Elkington & Co's. Patent Electroplate.

HAS now been before the public since 1841, and after the most severe test of wear, in the vessels of the Royal Mail Steam Packet Company, the Peninsular and Oriental Company, the General Screw Steam Ship Company, the Pacific Steam Navigation Company, and numerous Club Houses, Hotels, and Private Houses, in every part of the world, continues to give the most unqualified satisfaction, supplying as it does all the advantages of silver in utility and beauty of effect; and it will be found that the interest of money upon the cost of silver Goods for a period of seven years, is alone sufficient to purchase Electro Plate, and this, with the now established fact of its extreme durability, makes it a matter of great importance to all purchasers of such articles. It must be evident that the wear of all articles depends on the thickness of the deposit, and the Patentees refer with great satisfaction to the award made by the Royal Commission of the Great Exhibition, 1851, OF THE FIRST CLASS OR COUNCIL MEDAL for these productions.

A large assortment of the above Goods has just arrived per Cicely, direct from the manufacturers, and is now ready for sale.

PERRY'S HUNGARIAN BALM.

For Restoring Preserving and Beautifying the Hair.

THIS elegant preparation is an efficacious remedy for Baldness, or falling off of the Hair. It prevents and completely eradicates Scurf and Dandruff, strengthens the Roots of the hair; causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance, and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy secretions, thereby removing and preventing the accumulation of scurf, dandruff and other impurities, which so frequently cause premature decay and loss of the hair.

The Hungarian Balm is especially adapted to ladies' use; and those who have tried the various oleaginous mixtures, with no benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less pulled out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it at once and you will be convinced of its superiority over all other compounds for the hair.

Much more might be said in favor of this inestimable compound, but it is deemed unnecessary. The proprietor feels confident that OUR TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore,

If you have lost your hair and wish to restore it,
If you are losing your hair and wish to preserve it,
If you are troubled with Dandruff and wish to remove it,
If you have any humour of the Scalp and wish to cure it,
If you are troubled with Nervous Headache and wish to cure it,
If you have hair enters at the roots of the hair and wish to destroy them,
If you have harsh dry and wiry hair, and wish it to become soft, pliable and beautiful as silk; and if you wish to preserve rich, graceful and luxuriant tresses to the latest period of life, use PERRY'S HUNGARIAN BALM.
