MANITOBA'S GOOD CROP PROSPECTS.

Ottawa, June 5.—S. A. Bulfour, superintendent of the experimental farm in Brandon says that the area of land under crop this year in Manitoba is considerably larger than in any previous season, and that at the time he left grain was well up and looking very fine. A large number of settlers have come into the province during the present season, and the agricultural prospects of this part of the country were never brighter. Both the dairy and stock industries are making rapid progress.

BYLAW

To Provide for the Annexation of the Village of London West to the City of London.

Whereas, the Municipal Council of the Village of London West has passed a resolution, and the Municipal Council of the City of London has passed a similar resolution, affirming the expediency of the annexation of the said village to the said city upon certain special terms agreed to and approved of by the said councils, namely:

1. For the period of seven years from the 1st day of January, A. D. 1898, the rate of general municipal taxation, including public and separate school rates, upon real and personal property within what is now the village of London West, shall be 25 mills in the dollar, and the assessment of property in what is now the said village of London West shall be made upon the same basis of valuation as in the remainder of the said city of London, except for the year 1898, which is provided for by paragraph 4 hereof.

2. It shall be the duty of the water commissioners for the city of London during the year A. D. 1898 to cause to be laid water mains for fire purposes upon such streets and portions of streets within the limits of what is now the said village of London West as will, in their opinion, adequately protect the property in the said village of London West from fire.

3. The corporation of the said city of London shall provide in what is now the said village of London West a fire alarm service similar to that in the remainder of the said city of London, within twelve months from the 1st day of January, A. D. 1898.

4. The assessment made in the year A. D. 1897 of the said village of London West shall be adopted by the corporation as the assessment for the year A. D. 1898 of that portion of the said city which is now within the limits of the said village of London West.

5. Out of the 25 mills so payable as provided in paragraph 1 hereof, 3 mills each year during the said period of seven years shall be applied by the corporation of the city of London for repairs to the breakwater and street improvements within what is now the village of London West, and for no other purpose, except as provided by paragraph 9 hereof.

6. That the corporation of the city of London shall not in any way be responsible for any damages or injury which may be sustained or suffered by any person, firm or corporation by reason of the want of maintenance or repair of the said breakwater or otherwise, in consequence or in respect thereof.

7. After the annexation of the said village of London West to the said city of London and during the period of seven years mentioned in paragraph 5 hereof, there shall, in addition to 3 mills in the dollar mentioned in said paragraph 5 to be applied for repairs to the breakwater and street improvements, be expended in that portion of the said city which is now within the limits of the village of London West, a share of the annual appropriations to be from time to time, during the said period of seven years, made by the council of the corporation of the city of London for streets and general improvements, street cleaning and culverts, and such share shall bear the same proportion to the whole amount to be expended throughout the whole city as the assessment of that part of the city of London which is now within the limits of the village of London West shall from time to time bear to the total assessment of the whole of the said city of London.

8. Nothing in the next preceding paragraph hereof contained shall entitle that portion of the said city which is now within the limits of the village of London West to any share of the annual appropriations from time to time to be made by the council of the corporation of the city of London for local improvements within the remainder of the said city of London.

9. The debenture debt of the village of London West to be assumed by the city as amalgamated, including the share, if any, of the said village of London West of the county debt, and the corporation of the city of London to be entitled to receive from and be repaid by the county of Middlesex the value of the interests which the said village has, at the time of the annexation thereof to the said city, in the property or assets of the county of Middlesex. Should, however, there be any debt or liability of the said village other than the principal money of the said debenture debt and share, if any, of the county debt aforesaid, the corporation of the city of London shall assume the same and shall first apply the said 3 mills mentioned in paragraph 5 hereof in payment of such debt or liability until such debt or liability is fully paid, before applying the same for the purposes mentioned in said paragraph 5.

10. That it shall not be necessary for the corporation of the city of London to raise any portion of the sinking fund upon or in respect of the existing debentures of the corporation of the village of London West, but the corporation of the city of London shall be bound only to pay the interest thereon until the respective maturities of the said debentures, when the same shall be liquidated as a part of the general debenture debt of the corporation of the city of London.

11. The said village to be annexed to the said city shall form part of ward No. 2 of the said city.

12. Save as herein specially provided to the contrary thereof all the provisions of The Consolidated Municipal Act, 1892, and amendments thereto, relating to lands added to a city and the matters and proceedings consequent thereon, shall apply to the said added part and the addition of it to the said city of London.

13. The said village of London West shall be so annexed to the said city on the 20th day of December, A.D., 1897.

14. That the terms and conditions hereinbefore contained shall be confirmed and ratified by legislation and the corporation of the city of London shall apply to the Legislature of the Province of Ontario at its next session for an act to confirm the annexation of the said village of London West to said city of London upon the said terms and conditions.

Be it therefore enacted by the Municipal Council of the corporation of the village of London West, with the assent, adoption and approval of the electors of the said village of London West, as follows:

1. That the annexation of the said village of London West to the said city of London upon the special terms hereinbefore recited be approved of.

2. That the Municipal Council of the said village of London West be authorized to settle all other details and do all necessary acts to consummate the annexation upon the special terms aforesaid.

3. That the vote of the electors of the said village upon this bylaw shall be taken on Monday, the 28th day of June, A.D., 1897, and the polls shall be kept open between the hours of 9 o'clock in the forenoon and 5 o'clock in the afternoon of the said day in the two polling sub-divisions of the said village.

4. That John Simpson shall be deputy returning officer at the first polling sub-division of the said village, and the votes shall be taken in the council-room of the village school-house in said first polling sub-division.

5. That Robert A. Jones shall be the deputy returning officer at the second polling sub-division of the said village, and the votes shall be taken at Albert Hall, on the Wharncliffe highway, in said second polling sub-division in the said village.

6. That on Wednesday, the 30th day of June, at the hour of 12 o'clock noon, at the said council-room, the clerk of the said village shall sum up the number of votes given for and against the bylaw.

7. That on Friday, the 25th day of June, at the said council-room, at 12 o'clock noon, the reeve of the village shall, as provided by statute, attend to appoint persons to attend at the said polling places and at the final summing up of the votes by the clerk respectively on behalf of the persons interested in and promoting or opposing the passage of this bylaw respectively.

First and second readings by council on the 1st day of June, 1897.

Notice is hereby given that the foregoing is a true copy of a proposed bylaw which has been taken into consideration and which will be finally passed by the municipal council of the corporation of the village of London West in the event
