1—Standards, 16; Atlantics, 8.
2—Standards, 15; Stars, 0.

THE TECUMSEHS.—The Tecumsehs, of London, have joined the League Alliance. Secretary Young has notified them of their election, and informed them that he had notified all League and League Alliance clubs of the fact, and furnished to each a list of players engaged by the Tecumsehs for 1877 and 1878. The "black list" of the League comprises O. H. Johnson, Oscar Walker, Philip Baker and George Beshtel.

FRENCHY JOHNSON.—Frenchy A. Johnson, the colored oarsman of Boston, will in a few days issue a challenge for a three-mile single scull contest, open to John A. Biglin, James Ten Eyck, F. A. Plaisted, George Englehardt, and W. McCann.

Club. This is the second time Mr. Wylde has won the medal.

The N. S. Yacht Squadron's second race this year was sailed on Saturday afternoon, (8th). The Hebe, Mystery and Cuce were the only entries. The race was won by the Hebe, owned and sailed by Mr. John E. Butler. It will be remembered that Mr. Butler's yacht Hebe won the cup in June. The Hebe is the fastest yacht in the province, and her owner may well be proud of her.

At the Academy of Music to-night, and for the rest of the week, will be presented a panorama of St. John on fire.

Yours, &c.

TRICKETT, BOYD, COURTNEY, HANLAN.

The English press seem to think that either Boyd, Higgins, or Blackman would prove too much for Trickett, the Australian. We think so, too, and we also think that Courtney or Hanlan are superior to anything that paddles on English water. Anyway, this question should be settled at the earliest possible moment—"Barkis is willing." Some foolish people have been going frantic over the fast three and a half miles made by Trickett in his match with Rush, and say

SCULLS.

BOYD—HIGGINS. After much haggling another match has been made between Boyd and Higgins for the championship of England. The race will take place on the 8th of October, and the course agreed upon is from the Star and Garter Putney, to the Ship at Mortlake. The match is for £200 a side and the championship of England Challenge Cup.

George Faulkner, of Boston, is to train Wallace Ross for his coming match with Hanlan, of Toronto.

CUTHBERT.—The new yacht Madcap, built by Cuthbert, was launched at Belleville last week. She measures 16 tons, and is finely modelled.

Amusements.

CITY.

The regular season opened at the Grand Opera House on Monday evening last. Miss Fanny Davenport was the star, appearing as Mable Renfrew in Daly's American drama of Pique. The only members of the old company are Mrs. Marlowe and Mr. Alf. Hudson. Miss Mary Carr also reappeared. It would be premature to speak of the merits of the new company. The piece was elegantly mounted and dressed, and the attendance on the opening night was large and fashionable. To-night Miss Davenport takes her benefit, when the bill will be As You Like It. A matinee will be given to-morrow afternoon.

Rice's Extravaganza Combination, with Miss Eliza Weatherby as the main attraction, commenced a season of one week at the Royal Opera House on Monday evening in the extravaganza of Evangeline. The same bill was repeated up to Wednesday. On Thursday La Petit Corsair was put on, and will be continued the rest of the week. The burlesques have been presented in good style, and the company have met with more than a fair share of support. To-morrow a matinee and evening performance.

The Queen's next week will offer an old-time minstrel performance, introducing a large company. As it is some time since "burnt cork" has had a display in the city, this change in the style of programme will be a success at the Queen's.

Mr. Cool Burgess, in connection with Vivian, the London comique, is about paying a visit to the maritime provinces, and will visit the leading places in Nova Scotia, New Brunswick, &c. This is Cool's first visit to that part of the country in about ten years, but his name is a household word among the Blue Noses.

GENERAL.

MONTREAL.—Mr. Joe Murphy and his talented company commenced a season of one week at the Academy of Music, on Monday last, in Kerry Gow. Business is reported good.

HAMILTON.—Mr. Wm. Richardson will open the Opera House on the 22nd as a first-class variety theatre. Mr. Harry Lindley, the irrepressible is stage manager, and Mr. Dave Jennings wields the *baton* in the orchestra.

WATFORD.—Mr. Thomas Fawcett has recently erected a fine hall. It was opened on the 4th by the Townsend family, with a crowded house.

John T. Raymond has purchased an island of about 270 acres in Muskoka.

Mr. and Mrs. McDowell are attached to the regular company at the Boston, Mass., Museum.

George Barbee has made a profitable speculation on his purchase of Piper Head scick (late Auburn). Buying him for $800, and winning a race (with considerable money in the pools) at Long Branch, he has now just sold him for $1,000. The purchaser was Mr. W. H. Drennen of New York.
