Announcement

Two of the greatest Canadian novels yet written—so say British and American critics—are "Love of the Wild" and "Willow the Wisp," by Archie P. McKishnie.

It is the desire of the publishers of The Daily Advertiser to place these splendid books in the homes of its readers, and it is with pleasure that we announce that through special arrangements with the publishers we are able to do this at a cost scarcely exceeding the posting and boxing of the same.

Mr. McKishnie, who has found a place among the world's great writers, was born and bred in Western Ontario. These novels are authentic histories of the struggles and victories of our own ancestors, big, pulsating romances of our own people.

Therefore, every home in Western Ontario should have them in its library. Let us tell you how you may secure them.

BITRO-PHOSPHATE IS GOOD FOR THIN, NERVOUS PEOPLE

A PHYSICIAN'S ADVICE.

Frederick S. Kolle, M.D., Editor of New York Physicians' "Who's Who," says that weak, nervous people who want increased weight, strength and nerve-force, should take a 5-grain tablet of Bitro-Phosphate just before or during each meal.

This particular phosphate is the discovery of a famous French scientist, and reports of remarkable results from its use have recently appeared in many medical journals.
