ETHELBERT WON ALL ALONE

Jean Beraud Beaten Ten Lengths in Special Sweepstakes at Gravesend.

EVEN RACE FOR 6 FURLONGS.

Pinochle and Found, Rank Outsiders, First and Second in Handicap at St. Louis.

New York, June 3.—Ethelbert all alone. This tells the tale of the finish of the special sweepstakes, run at the Gravesend track yesterday between Perry Belmont's great son of Eothen—Maori and W. C. Whitney's Jean Beraud, for which as a 2-year-old he paid $40,000.

The meeting of the two was the outcome of their failure to go to the post in the Brooklyn Handicap, in which both were scheduled as starters, but were withdrawn when it was found that the track was bad. The public had hoped for a chance to see the two compete, and their owners were equally eager, and gladly accepted President Dwyer's offer of yesterday's race. The result was generally conceded to be a battle royal, a contest disputed up to the very last stride, to find the champion. The champion has been found, but his laurels were earned in most hollow fashion.

The ease with which Ethelbert won failed to lessen the enthusiasm of his admirers, and there was no reason that it should, for what happened early in the struggle had put him to a severe test, and he had answered every call in a manner that makes him the great colt that it has been claimed that he was.

For six furlongs it was as grand a race between the pair as could possibly be asked for. During this part of the trip the two were never more than a few inches apart and traveling at a clip that made the backers of both anxious, for it meant the toughest sort of a strain. "Which one will stop?" was the question heard on all sides as they speeded down the back stretch, so nearly aligned that it appeared to be one horse in a contest with old Father Time.

Rounding the far turn the answer came. Ethelbert began to draw away. Turner at once sat down on Jean Beraud, and with hands and heels tried to hold his place. For a hundred yards there was some response, then came the whip as a last resort, but this extra persuasion helped him none. Jean Beraud dropped back further and further, and altho ridden out to the end, was beaten ten lengths, Ethelbert just galloping in the last furlong.

Pinochle's Club Handicap.

St. Louis, June 2.—At the Fair Grounds today the main interest centred in the Club Members' Handicap, which, next to the Derby, is the largest classic event of the local meeting. Four of the best horses at the track met in the contest for the $500 prize. The running of this event will be the most popular spectacle of two rank outsiders administering a good beating to two first-class stake horses. Sam Phillips was installed as favorite at 3 to 5 and the public made a tremendous play on him at the odds. Pink Coat was made second choice and received a strong play, but Pinochle and Found had few supporters. Found set of ast pace and was not headed until within 100 yards of the wire, where Pinochle got on ever terms with her and, in a driving finish, won by half a length. Pink Coat finished third, four lengths back, a nose before Sam Phillips. Summaries:

Queen Dixon at Latonia.

Cincinnati, June 2.—In the Clipsetta Stakes at Latonia to-day Queen Dixon was far the best of a field of eight 2-year-old fillies, and won in a canter. On account of the wretched condition of the track the youngsters had no chance to display their real speed, and the time made was very slow.

Toronto Canoe Club.

Quite a few ladies and gentlemen who went down to see the Canoe Club opening races of the season Saturday were disappointed as the rough water caused their postponement for a week. The war canoe, however, went out, and considering the rough water made very fast time. The new crew lack steadiness yet, but with a little practice they will greatly strengthen the crew. The club's new boat will be here for next Saturday, so, in addition to the tandem relay and fours races, a red-hot war canoe race will make next Saturday a pleasant day for members and their friends who get down to the club that afternoon.

Pure and Reliable.

Their "D.C.L." (black bottle) Whiskey is only bottled for Exportation, and is the result of a long experience of what a well-matured and absolutely pure and reliable Whiskey ought to be. Its quality and age never vary. The colonial taste as regards flavor has also been carefully considered and given effect to. Adams & Burns, sole agents, 3 Front-street east, Toronto.

TORONTO BEAT CHAMPIONS

The Game at the Island Oval on Saturday Was a Splendid Exhibition.

ALLOWAY AND BOWEN PITCHED.

There Was No Loose Play or Kicking and the Crowd Enjoyed the Ball Playing.

Rochester was up against the real thing at the Island on Saturday, and it was a splendid victory for Toronto. Barrow's cripples batted Bowen just hard enough for victory and they'll have an easier mark today. Foreman will mix 'em up for the Rowdies to-day, and it will likely be a clean record against the leaders. Arthur Irwin will be here to-morow, to be followed by Handsome Charlie Dooley and the other Montreals later in the week. The Toronto management has still lines out for good things. The record:

Toronto 4, Rochester 3.

The two thousand people who saw the game at the Island oval on Saturday witnessed as fine an exhibition of baseball as could be expected or desired. Alloway pitched for the home team, and, altho he was probably disheartened at the close of the first innings, when the champions scored three runs, he and his support never let them make a circuit afterwards, and only gave one pass. Bemis was behind the bat, and was invincible. The visitors never tried to steal. Bemis captured nigh fouls in good style, tho the wind carried one out of his reach, which some of the fans thought he should have held. The home fielders took everything reasonable. Taylor let the ball between his legs in the eighth, and an error has to be charged, but it was excusable, for the hit was a hard one, and the ball went like a bullet. Carr was lame, but played his base fauitlessly, and bat et well, Taylor making the running for him credited to the lucky first baseman. Altogether, the Torontos played winning ball, and the team appears to have settled down to work in earnest.

Apart from his pitching, Alloway did excellent fielding, cutting off several at first on hot grounders, which came his way. A particularly fine bit of work was a triple play in the fifth, when the game was finished suddenly. The ball was hit to short, Dundon picked it up, and fell in doing so. He got up, and while on one knee touched a man going to third, threw to second and Taylor sent it on to first, putting out the three.

Bowen pitched for the visitors, and was touched for 11 hits, but his support was so sharp that only four men crossed the plate. A muff by Lush at centre cost a run, but apart from that the errors of the Flower City men amounted to nothing. Householder, Bonner and Greminger hit hard, but could not get in a bunch, and, after the first inning, the visitors' score was a succession of goose eggs. Umpire Hunt was fair every time, under trying circumstances, and the game was not marred by unseemly kicking. The score:

Other Saturday Games.

At Hartford—Miller broke the Eastern League record by holding Springfield down to one hit of the scratchy order. Only one visitor reached second during the game. Hartford found Pappalau in the fifth for four singles and a double, scoring three runs. The weather was threatening and the attendance was low on that account. Hartford has signed Outfielder Fleming, late of New York. Score:

										R.	H.	E.
Hartford	1	0	0	0	3	0	1	0	*—	5	11	2
Springfield	0	0	0	0	0	0	0	0	0—	0	1	2

Batteries—Miller and Steelman; Pappalau and Phelps.

At Providence—Worcester had a taste of what it is to be unable to do any effective hitting, and was shut out with two hits by Evans. Despite the one-sided character of the score it was a pretty game, and Worcester made it interesting by doing all the hustling possible when the team was not hitting. Attendance, 2000. Score:

										R.	H.	E
Providence	0	2	2	0	0	0	4	0	*—	8	10	1
Worcester	0	0	0	0	0	0	0	0	0—	0	2	3

At Montreal—Montreal-Syracuse game postponed; wet grounds.

Baseball Games on Sunday.

At Saginaw—The home team opened as tho they meant to present the game to Chatham, and allowed two runs without a hit in the first innings. After that the field pulled itself together and gave Robb excellent support, winning the game by 12 to 5. Attendance, 1400. Score:

Freeland pitched a good game, allowing but five hits and striking out four men. The score:

The Atlantic League.

Scranton, June 2.—It is as good as certain that the Atlantic League will be a thing of the past before many days roll by. The clinches came yesterday, when less than 200 persons worked up interest enough to go out to see Scranton's league leaders play the rubber with their old-time enemy, Wilkes-Barre. With interest dead in Scranton, the backbone of the league is broken, and it has to succumb. Newark, Jersey City, the Athletics and Elmira are just about gasping, and are expected to totally collapse at any time. A strong effort is on foot to keep the league going by transferring the Athletics to Harrisburg and the Jersey teams to Atlantic City and Lancaster.

A Twelve-Innings Game.

Hamilton, June 2.—A 12-inning baseball match was played at Dundurn Park today in the Canadian League series. The teams were Brantford and the Hamilton ark nine. At the end of the 12th, when the score was a tie, the Brantford men left the field, and the umpire awarded the game to the Hamiltons. Hamilton 7r, 11h, 15e; Brantford 7r, 6h, 10e. Batteries—Lomas and Howard, Gregory and Candier. Umpire—W. McDonald.
