Synod accounts from 31st May 1863 to 31st May 1864.

At our request the Treasurer has prepared a tabular statement of the receipts for the different schemes of the church, both for the convenience in printing and also in consulting. Should any parties miss their contributions, they will observe that this only includes what was paid in between these dates. The expenditures will appear in our next.—Ed. Record.

COLLECTIONS AND CONTRIBUTIONS FROM CONGREGATIONS TO THE SCHEMES OF THE CHURCH.
