Montreal Beat Providence.

Montreal, June 30.—Montreal defeated Providence to-day by bunching their hits in the innings in which Providence made errors. Magee was hit hard all thru. A catch by Hildebrand was the feature.

Two Baseball Games To-Day.

The holiday attraction in baseball is at Diamond Park to-day between Toronto and Worcester. The morning game will be called at 10.30, with Frank Scott pitching for Toronto and Pappalau for the visitors. The afternoon contest will begin at 3.30. Briggs is slated to do the pitching for the locals, while Falkenburg, the college freak, will twirl for Worcester. President Powers has realized the importance of these contests, and had sent along Umpire Kelly to assist Umpire Rhinn. The double-umpire system has never been worked here before this season, and there is much curiosity regarding the experiment.

Yorkshire's First Defeat.

History repeated itself with a vengeance at Sheffield last month, when for the second year in succession Yorkshire sustained their first defeat of the season at the hands of Somerset. When these counties met at Leeds in July of last year the Westerners gained a sensational victory by 29 runs, this year the margin in their favor was only 34, but the match was this time fought out on a bowlers' wicket. Thanks mainly to some free hitting by Gill and a steady innings by Braund, Somerset totalled 196 at their second attempt, and thus set Yorkshire with 119 runs to get to win. The Somerset innings was remarkable for the really magnificent bowling of Haigh, who took six wickets for 19 runs, incidentally doing the hat trick, and actually bowling five batsmen with the first 17 balls he sent down. His success, however, showed the Yorkshiremen that they would have no easy task to get the runs on the sodden and treacherous pitch, and so it proved in the result. From the start of the innings Braund carried all before him, the occasional fast ball which he sent down being practically unplayable and in an hour and a half Yorkshire had all been dismissed for 84. Braund, who took nine wickets for 41 runs, was loudly applauded at the close. Somerset thus finished up a highly successful Northern tour, victories having been gained over both Lancashire and Yorkshire.

Northwestern Athletic Club.

What has long been agitated for, and is felt as a necessity, is an athletic club for young men in the northwestern part of the city, and by the looks of things are pointing it will not be very long before the want will be supplied by one, the same as other parts of the city. A committee has been quietly at work for some time past, and its labors have been so successfully rewarded that a meeting of every person interested will be held in the school room of Bathurst-street Methodist Church on Thursday, July 3, at 8.30 p.m.

Red is a fine guide and a genial host and much of the pleasure of the party was due to his excellent guidance.

Where to Spend the Holiday.

The majority of people will be saying, where will we go to-day? Now, if you want real enjoyment for very little money can and see Turs great barber shop that started five years ago with three chairs and now runs ten chairs, something that has never been witnessed before in Toronto. All street cars will stop at the corner of Richmond and Yonge, and if being a holiday the shop will be open to the public for inspection.

HOLIDAY CONTESTS GALORE

Big Program of Events Scheduled to Be Decided on the Canadian Holiday.

FINE WEATHER IS PROMISED

Monday Arrangements Upset on Account of Continual Downpour of Rain.

Fine weather is promised for the clubs on Dominion Day, and all the contests should be decided on this first of July as scheduled. The continual downpour yesterday caused a general upset of the ante-holiday arrangements. There was no skiff-sailing, and the bicycle races and lawn tennis events were set back.

The Dominion Day regatta will start this morning over the course off Hanlan's Point. The first day's Canadian Wheelman's Association events will be run off to-day, and the second day's events on Saturday evening at 5 o'clock.

The ball games will be played morning and afternoon at Diamond Park. The amateur leaguers at Old U.C.C. and Sunlight Park will take a rest to-day.

The Torontos play a league lacrosse game with Montreal at the island, while the Tecumsehs, the Tecumsehs, play at Brantford.

There are cricket games galore on the schedule, with trotting and bicycle races at Dufferin Park. Thus, if Old Probs keeps good his word this will be a big day for sports afloat and ashore.

Hamilton Sailors Tired.

The races scheduled to have been sailed yesterday afternoon during the first day of the regatta of the L.S.S.A. under the auspices of the Queen City Yacht Club were postponed until to-day. The race for the Walker Cup will be sailed, according to program, at 11 o'clock, while the Cake-Walk Cup competition will be run off at 3 o'clock. It was decided to measure all prize winners this year after the race, so that the first five must present themselves immediately after the race for measurement to the following official measurers: G. R. Judd, R.H.Y.C.; Geo. Allan, Y.Y.C.; H. Sweetlove, Q.C.Y.C.; W. J. Hales, Q.C.Y.C.

The reason the race was postponed was the Hamilton men had been on the lake for 13 hours and were tired after their sail.

A matched race, however, was sailed when the following yachts competed: Whitecap, Zip, Escape and Attempt. The race was over the club's triangular course in the bay, the start being made at 4. The result was: 1, Zip, 4.33:45; 2, Whitecap, 4.34; 3, Escape, 4.34:07; 4, Attempt, 4.37:20.

Grand Challenge for Argonauts.

London, June 30.—(Telegram Cable.)—Late on Saturday afternoon the Argonaut Rowing Club crew did a mile and one hundred yards in five minutes and twenty seconds. Who somewhat "rowed-out," they could have kept up the pace another 450 yards. The practice of the Argonauts has impressed rowing circles, and the opinion is freely expressed that, if the Toronto oarsmen can row the same pace in actual competition at Henley, the Grand Challenge Cup race will be rowed inside record time. Tom Sullivan cabled Percy Gait in South Africa that he is confident of the Argonauts winning the Grand Challenge Cup. The Argonauts will row from Bourne End to Henley on Wednesday afternoon.

HOLIDAY LACROSSE PROGRAM.

Torontos Play Montreal at the Island—Other Games.

A genuine holiday crowd of immense proportions will likely be at Hanlan's Point this afternoon, when the Toronto Lacrosse Club team play the Montreals in a Senior Lacrosse League championship game. The Toronto team will be as follows: Goal, F. Farley; point, R. Gray; cover-point, P. McBride; first defence, Buzzer Gordon; second defence, W. McKinnon; third defence, H. Lambe; centre, F. Mara; third home, C. Pringle; second home, C. Querrie; first home, J. Murray; outside home, F. McLaren; inside home, G. Henderson. There may be a couple of changes in this team when the players line up. Providing Billy Hanley and "Mary" Curran report in time, they will play. They arrived at Halifax on the Lake Ontario last Friday, and since then nothing has been heard from them. It is surmised that they laid over in Montreal for the Minto Cup game, and they may be home this morning. Up to last night they had not arrived. Hanley, if he comes, will replace Farley in goal, and Curran will go on the home. Buzzer Gordon, the Stratford player, will make his initial appearance with the Torontos. He is a big, strong fellow, and ought to make good. Kirkwood, the Brampton player, is not in shape, and will not be in the game. He will play next Saturday at Montreal.

Mr. W. Foran, secretary of the Ottawa Lacrosse Club, will referee the match. The reserved seat plan for the game, which will start promptly at 3 o'clock, will be on view at Harold A. Wilson's this morning till noon. The sale of seats has, so far, been beyond expectations.

Tecumsehs and New Westminster.

The following letter has been sent by the Tecumseh Lacrosse Club to W. H. Keary, manager of the New Westminsters at Montreal:

Dear Sir,—Your favor to hand and contents noted, and I am instructed to say, that if a match can be arranged for July 5 we would guarantee you $250, or else 70 per cent. of the net gate be a greater sum, then we would pay that percentage to you. The remaining 30 per cent. we propose to hand to the Dr. Beer Memorial Fund. This, we think, would meet with general favor from the public, especially as it would be the first contribution from a match. The only deduction from the gross gate that would be made would be cost of advertising and gatemen. We feel assured if you will accept our offer we will have a record gate. Kindly wire me Tuesday evening. Dan. A. Rose, Hon. President Tecumseh L.C.

Shamrocks Took No Chances

The score, according to The Montreal Gazette, was much more one-sided than the play in the first game for the Minto Cup. The Shamrocks took no chances, and played with great spirit and dash; in fact, they came more near exhibited to the grand stand that they knew the game, in the finer points of which the boys from the Coast have something to learn. This is to be understood collectively, as individually they have proved themselves worthy to be on any team. Their defence was solid at all times, but no defence could withstand longer than they did, the awful pounding of the Shamrock home. In all such games, sooner or later, a breach is made, and this was what happened six times Saturday.

It was certainly a hard game, and fate, or the non-attention of the referee, permitted the Shamrocks to get the most of the knocks. Play had not been in progress 20 minutes when New Westminster began to chop up the Shamrock home. They could not keep them out, and to use the proper expression they tried to knock them out. But it did not succeed, as the rubber went into the net just the same. It certainly was no accident, when three of the Shamrock home were punished in that style. Robinson came into the game bleeding from a nasty cut on the head. In a few minutes the same thing happened to J. Brennan, while McKeown got a swipe across the mouth, and in a scrimmage got his leg wrenched and had to leave the field. They all went back in due time and played for dear life. After these casualties, things quieted down, but it may be just as well to inform the visitors that the slugging style of play, and swinging for the head, and not for the ball, have all been cut out of scientific lacrosse in these parts long ago. Further comment is unnecessary, and it is to be hoped, none of it will be seen on Tuesday. Under all this provocation the Shamrocks did not retaliate in the sense of trying to maim a man. Some say they have an adept way of prodding the ribs, and a sort of checking, which makes it difficult for an opponent to keep on his feet. Whether this is true or not, no newspaper man can confirm, but the New Westminsters say so, and they ought to know.

Lacrosse Points.

The Tecumsehs will go up to Brantford by the G.T.R. special, which leaves Toronto at 9 o'clock this morning. The rate for the round trip is a single fare.

BRIGHTON BEACH OPENS SATURDAY

The $10,000 Brighton Handicap Will Have About Ten or a Dozen Starters.

New York, June 30.—The Sheepshead Bay meeting will wind up on Friday, and on that occasion the rich Lawrence Realization Stakes for three-year-olds at a mile and five furlongs will be run. This is the biggest three-year-old special of the year and has come to be regarded in the East as the American Derby is in the West. From present indications the field for the Realization will be made up of the following starters:

F. C. McLewee & Co.'s blk.c. Major Daingerfield, by Handspring—Mon Droit; W. C. Whitney's b.c. Yankee, by Hanover—Correction, and b.c. Goldsmith, by Medler—Kildeer; August Belmont's ch.c. Masterman, by Hastings—Lady Margaret; J. B. Haggin's ch.c. Ranald, by Salvator—Scotch Fir, and b.c. Juvenalis, by Juvenal—Miss Maud.

Brighton will offer many rich stakes to be decided at the coming meeting, which will continue without cessation until Aug. 3. The Brighton Handicap, $5000 added; the Iroquois Stakes of $5000 for 2-year-olds, the Neptune Stakes of $5000 for 2-year-olds, the Venus Stakes of $3000 for 2-year-old fillies, the $15,000 Produce Stakes for 2-year-olds, run in two parts, one for colts and geldings and the other for fillies; the Brighton Oaks of $3500 for 3-year-old fillies, the Brighton Cup, $3000 added; the Brighton Junior Stakes of $10,000 for 2-year-olds and the $10,000 Brighton Derby for 3-year-olds are some of the attractions.

The Brighton Handicap will be run next Saturday, and from present indications about 10 or 12 horses will go to the post. Secretary Boden said yesterday that the following owners have expressed a desire to send representatives to the post:
