GERMAN NAVAL OFFICER ROBBED DANISH KING

Goods Returned and Guilty Man Allowed to Get off Without Punishment.

By "POLONIUS."
(Copyright, 1920, By Cross-Atlantic.)

Copenhagen, Dec. 19.—The sensation of the day is the discovery that a German naval officer on active service is identical with a burglar for whom the Danish police have been looking for some time, and who is responsible for robbing King Christian of a quantity of costly silverware and priceless rugs.

Some weeks ago, the royal cottage at the seaside resort of the Skaw was broken into, and the thieves secured much valuable booty, mostly presents from the people of Jutland to their king. At first the police were greatly puzzled, for at this time of the year the Skaw is almost deserted by all but the local fishermen whose honesty is beyond suspicion, and no doubtful characters had been seen in the neighborhood.

A German naval vessel was anchored outside, however, and the crew had frequently had shore leave, while the officers spent most of their time at the only hotel remaining open. Certain evidence pointed to the Germans, and when an investigation was made by the police the German officers admitted that among the crew were several men whose honesty might well be doubted, and promised to have a search made on board the vessel. Before this promise was carried out, the police observed however, that some of the missing articles had been sold by a man answering the description of the vessel's chief engineer.

In the meantime the vessel had been ordered home, and the German police authorities were notified with the result that all the stolen goods have been returned to the King. King Christian of course has made no demand for the punishment of the guilty officer.

CUT HEADS OFF MOTHER'S HENS

Cargill, Dec. 18.—"Boys will be boys" is still quite true, as will be seen from an incident in Carrick. The wife of a well-known farmer had been doing her best of late to induce her hens to lay, but her efforts proved unsuccessful. Being somewhat discouraged the good wife jokingly suggested to members of the family that the hens should have their heads cut off. Two young sons overheard the remark, and taking their mother at her word, proceeded to the henhouse the next morning with the determination to carry out their mother's wish. When the latter visited the pen some time later she was shocked to find her 50 fine hens lying in a heap, with their heads cut off, the boys having made a complete job if it.

She Knew a Windfall.

Mrs. Youngbride thought the apples the farmer had brought her were rather dirty, but he explained that this was because they had fallen off the tree on to the ground—in short, they were windfalls—so she bought them.

A week later she called the farmer's wife on the telephone. "I ordered the best cucumbers for pickling," she said sharply, "and you've sent me windfalls."

"Sent what?" gasped the farmer's wife.

"Windfall cucumbers! I can't tell; you needn't think I can't. There's dirt on them."—Boston Transcript.

A Bad Case

Eczema All Over His Body—His Legs—His Arms Covered

John Clark of Brookville, N. B., crowds a story of great suffering into a few words.

"I was tormented beyond words. I could not sleep. You could not put a pin on my whole body. I tried several doctors. They said it was scrofula. Three dollar bottles of D. D. D. is all I used. I have not had a sore for five months."

Each week we are selecting a letter from some Canadian sufferer to show what can be done to itching, burning skin disease by the clear, purifying liquid wash, D. D. D.

Stop that itch today. You are not asked to use D. D. D. for weeks before you receive results. If you don't get relief from the very first bottle we hand your money back. $1.00 a bottle. Try D. D. D. Soap, too.

Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare and really there is nothing better for coughs.

Into a 16-oz. bottle, put 2½ ounces of Pinex; then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, this mixture saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments.

To avoid disappointment ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Toronto, Ont.

YOUNG GAINS BACK ALL HE HAD LOST

Moncton Man Says Tanlac Gave Him An "All Round Building Up."

"What I needed was just an all-round building up, and Tanlac has done that very thing," said Daniel Young, Moncton, N. B., an employe of the Dominion Construction Co., at present building a round house for the Canadian National Railroad.

"Last summer I began to feel run down, was miserable all the time, didn't have any appetite at all, never ate anything at breakfast, and but very little at other times.

"My stomach was sour all the time, and no matter what I ate, or how little, it always made me suffer from indigestion.

"I was badly constipated, had headaches constantly, and often got so dizzy I could hardly stand up. I was so weak I could scarcely keep going, and my nerves were so shattered just any little thing would upset me.

"Well, instead of getting better I got worse, but one day I saw a Tanlac testimonial that described my case exactly, so I got some of the medicine.

"I have a fine appetite now, everything agrees with me perfectly, and I have gained all my strength and energy back.

"In fact, Tanlac has made me feel just like I had wanted to feel, got me in tip top condition, and I am always glad to say a good word for the medicine."

Tanlac is sold in St. John by Ross Drug Co. and F. W. Munro under the personal direction of a special Tanlac representative.—Advt.

TUXIS BOYS AND TRAIL RANGERS

BY Firelighter

On Saturday last, the "Tuxis Boys" held their Grand Camp at the "Y" and every boy had a very enjoyable time. Aquatic Tests were run off under Mr. Morton's supervision, and the gymnasium programme was in the hands of Mr. McEwen.

Portland St. "Trail Rangers" paid the "Live Wires" of St. Mary's a visit and played a game of basket-ball in which they were victorious.

Boys: Remember when planning your gifts, those who are less fortunate than you. The charitable organizations of the city will help you in finding cases—if you do not know any yourself.

Ludlow St. "Tuxis Boys" held a concert recently in order to raise money for their hall, and reports from all quarters say it was a success.

On Tuesday, St. Mary's "Tuxis Boys" will play Waterloo St. Boys a game of basket-ball.

Mr. McEwen paid Germain St. "Tuxis Boys" a visit on Tuesday and spoke on C.S.E.T. work.

The Mentors' Association held its second meeting at the "Y." on Monday and discussed various problems of importance. Their next meeting will be held on the second Monday in January. Aim to have your Mentor present.

A Merry Christmas and a Happy New York, all you "Tuxis" and "Trail Ranger" Boys and Mentors.

"FIRELIGHTER."

"Something Just as Good"

Toronto florists report a very limited supply of mistletoe for the Christmas trade. The general supply of dark corners that may serve as substitutes is happily on a par with the normal demand.
