Over 200 farms sold off our lists during 1902. We expect to sell and exchange between 400 and 500 farms during the present year. We can sell or exchange any farm or other real estate property in Ontario, if placed in our hands for sale at a fair price. We charge those who place their property in our hands $15 at the end of two years if the property is not sold or exchanged in that time. By these means we keep out those who do not really want to sell, or who are holding their property at too high a price. Prospective purchasers are assured that every property on our list is really for sale at a fair price. We advertised in over 250 weekly and daily newspapers in Ontario, Quebec and Manitoba last year, and we had the assistance of over 125 general and local agents in different parts of the Province of Ontario. The method which we have adopted for advertising and selling farm property with such satisfactory results will be applied this year to the sale and exchange of city, town and village property. Those having real estate property of any kind for sale in Ontario would do well to communicate with us or with some of our local or general agents at once. Do not waste years in trying to sell or exchage your property when it can be done by us in a few weeks or months. If your property is sold or exchanged, the commission covers all charges for advertising, etc.

bd&w Manager.

P. Waish's Bulletin.

The sales of real estate for the year 1902 have eclipsed all previous years; in fact, our list has become so depleted that we must look about for more desirable houses for sale to supply the demand.

We have several applicants for houses; therefore, all owners of houses anxious for sales to be made, will be readily satisfied by calling and placing same in our hands.

We are the leaders in the real estate business, as our sales book will prove to you.

Let's Go Over It Together.

Do you think "Purity" Baking Powder could have been such a decided success if it hadn't been ALL we claimed for it?

Would hundreds of homes be using "Purity" every baking day—as they do—if they could get a better powder?

Would the demand for "Purity" Baking Powder be constantly growing, if folks were not thoroughly satisfied with it—if they were not convinced that it makes the choicest cake, biscuit, pastry, etc., it's possible to obtain? Don't you think "Purity" will suit you?

Only 20 cents pound.

Marcus Hook's Apostle Paul.

Marcus Hook, Pa., Jan. 10.—Rev. H. W. Cummings, pastor of the Mount Hebron Methodist Church here, unable to buy coal and keep the larder supplied in these blooming days of high prices on $200 a year, supplements his salary by hard labor at anything he can find to do. He husks corn, digs sewers, breaks stone on the highways, saws wood, and then does his talking on Sunday in the pulpit.

He says that this puts him in the same class with the Apostle Paul, and enables him to do much more effective Gospel work.
