"German Syrup"

Martinsville, N.J., Methodist Parsonage. "My acquaintance with your remedy, Boschee's German Syrup, was made about fourteen years ago, when I contracted a Cold which resulted in a Hoarseness and a Cough which disabled me from filling my pulpit for a number of Sabbaths. After trying a Physician, without obtaining relief—I cannot say now what remedy he prescribed—I saw the advertisement of your remedy and obtained a bottle. I received such quick and permanent help from it that whenever we have had Throat or Bronchial troubles since in our family, Boschee's German Syrup has been our favorite remedy and always with favorable results. I have never hesitated to report my experience of its use to others when I have found them troubled in like manner." REV. W. H. HAGGARTY, of the Newark, New Jersey, M.E. Conference, April 25, '90.

Close the Gates!

Important Ruling of the United States Court.

The Columbian Show Must Close on Sundays.

Two of the Three Judges Decide That an Injunction Must Issue.

CHICAGO, June 8.—In the injunction suit brought by the United States to restrain the local directors from opening the World's Fair gates on Sunday, Judge Wood announced this morning that he and his associates had failed to agree on certain points, and each would formulate his ideas in an individual opinion.

Judge Wood's individual opinion is that the injunction must issue and the gates be closed.

Judge Grosscup holds that the Fair must be kept open.

Judge Jenkins agrees with Judge Wood on the main point in the injunction proceedings, and decides that an injunction must issue and the Fair be closed on Sunday.

This decides the question, Judge Grosscup being in a minority, and thus the court declares with the Government for the latter's right to insist on the contract made by the acceptance of the souvenir coins and that the gates of the fair must remain closed on Sunday.

He had found a revolver in the chief's desk. He died about noon.

SAVE THEM, MOTHERS!

Some Are Starving!

Ah! mother, you often wonder why your baby is so thin, weak, sickly-looking and peevish. Well, the truth is, you are not giving it enough to nourish the body. You are perhaps bottle-feeding it, or nursing it from the breast with the best intentions. Are you not aware that hundreds of babies almost starve and pine away from being fed on poorly-prepared foods, watery and often sour cow's milk. It is also true that even breast milk is sometimes in such a condition that it becomes a source of danger to the infant. Your watchful eye should detect these things; you will surely see it in your child's condition of health. When danger is noticed, your comfort and the infant's safety lies in nourishing Lactated Food. This valuable and scientific food is the nearest approach to breast milk, therefore it means life to your little one. At this season when so many babies require a strengthener to prepare them to withstand the terrible heat of summer, do not withhold Lactated Food from them. It is the best and most economical of all prepared foods.

Use the Bett.

is a good motto. It is particularly so when applied to anything which we use daily at our own meals. Bread may be called the staff of life and we cannot be too careful as to what we put into it. The health is of too great importance to be trifled with, and biscuits or pastry made with the alum powders which are so commonly sold in this country, are very serious, leading to dyspepsia and numerous other troubles resulting therefrom. Cream of tartar and soda baking powders are healthful in every respect. In this class of powders the Pure Gold brand has obtained the highest position and is always reliable. d
