DEAR SIR:

It is with much pleasure I inform you that I have just completed extensive alterations and improvements to my premises, 63 King-street east. The rapid increase in my business has made it necessary to provide more accommodation and better facilities for catering to the wants of my numerous patrons. No pains or expense have been spared to make the "Criterion" the best restaurant and CATERING ESTABLISHMENT in the country. The Bar Department will, in future, front on King street, with private entrance on Leader-lane. I have also added to my already extensive premises four private dining rooms, furnished with every comfort and convenience.

The bar will be supplied with the best wines and liquors. The Dining-room and Catering Department will be under my own personal supervision, assisted by an efficient and competent staff. Counter Lunch will be served from 12 o'clock till 3, and will be provided with the best the market can produce. Prompt attention and moderate charges. I would be glad to have you call and inspect these changes and judge for yourself. Very truly yours,
