Day by day

In every way

The people say

The month of May

They will see

The finish of Coaker.

Only five more working days to complete a good job.

If Squires tells the people of Hr. Grace the truth he will state his certain defeat in St. John's West.

Higgins caught him nicely.

Sir Richard is rightly designated "a political acrobat."

He can do certain stunts no sane man would attempt.

Is he using the Humber people as he tried to use the Bell Island owners?

No, Bell Island mines will not shut down but Bennett Government will do everything possible to increase the pay and better the conditions of those engaged in the development.

He must think the people of Bell Island and Conception Bay are guiled as easily as some of his committee.

He tried to sneak off to Harbor Grace without anyone knowing a thing about it.

Even in this little trick he was beaten.

Several hundred of supporters of Bennett's candidates were at the railway station and waited long after midnight to cheer for Bennett and Better Times.

Look out for the Mail and Advocate to-day I wouldn't be a bit surprised to read in these papers that Sir Richard was greeted by a multitude of his own supporters and that he was tendered a great send off.

Their report of the meeting in the Majestic was just as we expected.

But all those slippery ways of trying to fool the outport voters will not work.

If Sir Richard and his colleagues think they have even a fighting chance, why don't they accept the $6,000 put up and advertised in this paper.

As I said before Linegar and Hunt will poll at least 600 more votes than Squires and that Cashin will double Campbell's and Fitzgibbons combined vote.

Make no mistake about it St. John's is decided for 6 sure.

Conception Bay from every indiction will notch up 9 more.

The Squires betters are betting they get one.

Placentia and Ferryland are going to make the Coaker candidates pay their full nomination fees.

Carbonear, the last stronghold of the Government is going to give Jim Moore an outstanding majority not withstanding a reduced population.

Now for the North.

Long will be Fogo's next representative. Monroe and Stone will be Bennett's right hand men with the new Government.

Joe Moore, Ayre and colleagues will wrest their district from the misrule of a dictator.

The West Coast districts are not taking any chances of a repetition of the past 40 months.

A landslide is the only answer that any sane minded person can conjecture.

Up guards, and at them.

Away with Coakerism.
Away with Squiresism.
Away with Bolshevism.
Away with stagnation, starvation and depression by voting the straight ticket for
BENNETT & BETTER TIMES.

Gaelic League.

WEEKLY MEETING.

The Gaelic League held their regular meeting last night, a large number of the members were present. After the business of the meeting had been transacted Mr. J. A. Gibbs gave a reading on Irish History. He dealt with the early Millesian period, its civilization, Arts and Commerce; down to a few centuries before the Christian era. The lecturer was accorded a hearty vote of thanks at the close. It was decided to hold a card party and dance in the T. A. Armoury on May 9th. The programme will include some new and novel Irish dances which will be introduced for the first time in St. John's. After the meeting concluded the President and officers of the L.S.P.A., kindly gave the League the use of their meeting room and a very pleasant hour was spent in rehearsing the popular dances which are now meeting with much success in Ireland.

Are Women Overworked?

Yes, hundreds of htousands of them are. This applies to the housewife and mother who struggles on a small income to make both ends meet by doing all the washing, ironing, cooking, making and mending for a large family. There are others who not only support themselves working in factories, shops, stores and offices, but often have an invalid father or mother to support, therefore do housework beside. These are the women who break down early and are afflicted with various forms of every weakness. Ninety-eight ou tof every 100 women who have tried Lydia E. Pinkham's Vegetable Compound have proved that it is a successful remedy for woman's ills. For nearly fifty years it has been restoring women to health, and it will pay every ailing woman to try it.
