THE TORONTO WORLD.

TUESDAY MORNING, JUNE 17, 1884.

LOCAL NEWS PARAGRAPHED.

Entries for the industrial exhibition are beginning to pour in.

The Toronto conference concluded its business yesterday.

Complaint is made at the city hall of a cow byre in Borden street.

Grace church strawberry festival comes off on Thursday, not on Saturday.

The 25 new electric lights ordered by the city council will be erected in time for the semi-centennial.

Fred. Scobell, acting for Chief Engineer Ross of the Canadian Pacific railway west, has sent 286 men out to the Rockies from this city this month.

The trustees of Knox church have made arrangements for the erection of a one-story brick addition to the mission in connection with Knox church on Duchess street.

The arts and divinity examinations began at Trinity college yesterday. The matriculation and B. C. L. will begin Tuesday next. Convocation will take place early in July.

The prize lists for the agricultural and arts exhibition, which will be held at Ottawa this year, will be issued this week. A letter has been received by the secretary from Sir John Macdonald stating that he will be present and open the exhibition.

Major Van Horne, general manager of the Canadian Pacific, arrived in town on Sunday, and spent yesterday at the Canadian Pacific offices examining the work of the company now going on in the city. He leaves this morning by the 11.30 train for Winnipeg, via Owen Sound.

W. R. Haight, bookseller, has a number of the copies of the first book ever printed in Toronto as a city. It is a pamphlet by John Strachan, D.D., LL.D., archdeacon of York, and is entitled The Poor Man's Preservative against Popery. Mr. Haight has put a semi-centennial cover on them.

The roller skating rink on Adelaide street west (Adelaide street curling and skating rink) opens June 23. Miss Carrie Gilmore, the champion lady skater of America, will give an exhibition of fancy skating, also R. J. Aginton, the peer of roller skaters. Grand electric illumination, and music by Tenth Royal Grenadiers' band.

At an early hour this morning Night-watchman Elliott and Policeman Armstrong heard a noise in P. M. Clarke's tailor shop, King street west. Going around to the rear they found the back door open and a grating removed. The premises were searched, but the burglars could not be found. It is not known if any goods were taken.

Messrs. Elliott & Prittie have opened the offices No. 4 King street east (occupied lately by A. & S. Nairn), where they intend to carry on a real estate business. Mr. Prittie is known long to the citizens of Toronto in connection with Manitobian real estate and emigration. Mr. Elliott has been engaged in Winnipeg, and represented the county of Peel in the house of commons for five years.

Strangers visiting the city should not fail to visit the Bon Marche.

Concert at St. James' Schoolhouse.

There was a good audience last evening at the concert in aid of the church of St. Andrew on the island. The bishop of the diocese occupied the chair. The program contained several pieces for Claxton's orchestra, which were well received. This organization is steadily improving, and as they become known their efforts are being more appreciated. Mr. Schuch, who acted as conductor, sang Faure's Palm Branches with fine effect. Masters O'Reilly, Corlett and Blackburn sang The Three Sailor Boys, in costume, their clear youthful voices being much admired. Miss Morgan sang sweetly Randegger's lullaby, Gently Rest, with violin obligato. Mrs. Sweatman and Mrs. Edgar J. Jarvis played a piano duett, Grand Duo Concertant, by Lazare, on two pianos, their brilliant execution being applauded. Mr. J. Fraser sang Welling's Some Day, and Mr. J. F. Thomson sang Si Tu Savais, and these gentlemen, with Messrs. Bryce and Schuch, gave a quartette (unaccompanied) Forsaken, by Koshat. Miss Corlett's solo Laddie, by Pinsute, was well received. The accompaniment to this song was arranged for the full orchestra by Mr. Moore, the conductor. It was well played, but was frequently too overpowering for the soloist. This is a fault which not unfrequently happens with most orchestras. Miss Corlett's second solo, The Return, by Millard, was beautifully rendered and won for her a recall, when she gave Comin' Thro' The Rye, her rendition of the latter number being particularly gratifying to the audience. Mr. T. Dawson Jessett played the accompaniments acceptably.

Don't fail to see the wide embroidery worth 50 cents per yard for 22 cents at the Bon Marche.

Minstrel Fun at the Zoo.

Baird's minstrels opened to a bumper house at the Zoo last evening. The stage was rather small for so large a combination. When they began to crack the old grey bearded jokes the bears shouted "enuff!" and the old lion enquired plaintively if there was no society for the prevention of cruelty to animals in Toronto. The barefaced baboon who is a stranger in the country and heard the venerable jokes for the first time almost died laughing, and the ringtailed monkey split his sides. The performance which is really a good one will be repeated every night this week with Wednesday and Saturday matinees. One of the attractive features of the first part was the song Leona, sung by the composer, J. S. McMurray. McMurray is an old Toronto boy and is both a successful composer and singer.

The Civil Assizes.

In the assize court yesterday Bowan v. Fuller, an interpleader suit, resulted in favor of plaintiff. McGaffin v. Durell, an action to recover $1000 under an agreement. Barrett v. Cameron, an action to recover a quarter's rent for the premises, 67 Yonge street, partially destroyed by fire on Jan. 10. The jury gave a verdict for defendant, and judge Galt allowed costs. The following cases were postponed until next assizes: Buckler v. Thompson, Cook v. Burns, and Hayken v. Burns. The case of Ewing v. Oliver was settled.

Workmen Disappointed Again.

An advertisement appeared in an evening paper on Saturday and last night, asking for "men to work on the Canadian Pacific railway; no money required; the men to be at Union station last night at 9 o'clock to take the train for the place they were wanted to work." About seventy men gathered at the station last night and lingered there until 11 o'clock, but no person put in an appearance to engage them.

Frillings for less than half wholesale prices at the Bon Marche.

SPORTING NOTES.

Wm. Sexton, the billiardist, by the upsetting of a wagon in New York yesterday was thrown out and seriously injured.

The contest for the championship fancy trick bicycle riding between D. J. Canary of Boston and Warren Wood of Chicago, Saturday night, was won by Canary.

A cricket match was played between the Bracondale cricket club and the Whiting cricket club on June 14th, which resulted in favor of the Bracondales by a score of 64 to 58. There was only one innings played on each side.

The lacrosse match on Saturday between the Maple Leafs of Parkdale and the Young Canadians of Richmond Hill resulted in three straight games for the Young Canadians. Time 45, 15 and 3 minutes.

The following yachts started yesterday afternoon about 4 o'clock in the ocean yacht race around Long Island: Schooners Montauk, Grayling, Fortuna, Ruth, Estelle, Clio, Fleetwing; first class sloops Fanny, Gracie, Ileen, Wenonah, Hildegarde, Athlone, Vixen, Oriva. The start was made in the Narrows.

The Sons of England C.C. played the Weston C.C. a friendly match on Saturday on the grounds of the S. O. E. on Garrison common. The visitors were rather late in turning up, but no time was lost in making a start. The home team (captain) won the toss and elected to send in the visitors to bat first to face the bowling of Hezeltine and Griffith; the former was in excellent form and in his second over he took two wickets for no runs. His average was 8 overs, 5 maidens, 6 runs, 5 wickets. Griffith also did excellent bowling; he bowled 10 overs, 2 maidens, 25 runs, 3 wickets. For the visitors Lawson batted well for his 20 not out. For the home team Hezeltine, Blew, Griffith, 11 each, and Sharp, not out, 7, were the principal scorers. When stumps were drawn the visitors had made 39; the S. O. E. made 61 and six wickets to fall.

A Prize Fight for Chicago.

CHICAGO, June 16.—Parson Davis, on behalf of Jem Goode, the English pugilist, has accepted the challenge of Jack Kilrain of Boston for a prize fight of five rounds, Queensberry rules, to be fought here on July 3.

A Bout at Boston.

BOSTON, June 16.—A six-round soft glove fight here to-night for $250 between Jack Williams, the English light-weight, and Johnny Hareling the champion light-weight of New England, was won by the latter. John L. Sullivan acted as referee. The Londoner was badly used up.

St. Michael's Against Torontos.

The St. Michael's college nine convinced a large crowd of spectators on Saturday afternoon that they could play base ball, and the students are laughing still to think what a difference there is between a practice and championship game. Despite a lame arm Gillean pitched a magnificent game, while Delaney, the quondam mystery, was batted in an unmerciful manner. The college boys are highly elated over their favorites, who by their victory secured the championship of Canada. After a banquet given by the president of of the college the nine disbanded, as the students leave for homes next week. The score is as follows: Runs, St. Michael's 12, Torontos 6.

Downing the Jap Wrestler.

PHILADELPHIA, June 16.—The sparring match for the benefit of Mike Cleary here this evening was a failure, Prendergast not being present as the terms were not satisfactory. The wrestling match here this afternoon between Joe Acton, champion of the world, and Matsadi Zorachi, the Japanese wrestler, for a purse of $500, was won by Acton. About 1000 persons were present. The wrestling was to be done in 3 styles: catch-as-catch-can, Japanese style, and Græco-Roman, best three in five. The first trial, catch-as-catch-can, won by Acton; the second, the Japanese style, was won by the Jap; the third, also Japanese style, won by Acton, as was also the fourth, catch-as-catch-can. Acton having won three out of four falls was declared the winner, and the Græco-Roman style was not called.

A Sunday Prize Fight.

MINNEAPOLIS, Minn., June 16.—The following are the particulars of a hard glove fight yesterday between Patsy Mellen of Minneapolis and Jack Keefe of Philadelphia for $150 a side. The crowd was made up of active and ex-city officials and professional men generally, an ex-mayor being timekeeper, and an ex-chief detective one of the most enthusiastic spectators. Fourteen rounds lasting 56 minutes were fought. Mellen got first blood and Keefe the first knock down. Mellen slipped and went down in nearly every round up to the last. The slugging was heavy up to the tenth round, the advantage being with Keefe, but after that Mellen turned the tables. In the last round he made a terrible onslaught on Keefe, fighting him to his corner and knocking him out with a right upper cut. Keefe lay for nearly two minutes before pulling himself together, when the match and stakes were given to Mellen.

To-day the Bon Marche will open ten cases of New York novelties, bought at half the regular prices. No trouble to show goods and prices.

A Great Picnic for the Boys.

—The new baseball straw hat, a great novelty for boys—it is very pretty and durable. A baseball with each hat, price 75c., for sale at Dineen's hat store, corner King and Yonge streets.

Blaine's Americanism.

From the New York Sun.

The inner soul of Blaine is his intense Americanism. He is American through and through, bone, fibre and finger nails. He always flies the American flag, and the America eagle perches on his shoulder. To the hereditary antagonist, foe, and rival of the United States, to England, his flag is never lowered, not even in ceremony.

The best and most improved Sewing Machine—the "Wanzer."

—George Washington could not tell a lie. We can, but we won't. Our rivals can and do when they tell the public that we do not make as good work at lower prices than they do. We are selling more harness than ever. Buggy and express harness very cheap. Don't patronize auction shops, but go where you get your work warranted. No. 55 Jarvis st. 234

—The reason why "Nonsuch Washing Compound" should be used in preference to all other washing preparations. First, It is perfectly harmless. Second, It saves more than half the labor. Third, it is the cheapest in the market. Many more could be given but this should be sufficient. For sale by all grocers. Lowden & Co., Wholesale, Agents for Toronto. 2-4-6.

Good Crops Ahead.

From the Montreal Shareholder.

Let us all be thankful for the unbroken reports, from every point of the compass, of the promise of excellent crops this year. The verification of these cheerful prognostics is calculated to bring joy to every household in the land, from the wealthy to the most humble. It is calculated to start all the factories again on a profitable career, giving employment to thousands who have passed a dreary winter on very short commons indeed. It should impel the great railways, too, into all their old-time activity, and thus, it is to be hoped, restore once more a satisfactory balance sheet.

Semi-Centennial.

—Ladies will do well to prepare in time to receive friends, and make them feel as much to home as possible. To do this it is necessary to make your homes attractive; a little taste on the part of the lady of the house will tend to attain this object. During the day your visitors will be attracted with outdoor sight-seeing, and the evening to sociable chat on the events of the day. On entering the drawing or sitting room the first to attract the attention of the visitor will be the furniture. Drop a card to T. F. Cummings, the upholsterer, 349 Yonge street, who will call on you and make an estimate of the re-upholstering, etc., etc. Get your hair mattrasses renovated by the new process. Charges moderate.
