THE BIG LEAGUES.

Rain Postponed All The Games In The East Yesterday.

New York, July 23.—Jupiter pluvius spilled his rain pots throughout the east today and the heavy downpour caused a general postponement of baseball games. All contests in the National and New England Leagues were declared off on account of rain and wet grounds, while in Cleveland the New York-Cleveland game in the American League was also postponed because of unfavorable weather. In only three cities of the big league—Chicago, Detroit and St. Louis, were games played today. The Eastern league was more fortunate, the games at Montreal and Buffalo being played.

The postponement of the New York-Chicago contest here caused a general disappointment among thousands of baseball enthusiasts, as both teams are fighting for second place in the National League so as to be in position to dislodge Pittsburg from the leadership.

RED SOX LOST TWO.

Detroit, Mich., July 23.—Detroit won both parts of a double header from Boston today. Wood's wildness in the opening inning and errors in the eighth with which Detroit mixed two triples, decided the first contest. Mullin saved this game for himself by a great stop off Stahl with the bases full.

In the second game Boston bunched hits on Speer but once. Collins pitched well but Detroit hit whenever he gave openings by wildness. The games were played on a wet field. Rain fell during the morning and at the start of the first game the day was the coldest of the summer.

Score by innings:

Detroit	20000003x	5 7 1
Boston	000110000	2 8 2

Alcy Bell and Warren F. Winners at Moosepath

American Horses Cleaned Up Both Events at Moosepath Yesterday---Alcy Bell, 2.20 1-4, Won 2.19 Class, and With Driver Hayden Is Penalized For Not Trying To Win In First Heat of the 2.21 Stake---Frank Patch, 2.18 3-4, Took One Heat---Faster Track and Better Racing at Moosepath Yesterday.

(By J. D. Black.)

The American horses cleaned up the big end of the money in the two events on the racing card at Moosepath Park yesterday, Alcy Bell, 2.20¼, of the Pine Tree Stables, of Lewiston, Me., winning the 2.19 class, while Warren F., 2.18 1-4, owned by Mr. John Groves, of Boston, Mass., and a member of the Fox stable, annexed the 2.21 stake.

In both races the winners had the fields well in hand, Alcy Bell winning in straight heats, although Warren F. took four to do the trick. On the whole, the racing was better than that provided on the previous day, but the horsemen expect the best racing of the meeting to-day.

The track was in much better condition than on the opening day. This made it more pleasant to the spectators as the showers had laid the dust, which made it so disagreeable the previous day for the spectators and it also made conditions better.

PENALTY FOR HAYDEN.

When Forced to Start Alcy Bell in the 2.21 Stake He "Pulled"—Amount of Fine Not Yet Stated.

The feature of the afternoon, however, was the conflict between Frank P. Hayden, the manager and driver of the Pine Tree Stables, and the officials in the judges' stand, the final result being an announcement that Mr. Hayden and Alcy Bell would be penalized.

Mr. Hayden had Alcy Bell entered in both the races on the card and had instead of withdrawing from one race, asserted the previous evening that he would start the son of Alcymont in both races. When it came time to race Mr. Hayden started the horse in the 2.19 class, in which he had been an even money favorite against the field, and stated that he would not start in the 2.21 stake.

The horse, however, was in the hands of the judges and they decided that he should start in both classes, not having been withdrawn.

After a lot of dilly dallying, Alcy Bell was brought out on the track and started with the rest of the field in the first heat. No attempt to go fast was made by Mr. Hayden, and Alcy Bell was distanced.

In some of the betting in this race, as well as in the 2.19 class, Alcy Bell had been the favorite and there was a great howl sent up from a portion of the betting crowd at this performance, and the driver and the horse were hissed when they passed the stand.

The judges spent some time in consideration of the case and finally when the result of the heat was announced, Starter Dorrithy supplemented the usual announcement with the following:—

"I am requested by the judges to announce that there will be a penalty attached to Mr. Hayden and the horse Alcy Bell, the amount being left discretionary with the judges until the conclusion of the meeting."

The Case Of Warren F.

This decision was received with apparent approval by a portion of the crowd and some called for similar treatment for Driver Fox on the grounds that he had not tried to win the heat with Warren F. No action in this regard was taken by the judges and Mr. Fox explained his position by saying that his horse had cooled out so much during the wait for Alcy Bell to appear on the track that he could not take a chance and drive Warren F. hard until he had a warming up heat. "But I'm out to win this race," he added.

Afterwards Mr. Fox showed he meant what he said by going on and taking the next three heats.

Alcy Bell was also in the limelight pretty much during the early part of the afternoon through his bad acting when returning from scoring and it kept Driver Hayden and a couple of grooms busy getting him turned and headed back up the stretch again.

BETTER RACING.

More Exciting Finishes Than On Opening Day—Axbell In The 2.19 And Orphan Girl in 2.21 The Contenders.

The finishes yesterday were more exciting than on the previous day and everything considered the racing was of a good deal higher class than at the opening.

Of the two events the 2.19 class provided the best racing. Axbell (2.18 1-4), the Halifax horse, imported several years ago by Ald. Harry Jewett, of Fredericton, was Alcy Bell's most serious contender in this race, but Alberta G., the daughter of Almoneaf, owned by Charles Gordon, of Medford, Mass., a former resident of St. John, and well-driven by Jack Leonard, was always well up and a dangerous contender. Frank Fox had Improved Directly, a son of Directly, in this race hitched to a cart and took third money.

The fastest time of the day was 2.21 3-4 made in the first heat of the 2.19 class by Alcy Bell.

One of the brilliant features of the day's racing was the great work of Frank Boutilier's game little trotter, Orphan Girl. She went a good race and drove Warren F. out in 2.23 and 2.22 3-4 in the third and fourth heats of the 2.21 stakes. Always going steady and with a beautiful disposition this little mare is one of the most valuable trotters being campaigned on the circuit this year.

Frank Patch Was Off A Little.

Frank Patch (2.18 3-4), the speedy little son of The Patchen Boy, did not race as well yesterday as he has on previous occasions. He was game to the core, and everything of that kind, but after the first heat, which he was allowed to win in the slow time of 2.26 1-4, he seemed unable to negotiate the lower turn with any degree of success and on almost every occasion went to a break. This may have been caused by the fact that he was suffering from a sore leg.

Mr. Patrick Doherty, of Sydney, N. S., made his first appearance as a race driver yesterday, having Nell Patch (2.20) in the 2.19 class and Lina Miller (2.21¼) in the 2.21 stake. Last season Mr. Doherty's driver was Peter Carroll, the well known Halifax reinsmen but this year, being unable to have the serivces of Mr. Carroll, Mr. Doherty, who is a Sydney business man, is doing his own driving. Mr. Doherty will campaign his horses through the balance of the Maritime Circuit and when they are keyed up better than they were yesterday they are expected to show to advantage.

Finally when she seemed about to dash under the wire in second place Alberta G. faltered in the stretch and Frank Fox landed the position with Improved Directly.

The third heat was also a good race but Alcy Bell always had it well in hand and was never in danger.

THE 2.21 STAKE.

Frank Patch took the first heat of the 2.21 stake in slow time, all the horses having cooled out so much while waiting for Alcy Bell to appear on the track that they were not ready for a fast mile. Frank Fox found Warren F. so sool that he did not try to do anything with him and the result was a walkaway for Frank Patch, who went a nice mile and clinched second money.

The second heat of the race saw Warren F. away in front and the white faced son of Choralist had it all his own way. There was a lively race for the place position and Lina Miller looked good for it in a hot brush down the home stretch with Orphan Girl until she faltered about 25 yards from the wire.

There was nothing to it in the next two heats but Warren F. although it was a treat to watch the great struggle put up by Orphan Girl, the little trotter covering herself with glory in a field of pacers.

Attendance Was 800.

The attendance yesterday fell several hundred short of the opening, but nevertheless better than often seen at Moosepath in recent years, there being about 800 on the grounds. The weather conditions were all that could be desired and it was a good afternoon's sport aside from the little unpleasantries over Alcy Bell.

Frank Fox will ship his horses to Boston early next week and will not return to the provinces again this season.

THE STANDARD LEADS.

"The Standard newspaper of St. John is the best in Eastern Canada for reporting latest trotting horse racing news," was the remark of a Wolfville horseman. He also remarked that he knew of no other morning daily in Canada that was reporting daily the summaries of the Grand Circuit, which is now racing down the line. It was last week at Terre Haute, Ind., and this week at Windsor, Ont. Next week it will be at Detroit.—Wolfville, N. S. Acadian.

FAVORITE HORSES MAKE FIRST START AT MOOSEPATH TODAY

Seven Horses Will Make Their First Starts of This Season at Moosepath Today—Crescent and El Galo Are Favorites 2.15 Class and 2.24 Trot Provide Great Field.

Two crackerjack events are on the card for the closing of the Moosepath Park race meeting today, and if the weather man decides to allow it the big holiday crowd this afternoon will see the best racing of the meeting.

The 2.15 class and the 2.24 stake for trotters, make one of the best cards that could be selected for the holiday, and are really about sure to produce the best racing of the meeting

No less than seven of the starters will make their debut on the Maritime Circuit for this season—three in the fast class and four in the trot.

In the 2.24 trot stake, Crescent (2.23 1-4), the beautiful little mare owned by Mr. A. E. Trites, of Salisbury, is an even money favorite favorite against the field in most of the betting with Prince Louie (2.23-1-4), the St. Stephen horse, a strong second choice. The other starters will be: Kremont (2.23 3-4) formerly owned by Ald. Hugh Calder, of Fredericton; Frank Power, one of Frank Boutilier's fast trotters; Melva P., from the Valley Stables, Sussex; Jennie V., Frank Fox's trotter; King Arion, owned by Ald. Harry Jewett, of Fredericton; Miss J. A. Gazette and Northern Star, two North Shore trotters.

Frank Hayden, of the Pine Tree Stables, will give El Galo (2.16 1-4) his first start of the season in the 2.15 class, and is, like Cresent, an even money favorite against the field. The other ones in the 2.15 class making their first start on the circuit this year will be Kingsboro (2.16), another candidate for the big money in the Readville $50,000 handicap, and Royal Lancer (2. 15 1-4), the promising young horse imported by Halifax horsemen last winter for Peter Carroll's string. The remainder of the field of starters tomorrow will be: Miss Letha (2.15 1-4), X Ray (2.15 1-4) and Laura Merrill (2.14 1-2), the latter being Fred Duncanson's speedy mare, which has such a strong local following.

FIGTHING TALK.

Jim Barry, who found it hard picking in Paris and England and returned to America a week or so ago, has been matched to box Jack Burns in Los Angeles in Aug. 10. If Barry tries to win by butting, as he did in Paris, he is certain to get "canned" in California. If he wins on the level he is likely to get a match with Al Kaufman.

Willie Lewis declares that he does not want any of Sam Langford's game. He has had a change of heart since he returned from England, but that is not a surprise. When Lewis and his manager landed in New York they talked about wanting to meet Langford for $10,000. The sports were satisfied that such a declaration was done only for boosting purposes.

If the sports did not know the ability of Jim Barry and read his letters, they would believe he could clean out the whole heavyweight camp. In writing to a friend in San Francisco, Barry says: "I was taught a lot of new stuff by McCoy in Paris, and when I meet Langford and Kaufman again I will win over them easily." It must be he "con" talk that McCoy taught him.

Promoter McCarey, of Los Angeles is satisfied that 10 round no-decision bouts do not draw the money. He should have consulted some of the people who tried such bouts in Chelsea. McCarey has secured an annual license to put on longer bouts with decisions, in Vernon, Sal. If he cannot get the arena of Jeffries' old club he will build a new clubhouse.

ATHLETICS BUY LIVELY, A PITCHER.

Little Rock, Ark., July 21.—Pitcher Livety, of the Montgomery southern league club has been sold to the Philadelphia Americans under a private option agreement, according to Pres. Kavanagh, who was informed of the Philadelphia club's selection by Sec. Farrell, of the National board.
