THE MAYOR'S CERTIFICATE.
PLANTAGENET WATER.

In accordance with the opinions expressed by the most distinguished Medical Practitioners of Montreal, Quebec, and other portions of the Province, and from my own experience of its salutary effects, I cheerfully affix my testimony to the excellent qualities and properties of the Plantagenet Water. For a summer beverage it is universally recommended by Physicians as a healthful and pleasant spiritual; and its valuable medicinal properties have been tested by a most careful and searching analysation.

CHARLES WILSON, Mayor.

Sold only in Montreal by A. MANN, No. 4, Place d'Armes; and by C. W. BENJAMIN, Esq., Carillon. 329

Plantagenet Water.

When first applied to by Mr. Lemoine, for my opinion of the "Plantagenet Water," I could only state that I had found it useful, as a mild aperient; a more extensive experience has convinced me of its utility in various diseases, as chronic and acute rheumatism, derangement of the stomach, liver, and bowels, particularly where symptoms of strong purgatives had been frequently employed. In urinary diseases and hemorrhoidal affections the Water will be found extremely useful, and for the derangement of the stomach and bowels, which accompany pregnancy, I have found it preferable to all other remedies.

Having suggested my opinion until some years experience of the Water had satisfied me of its value, I have the less hesitation in strongly recommending it to the profession and the public, in the above affections, in which I have found it superior to all the other Mineral Waters of Canada; and as a beverage, I have often recommended it as preferable to the drinks usually taken during the warm season.

I may state, in addition, that I recommend the Water to the members of my own family, and have always kept a supply in the house, since it became generally acquainted with its valuable qualities.

THEATRE ROYAL.

JOINT STOCK COMPANY.

IT is proposed to form a Joint Stock Company, for the purpose of purchasing the interior work, and of completing the building of the Theatre; and to permit of all, who feel disposed, to become Stockholders, the Shares are proposed to be, £5 each—on *the amount of which the present Proprietor will guarantee six per cent. interest payable semi-annually*; said Shares to be redeemable by him, on receiving or giving three months previous notice.

LECTURES, CONCERTS, BALLS, AND MEETINGS OF THE CITIZENS.

Had we a handsome Theatre, we might be favored some day with a visit from the incomparable Songstress, Jenny Lind, and we would have some additional attraction for our American friends during the travelling season. We have no Concert Room, no properly constructed Lecture Room, nothing in the shape of a decent Ball Room—and last, not least, (there are stirring times ahead,) we require a comfortable place to resort to, where we can *sit down* and *calmly* listen to *the story* to be told to us by the future Representatives of our improving City. Had we a Theatre, we would be prepared for all such emergencies. At a moderate cost, a temporary floor could be laid, in a very short time, connecting the base of the lower Boxes with the Stage, thereby giving ample space for "the merry dance," or a public meeting of Citizens. We are 50 years behind "our neighbors."

Plans, Specifications, &c., may be seen, and further particulars made known, on application to
