Rochester's Practice Games.

Syracuse, Feb. 5.—Al C. Buckenberger of this city, manager of the Rochester (Eastern League) Ponies, merely laughs when the subject is mentioned of possible opposition there on the part of the Atlantic League. Even should a club be put in there, Al would not worry, but he does not believe that matters will reach that stage. Manager Buckenberger appears to believe there is more or less heated air about the threats of the new outlaws.

Buckenberger is busy arranging for his season. The fact that it is shrewdly suspected that the Syracuse Stars will continue to do business here is indicated by the schedule of practice games, which is as follows:

Rochester University, at Culver Park, April 10 and 11.
Athletics of Rochester, April 12.
At Hartford, Ct., April 17.
At Springfield, Mass., April 18.
At Worcester, Mass., April 19 (morning).
At Lynn, Mass., April 19 (afternoon).
At Holyoke, Mass., April 20.
At Albany, April 21.
At Troy, April 22 and 23.
At Syracuse, April 24.

Meanwhile Syracuse fans begin to believe that, as far as the Salt City is concerned, State League ball will continue here. With an attempt on foot to organize a stock company to build a new park, and with the Rooters' Club already bidding for the franchise, it looks as if the Stars were certain to continue here. Meanwhile, nothing more has been heard of the outlaws' reported desire to establish a club here.

Gossip of the Turf.

Starter Cassidy started the week at New Orleans by giving J. Daly four-days' suspension for breaking thru the barrier with Goldie, and Jockeys Seder and Graham a like sentence for disobedience at the post.

The maiden steeplechase, second on the card Monday at New Orleans, was a very soft thing for Mike Daly's Kara, which had been thoroly schooled, and has some pretension to class on the flat. Morrison, Ed. Schreck's jumping jockey, had the mount on Kara.

English handicappers require John M. P. to carry 170 pounds in the Liverpool Grand National, which is at four and a half miles, or about twice as far as he seemed able to go when in America. He is second weight in the handicap, which is a high weight scale, top weight, 175 pounds, being allotted to last year's winner, Ascetic's Silver, who, however, had up only 149 pounds when he won it then. In last year's race John M. P., the favorite, with 164 pounds up, fell. If the English handicapper is right, Hylas or Coligny, taking the Champion Steeplechase at Belmont Park as a line, could win the Liverpool Grand National, for they played with John M. P. in that race at Belmont Park last October.

Great interest was felt in English racing circles this year as to the handicaps to be allotted to the Russian Derby winner, Hammurabi, entered in the Kempton Park Jubilee, and Great Metropolitan Handicaps. The latter is a mile and a half, the former, and the class is usually not so good. In this race the Russian is given top weight, 126 pounds, but in the Jubilee top weight, 138 pounds, is given to Polymelus, who is conceding to Hammurabi 21 pounds. This practically gives the handicapping committee's opinion that the best Russian form is about 21 pounds below the best English form.

The regular meeting of the stewards of the Lake Erie Trotting Circuit will be held at the Phoenix Hotel, Corry, Friday, Feb. 8, when officers will be elected and dates arranged for the coming summer races. The following cities are now in the circuit: Rochester, Oil City, Titusville, Corry, Erie, Jamestown, Bradford, Hornell, Wellsville and Olean. Three new cities are anxious to enter the circuit—Altoona, Freensburg and Johnstown.

Nashville, Tenn., Feb. 5.—Yesterday the house passed the anti-race track gambling bill, which has already passed the senate. The governor will sign the bill, which deals a death blow to horse racing in Tennessee.

Nat Ray Lost Foot Race.

As the result of a little wager made in the Windsor Hotel last night, Nat Ray, the celebrated Canadian steeplechaser, who is racing a couple of trotters at the ice meet, is out an oyster supper. A collection of horsemen were seated around the hot pipes of the Windsor discussing everything in general, but horse flesh in particular, when the genial Nat said he was faster on his feet than most horses. "Little Sandy," an unknown, said he didn't think Ray was so many, and challenged him to run from the corner of Metcalfe to the corner of Elgin, on Queen-street. Ray jumped at the offer and said he would back himself for an oyster supper.

Pete Coleman of Montreal, lined the two sprinters up, with the thermometer somewhere around the 20 below mark. At the word, "Little Sandy" went to the front. Nat held on gamely, but the footing was bad and before he could catch his stride "Sandy" cantered over the car line at Elgin-street and was beating it for the canal when the party signaled him to stop. The supper will take place some night this week.—Ottawa Free Press.

Gilmore Landed Clean Knock Out.

Bearing no signs of an encounter, Harry Gilmore, jr., returned to this city to-day from Waukegan, where, after two minutes and twenty seconds of fighting, he laid George Stevens low with a terrine right on the jaw, by disposing of Stevens, a clever and hard-hitting youth, Gilmore stamps himself as a fighter who is entitled to a match with the best in the business.

Mike Schreck, who acted as referee, stalled after the battle that Harry, in his opinion, is the one man who can defeat Abe Attell. The possessor of a wicked kick, fast as a streak of lightning, and almost as clever as the featherweight champion, Harry would give the Hebrew a stiff argument.

When the gong sounded, opening the first round, Harry sprang from his corner and in a second hostilities began. Stevens was greatly surprised at the fastness of his opponent, but, being a good man, he covered up and now and then sent in a vicious wallop.

Harry backed his man against the ropes, and, with lightning rapidity, sent a right, followed by a left, and another right to the jaw, and Stevens fell. In falling he landed on the ropes. It was a clean knockout.—Chicago American.

Ryan Knocked Out Barry.

Hot Springs, Ark., Feb. 5.—Ryan wins in fifth round, knocking out Dave Barry.

A special excursion will be run to Hamilton on Feb. 14 for those wishing to attend the assault-at-arms for the benefit of the Hamilton Rowing Club.

PARKDALE DEFEAT ST. MICHAELS GALT SENIORS LOSE TO BERLIN

Ingersoll Trimmed Paris 9-4 in Play Off at Woodstock—Toronto Ladies Win at Waterloo—Varsity II Smothered Guelph O. A. C.

St. Michaels and Parkdale, winners of Junior Groups 3 and 4, played off the first game in the second round last night at Mutual-street Rink, the boys from the west end winning out by the close score of 4—3. At half-time the tally stood 1—1.

The game was a fast exhibition, both teams checking close, thus allowing very little combination. The winners checked back better, and on form shown last night should have had a larger lead.

On the other hand, the game was the first hard one that St. Michaels have had this year. The losers lacked the snap of the winners, who were in a hard group, and were, therefore, more experienced to contests like last night.

However, when the teams meet Friday night in the final game a great contest should result. Parkdale will likely play their same team as last night, while McDonald will be on again at right wing in place of Whalen.

Special mention should be made of Doheny in goal for St. Michaels. He stopped shot after shot, and it was only his great work that kept the score down. Malcolm in goal for Parkdale did not have as much to do as Doheny, but whatever came his way he handled in good style.

The first half was about even-up in the play, but the winners had the better of the second half, and, as St. Michael's forwards failed to check back, it left the brunt of the work for the defence. Anyway, as before stated, now that the teams know each other, a great contest should result Friday night. The following are the teams and summary:

Parkdale (4)—Goal, Malcolm; point, McAllister; cover, Coryell; rover, Henders; centre, Cromar; left, Ridpath; right, Wedd.

St. Michaels (3)—Goal, Doheny; point, Timmons; cover, Dissette; rover, McCool; centre, Killien; left, Bulger; right, Whalen.

Referee—Fred Toms.

—Summary.—

—First Half.—

1. Parkdale	Cromar	8.00
2. St. Michaels	Killien	20.00

—Second Half.—

3. St. Michaels	Killien	3.00
4. Parkdale	Ridpath	10.00
5. Parkdale	Cromar	5.00
6. Parkdale	Henders	6.00
7. St. Michaels	Dissette	5.00

Berlin 5, Galt 4.

Berlin, Feb. 5.—(Special.)—Galt went down to defeat before Berlin to-night in the return game in senior O.H.A. series, but put up a game fight, the score being 5 to 4. The visitors did not lead at any stage, but tied the score once in the first half, standing at end of first period being 3 to 3. From the spectators' viewpoint this game was far and away the best seen here this season. Both teams put up the game of their lives, and Berliners won on their merits. There had been considerable concern because Schmidt was unable to play, but Brinkert, clever intermediate rover, who took Schmidt's place in left wing, gave a star performance, altho he found it difficult to stay on his wing. Galt's line-up presented a new man, one Gilliland, who earned laurels by dividing honors with Brady as the star of the visitors' forward line.

The Galt defence gave an exhibition of clever work, seldom, if ever, surpassed in games played here. Berlin's game was an aggressive one throut. Gross playing rover rather than point, and covered enough ice for two players. Galt's goalkeeper again covered himself with glory by stopping difficult shots, which at times came to him a half-dozen to the half-minute. Ellis also stopped some hot ones, but had only about twice as many to handle. At that, Berlin's shooting was off-color, this will give an indication as to where the puck was during the greater part of play.

Galt's first goal was tallied with Gross off, and the second when Goalkeeper Ellis was on the fence with Robson, Dumart and Seibert each scored two of Berlin's goals and Brinkert one. For Galt, Robson netted two, and Brady and Gilliland one each. Teams:

Galt (4)—Goal, Roberts; point, Johnson; cover, Twaits; rover, Dennis; centre, Robson; left wing, Gilliland; right wing, Brady.

Ingersoll in Finals.

Woodstock, Feb. 5.—(Special.)—Ingersoll goes into the finals in the series of the junior O. H. A. against Woodstock in Brantford on Thursday night. In one of the hardest fought games ever seen in this city, Ingersoll defeated Paris by a score of 9 to 4, and put the boys from the Valley Town completely out of the running. This broke the three-cornered tie which existed between Woodstock, Ingersoll and Paris. It was Ingersoll all the way, and, the Paris made a desperate fight for it, they never had much or an advantage.

It was the old story of the superiority of combination play and team work over the individual play. There wasn't a weak spot in the Ingersoll line-up. The defence was almost impregnable, and their forward division had lots of speed, checked back well, displayed a most consistent combination, and shot wickedly. Paris was strong in most parts, but lacked team work. The game was characterized by hard, close checking, and this has a measure interfered with the brilliancy of the play.

Referee Hancock had the play well in hand and penalized freely in his efforts to eliminate the rough work which showed a tendency to crop out. The half-time score was 6 to 3 in favor of Ingersoll. The teams lined up as follows:

Ingersoll (9)—Goal, Noe; point, Beck; cover, Hay; rover, Gayfer; right wing, Woolsen; centre, Gregory; left wing, Kelly.

Paris (4)—Goal, Stewart; point, Meggs; cover, Tinknell; rover, Lowe; right wing, Lovell; centre, Watson; left wing, Gill.

Referee—Hancock.

The game was very fast throout and was free from roughness, only three men being penalized, and they only for minor offences. Referee Henry of Ottawa handled the whistle to the satisfaction of all. Very brilliant rushes were made by both teams. The line-up was as follows:

Toronto Ladies Win.

Waterloo, Feb. 5.—The Waterloo Ladies' Hockey Club and the Wellingtons of Toronto played an exciting game of hockey here to-night. The ladies put up a rather strenuous article of the game and kept up the pace to the finish. Miss Bessie Dawson of Waterloo was the star of the evening, taking the puck from end to end almost at will. Miss Sterling also played well and did most of the scoring.

The Wellingtons are a well balanced team and are all excellent skaters. Miss Wallace at rover and Miss Rundle in goal putting up the best games. The score at half time was 5 to 2 and at the finish 8 to 5 in favor of the Wellingtons. About 600 people were in attendance. The line-up was:

Varsity II. Walloped Guelph.

There must surely be no professionals on Guelph O. A. C. intermediate intercollegiate team, judging by the walloping Varsity II. gave them at Mutual-street rink yesterday afternoon. At half time the score was 13—2 and when the gong sounded the score stood 24—3. Varsity therefore have a lead of 21 goals. The return game will be played in Guelph Friday.

Canadian Soo Beaten.

Sault Ste. Marie, Mich., Feb. 5.—(Special.)—Canadian Soo's winning streak was broken up this evening in Michigan Soo, when the home team won by 5 to 2. It was a fast, clean game, in which the winners had all the better of it. Michigan Soo forwards showed more energy and checked Soo more persistently. The Canadians attempted the same work that won the previous games for them, but it was just what Michigan Soo was waiting for, as their forwards got in and took the passes, while the defence men checked close.

In the first half the score was 2 to 1 in favor of Michigan, and they keep on increasing their lead, Taylor got a bad crack over the arm from Hamilton, but otherwise no one was hurt. The Canadians were listless at times, while Michigan worked hard at all times and earned the victory.

Michigan Soo (5)—Jones, Charlton, Hamilton, Laviolette, Ward, Pitre, Switzer.

Canadian Soo (2)—Lehman, Brown, McRobie, Lalonde, Taylor, Schafer, Marks.

In the Furriers' League.

The Sellers-Gough Fur Co., Limited, hockey team met and defeated the W. D. Dineens at Victoria College Rink last night by the score of 5—0. At half-time the score stood 2—0. Richardson in goal deserves special credit for the number of hard shots he stopped. The winners played a hard, steady game all the way thru. Line-up:
