MISS J. STEWART.

The Sombra Murder.

The trial of Wm. Henry Smith and Mrs. Finlay for the murder of the husband of the latter commenced at Sarnia week before last. As most of our readers will remember the murder took place in the township of Sombra, in May last, under very peculiar circumstances, it being given out at the time that Finlay had committed suicide. The suspicious conduct of Mrs. Finlay and the man Smith at the time of the funeral, however, raised a suspicion that the unfortunate Finlay had met his death from other hands than his own. As a consequence of these suspicions Smith, who had been in the employ of Finlay was arrested, and shortly after Mrs. Finlay also was taken into custody. At the coroner's inquest which was held subsequently Mrs. Finlay confessed that the murder had been done by Smith; she having cognizance of it at the time, and in fact entering into the plan. The motive for the foul deed may be easily surmised from the facts which were brought to light showing that a criminal intercourse had subsisted for a long time between the two parties who are now on trial for murder. When Mrs. Finlay's confession was read over to the wretched Smith, he uttered the words, "You have murdered us both, but I am innocent." On the strength of the confession Smith was committed for "wilful murder," and Mrs. Finlay as an accomplice to it.

The trial was continued on Saturday, and, as anticipated, the woman Finlay entered the witness box to give evidence against her accomplice. Her testimony was in corroboration of the statements which she made in her confession at the coroner's inquest, held immediately after the murder. Among other things she swore that Smith had often expressed a wish that somebody would kill her husband, and that afterwards he had told her that he had it all planned to commit the murder. She acknowledged that her first statements about the death of her husband were false.—She also admitted the existence of a criminal intercourse between her and Smith; that Smith had made professions of love to her, which she believed at the time she reciprocated.

The defence called only two witnesses. Mr. Glass then addressed the jury in a speech lasting four hours. Mr. McMahon, for the Crown, spoke for an hour and a half. Mr. Justice Moss then charged the jury for about an hour, and at 6:45 the jury went out, and at 10:14 o'clock came into court. The usual question having been put to them, the foremen answered "Guilty." The prisoner received the announcement with firmness.

Long Credits.

After many years experience, I have come to the conclusion, that the Long Credit System now in use is a great moral evil, and have determined that from the 1st January, 1876, I will discontinue all long credits and sell only for cash or short date accounts.

I consider the present season a favorable one for making this desirable change; as we are now reaping the benefits of a bountiful harvest and fair prices, farmers and others should now be able to pay up all old accounts and buy in future for cash only.

Not wishing to take undue advantage of any who are now running long accounts with me, I deem it necessary to give this timely notice, so that none might consider themselves harshly dealt with.

I would also take this opportunity of notifying all those indebted to me that all book accounts of long standing remaining unsettled after the 15th January, 1876 will be placed in the hands of a Solicitor for collection.

I also beg leave to say that my present general stock is now full and complete, comprising every thing usually kept in a general store, intending purchasers would do well to give me a call before purchasing elsewhere.

I now return my sincere thanks to the general public for the very liberal patronage tendered me, and I trust by strict attention to business, fair dealing and low prices, to merit a continuance in the future of those favors so liberally bestowed on me in the past.

Heart Disease.—A Card.

New York, December 24, 1874.

JAS. P. CAMPBELL, M. D. 66 Fulton St. N. Y.

Dear Sir—

For many years my wife has had serious Organic, and of course, Functional Disease of the Heart, and frequently has 'seizures' of the most terrible description, menacing her with *instant death.* I have tried many prominent Heart Remedies without avail, but in Dr. Campbell's 'Heart Regulator' I am free to confess, we have found the "Supreme Palliativo," if not the "Radical Cure." Your preparation, Doctor, *always* relieves her *instantly* and *perfectly*, while the 'seizures' are much less frequent and severe. I have also prescribed your remedy in my practice, I can and do, most conscientiously commend its use to all suffering from Organic or Functional Cardiac Derangements.

Very truly yours,
WILLIAM H. BURNHAM, M. D.
Late Collegiate Professor of Anatomy

AGUA MIRACULOSO.

This Exquisite Spanish "Toilette Preparation," for beautifying and preserving the complexion and skin, has for years been *exclusively* prepared by DON MANUEL ACOSTA, an eminent chemist of Seville, Spain, and by him sold in large quantities to the *elite* of that city, Madrid, Havana and elsewhere, as an *incomparable* beautifier and preservative of the complexion, and certain preventive of Wrinkles, Freckles, Pimples, Sunburn, Tan, and all blemishes of the Skin. While making a voyage to Cuba some years ago, on one of the British Royal Mail Steamships, DON MANUEL was overtaken by severe sickness, and his life for days despaired of, but ultimately, he rallied and recovered, and as an acknowledgement of his appreciation of Dr. Campbell's services, (Dr. C. being at that time Medical officer on board the steamship), he presented the Docter with the formula from which he prepared his famous 'AGUA MIRACULOSO,' (*Miraculous Water.*) So many lady patients for whom Dr. C. has prepared an occasional bottle, having expressed themselves most *enthusiastically* in regard to its merits, he has determined for the future to prepare it as a STANDARD TOILETTE PREPARATION. Its use imparts to the skin, a dazzling brilliancy, healthy freshness, transparent clearness, velvety smoothness and exquisite softness. A few applications will convert the *rough*est skin into one of Alabaster delicacy. It is not a "Paint" or "Enamel," but a *Deliciously Fragrant Medicated Water* for the skin, of marvellous efficacy. WARRANTED harmless as pure milk. Price One Dollar per bottle. Six bottles for Five Dollars. Expressed to any address. PREPARED ONLY BY JAMES P. CAMPBELL M. D., Chemist, 66 FULTON ST., N. Y. ☞*Beware of dangerous and worthless imitations.* 1473-1yr
