, a box maker, who died on April 6, left an estate of $3165, including No. 44 1-2 Birch-avenue, valued at $2000. By right of succession Mrs. T. A. Felstead, Edith Dixon, sisters, and George Dixon, father, all of 760 Yonge-street; Mrs. Wm. Fisherwood, sister, No. 51 Delancy-crescent, and a brother and sister in Chicago and Hamilton share in the estate.

Mrs. Martha Hancock, wife of John E. B. Hancock, caretaker, left an estate of $1,938.83, when she died on April 25. Her husband, two sons and three daughters are the beneficiaries.

MOTOR CAR UPSET

Bad Road Caused What Might Have Been Fatal Accident.

The bad condition of the road on Park Drive caused what might have been a fatal accident last night, about 8 o'clock, when a large touring car, containing six passengers, upset near the C. N. R. station. Fortunately none of the occupants of the car were pinned under it, and all of them escaped with a few minor cuts and bruises.

NEW BRANCH OF I.C.R.

WOODSTOCK, N.B., May 22.—Premier Flemming turned the first sod of the St. John Valley Railroad here today in the presence of a large crowd. The work on construction of the line from Centreville to St. John will be started at once. The road as completed will be operated by the Intercolonial Railway. Later the road will be extended to Grand Falls.

The province guarantees the bonds of the road to the extent of $25,000 per mile.

GOES TO CALGADY UNIVERSITY.

OSHAWA, May 22.—(Special.)—Mack Eastman, son of Rev. S. H. Eastman, formerly pastor of Oshawa Presbyterian Church, now of Port Stanley, has received the appointment of professor of history at the new university at Calgary at $2000 a year.

Something Unique for Victoria Day

In the line of outings for Victoria Day, how does a trip to Welland, a free dinner, a grand baby show, a program of athletic sports, music and games, and the opportunity to see a regular old-time western barbeque, or ox roast, strike you? That's the program being carried out under the auspices of the salesmen of Laughlin Realty, Limited. They invite the public to join them, leaving here on the special train at 9 in the morning or on the afternoon train. This will give any person who could buy a lot in Rosedale, if convinced that it was a good investment, a chance to size up the situation for themselves, as well as to enjoy an extremely cheap and interesting holiday outing. Coupons, to be exchanged for railway tickets, may be had at Laughlin Realty, Limited, Office, 32 Adelaide Street East, Toronto. Phone Main 5089, or tickets can be obtained at the G.T.R. ticket office, Union Station. Excursion goes via the G.T.R. Trains leave Toronto at 9 a.m. and 12.15 noon.
