It however proved to be a very pleasant surprise, as the company before leaving presented him with thirty five dollars and Mrs. Fulton with a pair of splendid bed quilts.

A series of meetings were started at the M. E. Church last week.

At a subsequent surprise in *Waverly*, Mr. Fulton received $105 The temperance crusade had reached that locality, and miners and Railroad "strikes" were causing severe interruption of business.—*Ed. P. W.*

Editorial Notes.

BOOK BILLS.—We are looking toward the last of April when the Balance Sheet must be made out. Any monies which can be sent for Books purchased, and amounts promised toward Wesleyan Subscriptions, will be gratefully received.

CHARLES STREET WESLEYAN CHURCH.—On Tuesday, March 31st, there will be (D.V.), a Tea Meeting in the basement of Brunswick Street Church on behalf of Charles Street. Tea on the tables at 7 o'clock. NOTICE.—Another Union Prayer Meeting will be held next week,—on Thursday evening at 7½ o'clock in Brunswick Street Church,—a meeting of Thanksgiving for reviving grace so abundantly bestowed in other lands, and of intercession for our own city and Province. The collection at this meeting will be for the widow of Mr. Cook.

REV. MR. SARGENT has been but moderately strong during the winter. However, his friends will be glad to hear that he has occasionally preached and is hopeful of gaining as the spring advances.

NEWPORT CONCERT was a grand success. Its repetition is called for.

THE DEATH OF MRS. HUGH CHAMBERS will be noticed among our brief obituaries. Many will read it with sadness. She was a most amiable, hospitable, and pious elect Lady. We deeply sympathize with her husband and family.

OUR BOOK CATALOGUE on fourth page is changed this week. Our previous notice was premature. Save the Catalogue for reference.

MINISTERIAL AFFLICTIONS accumulate upon us. In addition to those reported, we hear of Rev. R. Weddall of Richibucto, being a sufferer from Paralysis, and Rev. Mr. Crisp of Boiestown, N.B., being laid by with Typhoid Fever.

OUR ACKNOWLEDGMENTS are again crowded out. Monies enquired about recently are all safe.

NEWS IN BRIEF.

NOVA SCOTIA.—Work on the Louisburg Railway, C. B., has commenced. 200 men advertized for.——Schooner *Juliet*, long a Packet between St. John and Halifax, has been wrecked.——A Committee has been organized in Halifax for the protection of Game and Fish.——An Earthquake last week was reported at Yarmouth.——Abundance of fresh Fish in Halifax Market.——Daniel Bent of Parker's Cove, Annapolis Co., was killed recently by the falling of a tree.

A correspondent of the *Presbyterian Witness* says, Bishop Mackinnon "on last Sabbath denounced the conduct of all concerned in the riot, from the highest to the lowest, in the most unmeasurable terms, characterizing it as cowardly and shameful in the last degree, and expressed the hope that every one of them would be punished as they deserved. He told his congregation that if he heard of any more smashing of the windows of witnesses, he would offer a reward for the discovery of the culprits himself, if no one else would, and do his best to have them punished. The Protestants are immensely pleased with the Bishop's address, which has created quite a sensation amongst his own people. This however is not the first time the Bishop has denounced the riot."——David Henderson, a native of Nova Scotia, was lost overboard from the schr. "E. A. Horton," of Gloucester, Mass., on the Wester Bank, Feb. 26. Deceased was 26 years of age, and leaves a widow in Gloucester.——A man named Brennan, belonging to Arichat, went into the house of a friend named Sawyers, at the south end last night, and complained to the inmates that he did not feel well. While in the act of drinking a cup of tea he suddenly exclaimed "I'm dying; I'm dying. Lord have mercy on me," fell back off his seat, and immediately expired. Dr. Jennigs was instantly summoned, but the unfortunate man Brennan was beyond recovery. An inquest will be held.—*Rep.*

THE friends of the Rev. G. Harrison assembled at his residence at River Philip on Tuesday evening last, and after partaking of a good tea and a very enjoyable time, which was the second visit of this kind made by Mr. Harrison's friends this Spring, presented the Rev. gentleman with a purse, which, with the former visit, amounted to $87.00. The Liecester friends intend making one in their own locality, and will probably swell the amount to 120 or 130 dollars.—*Mar. Sentinel.*——The 'Cape Breton Times' says on Tuesday, 10th inst., the Emery Mine sent to bank two hundred and seventy tons of coal. The first sod was turned at the Emery works just sixteen months ago.——The Berwick 'Star' reports that a company has been formed to establish an iron foundry at that place. Messrs. Silas Bishop, E. C. Foster, and T. H. Parker are Provisional Directors, and Mr. John Strong, Secretary and Treasurer.

The remains of the late Andrew Muir were interred in Camp Hill Cemetry this afternoon. In addition to a large number of citizens who attended the funeral, a party of men from H. M. S. *Sphinx*, under charge of an officer, followed the remains of the old Trafalgar hero to their last resting place.—*Rep. 16th.*

NEW BRUNSWICK.—The *Carleton Sentinel*, Woodstock, notices a Sunday school entertainment at Jacksonville. Messrs. McKeown, Thurlow and James D. Watts were the speakers. Music, &c., was of a high order.——New Brunswick Legislature still claims more money from the General Government.——The *Telegraph* reports a Tea Meeting at Long Ranch, Kingston Circuit.——A sleigh worth $95 was presented to Rev. I. N. Parker, and a $2 50 whip to Mrs. Parker, "to be used as she deemed most desirable!"——The Moncton river is to be thoroughly dredged this coming season.—The work on the buildings for the General Superintendent and heads of departments is to be proceeded with.——WATERLOO STREET CONFECTIONERY WORKS.—The steam confectionery works of J. R. Woodburn & Co. are the largest in the lower provinces. The proprietors have lately introduced some new improvements in machinery, and have just completed the fittings up of the upper flat of their building. They employ fifteen hands, and turn out five tons of confectionery per week. They are now busily filling their spring orders.—*Tel.*

P. E. ISLAND.—REVIVAL AT CRAPAUD.—The revival of religion under the ministry of Rev. H. P. Cowperthwaite is progressing very favorably. The services are held in the Wesleyan Church, crowds of people attend, and about 150 persons, many of these heads of families, have been converted. The work still goes on.——RAILWAY ACCIDENT.—On Friday last, a laborer on the Railway, named Patrick Keays, was run over by an engine some distance outside the City and died in less than three hours afterwards.——THE REVIVAL.—The revival, in at least, the Wesleyan, the Kirk, and the Presbyterian Churches was continued with unabated interest during the past week. We have not learned the number of conversions in the two latter churches, but we know it is large. In the Wesleyan the number now reaches 750. Services again this week.—*Argus.*——L. H. Davies, Esq., has been chosen leader of the Island Opposition.——Oats are coming into Charlottetown briskly, and are rapidly bought up at 46 cents.——Michael Foley, of Alberton, had a leg broken by his horse running away.——Charlottetown merchants complain of missing registered letters between Charlottetown and the Island.——Neil McLeod has been appointed law clerk to the House of Assembly and George Dogherty sergeant-at-arms.——Several deaths from cebrospinal meningitis are reported.——One Donald McCormack won't let people use a new wharf he has built because the Government has not yet paid him for it.—*Tel.*

The telegraph poles are buried under the snow for many miles.——Bald Mountain, in the western part of North Carolina, is smoking. There have been several shocks of earthquake, and the people are fleeing from the place.——Steamship "Laconia" from Alexandria, Egypt, for Algiers, having as passengers 278 pilgrims returning from Mecca, encountered a terrific gale, which washed overboard 117 of the pilgrims and all were drowned.

BERMUDA.—There was a heavy gale at Bermuda on the 2nd inst., but not much serious damage was done. Many boats were destroyed in those parts and in other parts of the Island. Ornamental and other trees in exposed situations suffered. The crops of potatoes in some places were blighted. A few days ago a whirlwind passed across Bailiy's Bay, and a boat of some 8 or 10 tt. keel happening to fall within the whirl was caught up, carried over the Telegraph wire, and lodged in a pond in close proximity; the boat was broken to pieces by the fall into the water.——The Queen has publically expressed the highest admiration and warmest thanks for the gallantry displayed by British troops in the recent engagements with the Ashantees.——CAPT. BRADY AND THE "PENNSYLVANIA."—Captain Brady, who was so greatly distinguished when the "Atlantic" was lost, and who recently saved the "Pennsylvania" after her captain and other officers were lost, has returned the $1,000 voted him by the American Steamship Company of Philadelphia, and filed in the United States District Court his libel against the company and owners, consignees and agents of the cargo of the steamship "Pennsylvania," for sa vage as compensation for services in bringing her safely into port. He certainly seems to have a splendid claim.—*Chron.*

PALPITATION OF THE HEART. FREEPORT, DIGBY COUNTY, N. S.,—*February* 12, 1869.—*James I. Fellows, Esq.—Dear Sir:* I have, during several years, been troubled with a Nervous Complaint and Palpitation of the Heart, so much so that at times I became unconscious of everything around me; in fact, my pulse stopped sometimes altogether. Hearing of the good it afforded to others, I was induced to try your Compound Syrup of Hypophosphites, and have derived great benefit from its use, and whenever I am troubled again with the old complaint I shall always have recourse to your Syrup, feeling sure of obtaining relief from its use.

You are at liberty to publish this for the benefit of other sufferers.

CERTIFICATES.

LOWER GRANVILLE, April, 1873.

My Dear Friend—I have always, until of late, been a bitter enemy to all patent or occult preparations, in the shape of medicines for the sick. But, in consequence of an unlucky fall from the deck of a schooner bound to Boston, down into the cabin, by which, displacing two of the short ribs on the right side, the liver was so seriously injured, that for twenty-four hours death was expected every moment. In a few days a bloat was discovered in the ankles, pervading in a short time the whole body. Used every medicine that the medical art could devise, not excepting a thorough course of mercury, in order that the liver might be brought once more to perform its proper functions, but did not succeed until I had taken a jug full of your Life of Man Bitters, which you kindly sent me: after I had taken a few draughts, I began to improve.

I am not a drunkard, but was always fond of bitters, most particularly when prepared with good brandy; this induced me, although an unbeliever, to partake of liberal draughts, in the morning, 11 o'clock, and at 4 P.M., of your Bitters; and before I thought, was cheated into a cure, so far as was possible.

I am truly surprised that such a valuable, and, at the same time, safe compound, should not meet with the liberal patronage that it, in my opinion, so justly merits.

I am, yours, most respectfully,
WILLIAM KENNEDY, M. D.

Johnson's Anodyne Liniment is, without doubt, the safest, surest, and best remedy that has ever been invented for internal and external use. It is applicable to a great variety of complaints, and is equally beneficial for man or beast.

We have seen it stated in various papers throughout the country, that Agents for the sale of *Sheridan's Cavalry Condition Powders* were authorized to refund the money to any person who should use them and not be satisfied with the result. We doubted this at first, but the proprietors authorize us to say that it is true.

Paul and Christ:

A PORTRAITURE AND AN ARGUMENT.

BY REV. J. M. CRAMP, D.D.

"This small volume is rich in vigorous thought and in devout feeling. In ten short chapters he sketches the early life of the labours of the great Apostle his views of Christ, of faith, of regeneration, and holiness, his letters and theology. The whole is at once a history and an argument, full of instructive lessons, and decisive as evidence of the truths of Christianity. Dr Cramp has made himself familiar with modern Biblical criticism, and gives in text or in notes the result of recent scholarship. The volume will find no small acceptance with teachers, ministers and intelligent readers generaly. We give it a cordial welcome."—*Freeman.*
