ENGLISH CRICKET SEASON.

Clean Record for Yorkshire—Ranjitsinhji's Wonderful Batting Record.

The English cricket season has been brought to a conclusion, and, as a fitting wind-up to a remarkable year's cricket, Surrey broke another record by scoring 923 for 5 wickets at the Oval against Derbyshire. In this match Abel and D. L. A. Jephson put on 364 runs for the first wicket. The pro made 193 and the Surrey captain 213. Abel thus equalled Ranjitsinhji's record of 11 separate centuries in one season.

Ranjitsinhji did not get an opportunity of bringing his huge aggregate of 2982 runs to the 3000 mark, but that he should get within 18 runs of it is indeed remarkable. His big innings of 220 against Kent still further increased his enormous average, which rested finally as follows: Innings, 38; times not out, 5; most in an innings, 275; total runs, 2562; average, 80.36. C. B. Fry finished second, with 63.19; Abel third, with 59.57; Hayward fourth, with 56.17; R. E. Foster fifth, with 54.24, and J. H. Mason sixth, with 53.76.

In bowling, altho C. M. Wells leads the figures with 36 wickets for 13.00, there is no doubt that the best work was done by Rhodes, the Yorkshire professional, with 243 wickets for 13.06, while Haigh, his clubmate, was virtually second, with 160 wickets for 14.72. Rhodes and Trott were the only men who captured 200 wickets in first-class cricket during the season, and there were only 13 men who obtained 100.

In the county championship series of games Yorkshire and Lancashire maintained their records to the end, the feat of the former county in going thru the season undefeated being an unusual one, for which Lord Hawke, the county's captain, has come in for congratulations from all sides. Kent proved a fair third, while Sussex, thru the splendid batting of Ranjitsinhji and C. B. Fry, advanced to fourth place. Hampshire was the only county which did not win a single game.

Woodbine's Clever Victory.

The Woodbines played Grace Church on the grounds of the latter at Exhibition Park. The visitors won the toss and elected first bat. Their commencement was anything but auspicious, Hopkins being clean bowled for a duck in the second over, and Vipond stumped the next ball; two wickets for 2 runs. Collins joined Snelgrove, and the two settled down to steady batting, keeping together for an hour and a quarter, when Collins was bowled, having made 60 runs. After five minutes' more play the captain of the Woodbines declared the innings closed, four wickets for 102, Snelgrove's 25 not out being made by steady play. The visitors only manage to pile up 30 runs, of which extras were responsible for 15. Collins was as successful with the ball as he had been with the bat, taking seven wickets for 8 runs. Crichton took three wickets for 8 runs. Score:

Prizes Were Divided.

The Games Committee of the Labor Day Demonstration Committee met last night in Richmond Hall and decided to divide the prizes between the Royal Canadians and the Queen City's for the team race. In this race there was a spill, and several of the judges were knocked down. In the confusion the first men to cross the tape were not seen by the judges. The silver cup and the third prize were awarded to the Royal Canadians, and the first and second prizes to the Queen City's.

Rugby Season is at Hand and All the Players Are at Practise—Argonauts' Initial.

Billy Barr will also figure on varsity's wing line.

Isbister will arrive here from Ottawa on Thursday or Friday.

Varsity's scrimmage this year will likely be Mullin, Malloch and Isbister.

A few of the Varsity men were out kicking the pigskin yesterday afternoon.

Thrift Burnside will be out on the wing line again this season with Varsity.

Another new man that Varsity will have is Ned Boyd of last season's U.C.C. team.

The Argonauts intend playing Harry Lucas at quarter this season in place of Wilson, who has retired.

The Torontos had a good turnout yesterday morning. They will practise Wednesday and Thursday mornings.

Manager Douglas says the varsity's whole senior 15 will be back next week, then they will settle down to work.

There will be a meeting of the Excelsior-Shamrock Rugby Club to-night at the Grand Central Hotel, at 8 o'clock.

The Granites will have almost the same teams as they had last year. Old Morgan is again king-pin in the aggregation.

Fleck, who did so well as spare quarter last season on the Varsity team, will be down from London in a few days.

Eddie Gleason will be out of the game this season, as he has not recovered from the injury received in the Granite game last year.

One of the new men that will reach Varsity almost to a certainty this year is Baldwin, who played half for Ridley College last season.

The intercollegiate Rugby season will open two weeks later than the O.R.F.U., the first game being played on Oct. 13.

There are a number of Hamilton kickers in town, but it is doubtful if they will don a local uniform.

Rugby certainly has died out at old Osgoode Hall. There is no word of a team this year. All efforts to have one last year died away, and there has been no trying this season.

The Argonauts' first practice was well attended yesterday afternoon. About 25 men turned out for their first tussle with the pigskin. Players wishing to join are requested to report at the club house, foot of Bay-street, at 5 p.m. to-day. At the practice yesterday, Ripley, Kent, Chadwick Hardisty, Ardagh, Mackenzie, Boyd, Darling and Wylie were the seniors present.

There was a meeting of delegates from the Excelsior-Shamrocks, Victorias, Crescents, Orioles, Torontos, Jarvis-street Collegiate, Harbord Collegiate and Parkdale Collegiate at Thomas' Hotel last night, to reorganize the Junior City Rugby League. Mr. T. L. Church was in the chair. A lot of preliminary business was gone thru, and it was decided to have a junior and senior series, the same as the City Lacrosse League. Another meeting is called for Friday evening, when the constitution will be drafted and the year's schedules will be arranged, along with the election of officers.

Hamilton's Big Road Race.

The big foot road race, promoted by The Hamilton Herald, promises this year to be greater than ever. The Herald people have worked wonders by this event, the result being that our neighbor 'neath the mountain possesses all sorts of champion runners. Sporting Editor Passmore tells us several facts about the coming race, including the following:

I beg to inform you that The Herald's annual road race, 19 miles, over an excellent course, will this year be thrown open to all bona fide amateurs on the continent, and we are hopeful of receiving entries from your vicinity.

This race, which has been a fixture since 1894, is one of the important events of its kind in the world, and attracts annually crowds ranging from 35,000 to 50,000 people. The race will be run on the Canadian Thanksgiving Day, on or about Thursday, Oct. 25, when excellent weather may reasonably be looked for.

The cups which will be presented to the victorious runners this year will be the handsomest and most expensive ever offered for similar competition on the continent.

I enclose you a number of entry blanks, charts of last year's race, and profiles of the course, and would be thankful for any publicity you may be disposed to give the matter.
