Pleurisy Pains Vanish! Chest Colds Cured!

Nerviline Has Never Failed to Cure.

Don't suffer!

Nerviline is your relief.

Nerviline just rubbed on, lots of it, will ease that drawn, tight feeling over your ribs, will destroy the pain, will have you smiling and happy in no time.

"I caught cold last week while motoring," writes P. T. Mallery, from Linden, "My chest was full of congestion, my throat was mighty sore, and I had the fiercest stitch in my side you could imagine. As a boy I was accustomed to have my mother use Nerviline for all our minor ailments, and remembering what confidence she had in Nerviline, I sent out for a bottle at once. Between noon and 8 o'clock I had a whole bottle rubbed on, and then got into a perspiration under the blankets. This drove the Nerviline in good and deep, and I woke up next morning fresh as a dollar and absolutely cured. Nerviline is now always part of my travelling kit, and I will never be without it."

The large, 50-cent, family-size bottle is the most economical, or you can easily get the 25-cent trial size from any dealer.

DIES OF DREADED INFANTS' SCOURGE AT SANDWICH, ONT.

Child, Aged 4, Only Ill Since Sunday Night.

CONTRACTED IN PLAYING

M. O. H. Urges That Children Under 10 Should Not Mix With Others.

[Special to The Advertiser.]

WINDSOR, Aug. 18. — Leo Belleperche, 4 years old, son of Mr. and Mrs. Mederick Belleperche, 51 Bridge avenue, Sandwich West, is the first victim of infantile paralysis in the border municipalities, dying this afternoon after being ill from the disease since Sunday night.

The child became infected with a malignant form of the malady known to the medical profession as the bulbar type, which usually results in death, Dr. C. J. Durcher, medical health officer for Sandwich West, stated this evening.

Innocently Contracted.

Dr. Durcher said he believed the child indirectly came in contact with the dread disease by playing in the vicinity of a house where a case has recently been discovered.

There are, Dr. Durcher said, four cases now in this municipality, and two suspects. Two of the cases which have been diagnosed as a mild form of infantile paralysis, are at a home on Malden road.

Twenty-One Cases at Border.

Including the cases in Ford City, Windsor and Sandwich West, there are now 21 children suffering from the disease, and several more are under surveillance, Dr. Durcher said. "There is still need for great care. The regulations laid down by Dr. J. W. S. McCullough, chief medical health officer of Ontario, must be strictly observed by parents. Children under 10 should not congregate or make visits to neighboring children. If this regulation is observed there is little chance for the disease to spread, as far as is known."

A CASE AT COATSWORTH.

[Special to The Advertiser.]

WHEATLEY, Aug. 18.—A case of infantile paralysis has been discovered at the village of Coatsworth, twelve miles from here.

The infant child of Mr. MacLaren is the sufferer.

YOUNG MAN ARRESTED; CHARGE FALSE PRETENSES

Ingersoll Bank Complainant—Believed to Belong to Ridgetown.

[Special to The Advertiser.]

INGERSOLL, Aug. 18.—A young man giving the name of Charles Jener, and believed to belong to the Ridgetown district, was taken into custody today on a charge of obtaining $100 from a local bank under false pretenses. On Wednesday he entered the bank and obtained a loan of $100 by claiming to be the son of a prosperous farmer residing several miles to the south of Ingersoll. He gave details in connection with his alleged "father's" business, which fitted in with general conditions and also the lot and concession on which the farm was situated. He was also explanatory to the point of stating that he was shipping cattle that day from Ingersoll. He was given the money on a note for one month. Soon after he departed the bank clerk felt that he had been duped and he began to make inquiries concerning the young man, and his suspicion was aroused.

This morning there was more or less commotion in the bank when the young man entered.

He was questioned about the transaction of Wednesday, and when a telephone call was put in for the police office he hurriedly left the bank. He was followed by a bank clerk, the chief of police and others, and was eventually apprehended. On appearing in the police court he was remanded for a week. It appears that he had been in the district long enough to become acquainted with some conditions.

INGERSOLL SOLDIER'S STORY IS DISPUTED

[Special to The Advertiser.]

WOODSTOCK, Aug. 18.—Pte. James Morelli of Ingersoll, a member of the 168th Battalion, appeared in court today after a remand of a week, charged with stealing a watch and fob from a locker in the Y. M. C. A. Building. He claimed he secured the watch at Borden Camp, but it was shown that he was not there on the day the watch was stolen. The magistrate remanded him for another week to look up his record.

"Herr Von Batocki, president of the German food regulation board, in the course of an interview with a Hungarian journalist, stated that negotiations are progressing between Berlin and Budapest with a view to inducing Hungary to turn over the surplus of the Hungarian wheat crop to Germany. Herr Von Batocki said:

"'We hope Hungary will do what we ask in the general interest of our cause.'"

AMSTERDAM, via London, Aug. 19.—In recognition of his sinking one hundred vessels of the Entente Allies, Walter Forstmann, commander of a German submersible, has been given the Order of Pour Le Merite by the German emperor, says a Berlin dispatch received here. New Airships for Britain Surpass German Zepps

Of Finer Model, Less Cumbersome and Have Amazing Speed.

LONDON, Aug. 19.—The Daily Express features an article by its naval expert on "our new zeppelins," which says:

"During the last week I have watched the great British airships at work, and although I am unable to make practical comparisons with the German zeppelins, our new airships certainly seem marvellously rigid and beautifully designed. Mariners who have made a close observation of German dirigibles consider our new airships capable of being handled more readily, of finer model and altogether less cumbersome than the German type. The British airships, moreover, attain an amazingly high speed."

FRENCH MAKE GAIN IN MAUREPAS TOWN; HAVE CARRIED HILL

Two Fortified Redoubts North of Thiaumont Work Captured.

PARIS, Aug. 18.—10:40 p.m.—The French forces have made further progress in the village of Maurepas and also along the road from Maurepas to Clery, according to the official communication issued this evening. On the remainder of the front during Friday there were the usual bombardments.

The communication says:

"North of the Somme our attack, directed on a part of Maurepas occupied by the Germans, enabled us in the course of a brilliant assault to carry a notable portion of the village together with Calvary Hill, situated to the southeast. In this operation we took 200 unwounded prisoners.

"Between Maurepas and the Somme we continued our offensive action, driving in the enemy from two fortified redoubts north of the Thiaumont work, taking 100 unwounded prisoners, including five officers, and also three machine guns.

"East of the Vaux-Chapitre wood we made appreciable progress in the vicinity of the road from Vaux to the fort.

"The customary cannonades took place during the day on the rest of the front."

Today's afternoon report also told of success on the Meuse. It follows:

GERMANY CELEBRATES FRANZ JOSEF'S BIRTHDAY

Glad the Austrian Monarch is Eighty-Six Years Old.

BERLIN, Aug. 18.—Via London.—The birthday of Emperor Franz Josef of Austria-Hungary was celebrated here today on a large scale in military and diplomatic circles.

The celebration began with a service in St. Hedwig's Church at noon, which was attended by the Austro-Hungarian diplomatic corps and many Austro-Hungarian officers stationed here. The Germans attending the service were headed by Dr. Von Bethmann-Hollweg the imperial chancellor, and Dr. Karl Helfferich, the minister of the interior. Others present were the Turkish ambassador, Hakki Pasha, and Bulgarian minister Rzow. The neutrals attending were the American ambassador, James W. The German press is warm in its expressions of congratulations on the emperor's 86th birthday. Many papers extoll the aged monarch's virtues, praying that the Austrian Emperor may be spared to see his own country and the world returned to the blessings of peace.

TEUTONS ON OFFENSIVE IN BALKANS—BERLIN

BERLIN, Aug. 18.—Via London, 5 p.m.—The Teutonic allies have taken the offensive on the Balkan front and captured the Greek town of Florina from Serbian troops, the war office announced today.

The announcement follows:

"After the fruitless attacks of the Entente powers in the last few days, the allied (Teutonic) troops proceeded to deliver a counter-attack. Florina has been captured after a fight with the Serbian Danube division."

Florina is five miles from the Greco-Serbian border, and fifteen miles southeast of Monastir. Fighting has been in progress along this front for some time, although the official reports have indicated that no large bodies of infantry have been engaged. Reports from the Allies of the capture of several towns are denied in Berlin and Sofia.

That is now the standard treatment, gentle, certain, scientific. It is used on a million corns monthly.

It has stopped the corn pain instantly, 70 million times. It has ended the corns completely within 48 hours, in 91 per cent of the cases. The others take a little longer.
