MUD HORSES AT GRAVESEND.

Hornpipe and Rubicon Gallop Home Winners—Saragossa Scratched.

New York, Sept. 19.—The Gravesend track was fairly inundated to-day. The record-breaking rainstorm which set in yesterday continued all day, the heavy fall of water making the track look more like a canal than a race track. Less than 1000 spectators braved the storm to witness the day's sport. The first event was won by Bright Phoebus, who did not show her speed until the last furlong, when she came on and beat Rosedale very handily by a head. The second was a mere procession, Hornpipe leading all the way. There was a long delay in the third. Leonawell, the favorite, had things much to her liking, and won by a length and a half. THE CRICKET MATCH A DRAW.

The Score Stands at 155 for Canada to 177 for 9 Wickets for the United States—The Record.

Rain prevented the continuation of the Canadian-United States cricket match at Philadelphia yesterday, and the game was declared a draw. When stumps were drawn Tuesday, the Americans had scored 177 runs with the loss of nine wickets, against 155 made by the visitors in their innings on Monday. This is the first time in several years that the annual game between the United States and Canada has not been brought to a conclusion.

Last year the Philadelphians won by 4 wickets. The match was played at Rosedale, the Canadians only making 87 in their first innings, to Uncle Sam's 177. But in the second they furnished a surprise and rolled up 236, Terry getting 111 and Goldingham 50. The visitors made the necessary 147 for the loss of 6 wickets.

The committee of the Canadian Association are evidently profiting by experience, and by next year will likely secure the perfect team as far as Dominion cricket is concerned. Appeals from enterprising clubs will not be listened to, but the men selected on their merits. The match this week was a draw, practically in no one's favor, while nominally in favor of Philadelphia. The Canadian bowlers, McGiverin, Laing and Wadsworth, were in fine fettle, while the batsmen were just as confident of making a big total in the second innings as their American cousins.

Baseball Brevities.

The Parkdale Beavers failed to connect with the Guelph Maple Leafs, and there will be no game over the Don next Saturday.

Jim McGuire, the old Toronto backstop, has caught more games than any other catcher in the National League, and ranks well up in the list of players, both in fielding and batting. He has done more than his share to help Washington win its short string of victories.

The Crescents leave for London this evening, where they play the Alerts on Saturday. The following players will represent the team: Crews c, Ward p, Schnapoff 1b, Gagen 2b, Trowbridge ss, Crone 3b, Robertson lf, Hawley cf, McGuire rf, T. Ward manager.

The following nine will represent the Standards in their game on Saturday next with the Park Nine: Hepton c, Costello p, Scott 1b, Stevenson 2b, Randall ss, O'Connor 3b, Freer lf, Hester rf, Carmody cf. The game starts at 3 o'clock in Jesse Ketchum Park.

Football Kicks.

The Lornes have decided to hold practices as follows: Monday, Wednesday and Friday mornings and Tuesday afternoons on the old cricket grounds and Thursday afternoons on the old U.C.C., at 5 o'clock.

A meeting of the Toronto Intermediate Football League will be held this evening at 8 o'clock at 68 Victoria-street. All clubs already associated and those desirous of joining are requested to send two representatives.

The Fall Meeting of the Hunt Club.

From the draft program given last Saturday a slight alteration has been made in one of the open races on the program of the Hunt Club's fall races, be held on the Woodbine course on Saturdays' Oct. 6 and Oct. 13. In the fourth race of the second day's program, the Kennel Purse, open flat handicap at 7 furlongs, the conditions allow horses to be entered not to be sold, but they will carry full weight for age, while those entered to be sold receive selling allowances. Judging by the promises of local owners the open events will fill remarkably well, while the picturesque Hunt steeplechases and the Regimental steeplechase for officers in uniform are creating quite a flutter. Two entries for the regimental race have already been received from uQebec.

Turf Gossip.

Col. James E. Pepper has decided to retire from the turf, and his entire stable will be sold by auction Saturday at Gravesend. La Joya, Miss Dixie, The Queen, besides a number of good 2-year-olds, will go under the hammer.

Only Dutch Skater, 102, 8 to 10, and Victorious, 106, 9 to 10, started in the second race at Gravesend Tuesday at a mile and a quarter, and Dutch Skater had no trouble in winning, although he pulled up very lame.

It is Pierre Lorillard's intention to race almost exclussively in England for the next few years. To friends some days ago he announced he would spend the early part of the coming winter in Florida and vicinity on his houseboat Caiman, and would go to the south of France some time in March, and from there to England, in order to be on hand for the first of the racing season. Mr. Lorillard has made extensive nominations in the Derby, St. Leger, The Guineas, Oaks and others of the richest races decided abroad, and he is now on the lookout for training quarters.

Thomas Corrigan, the most accomplished and popular steeplechase jockey in Australia, was recently killed in the Grand National Steeplechase at Caulfield, Melbourne. He was riding his own horse, Waiter, and came down at a post and rails, the fourth fence on the course. He died from concussion of the brain soon after. The fatal accident was the cause of general mourning, and the funeral is said to have extended two miles and a half through the streets of Melbourne.

How those Gotham plungers do squeal when the races don't go just to their liking, and especially if Canadian turfmen happen to cross their path! The spread-eagle Herald and the loquacious World yesterday insinuated that Victorious did not try to beat Dutch Skater, although Mr. M. F. Dwyer, who had his money on the Canadian horse, was satisfied and the reliable Sun noticed that "Reagan was criticised for making a rather wide turn at the club house, and he stopped riding in the homestretch as soon as there was the slightest indication that Victorious could not win."

Athletic and General Notes.

The Jesse Ketchum junior twelve defeated the Church-street school junior team at Yorkville yesterday afternoon by three goals to one.

Dick Roche, last night, at New York, posted a $500 forfeit with J. Harry Ballard on behalf of Jacob Schaefer, with a challenge to play Frank Ives two games of billiards. The first is to be at balk line in Chicago, 600 points each night for six nights, and the second at cushion caroms at New York, 400 points each for two nights. Roche's offer is for a bet of $2500 a side on each game, the winner to take the stakes and gate receipts.

On account of the rain last night there was no practice of the Elm Lacrosse Club, so every member is requested to attend to-night, when the team will be picked for the match against the Tecumsehs on Saturday in Stanley Park.

A cable from Berlin states that the international wrestling match between Carl Abs, the champion of Germany, and Ernest Roeber, the American champion, ended in a draw. The conditions were Graeco-Roman style, Police Gazette rules, which were the only conditions Roeber would wrestle under.

Laing, Wadsworth, McGiverin, Kenny and Goldingham did the bowling against the Phillies. Laing took 6 wickets for 68 runs, and McGiverin the other 3 for 47. In 17 overs the batsmen only got 19 runs off Wadsworth. Kenny and Goldingham bowled 8 and 5 overs, allowing 14 and 13 runs.

Lord Hawke and his team of English cricketers decided not to play on Staten Island yesterday or to-day on account of the storm, and in consequence the match between his team and the New York eleven has been declared off for the present. The English team leave New York to-day for Philadelphia.

SEQUEL TO A SHOOTING SCRAPE.

Nathaniel Hutchison Charges His Wife With Insanity.

A warrant was issued yesterday for the arrest of Martha Jane Hutchison, 132 Bellem-street, on a charge of insanity. The complainant is her husband Nathaniel Hutchison. The arrest is the sequel to an attempted murder and suicide, which occurred in this city four or five years ago. Mrs. Hutchison, then Miss Maclean, came here from Innisfil Township, County of Simcoe, called at the machine shop of Hutchison & Campbell, 95 Richmond-street west, demanding that Hutchison marry her. Upon his refusal to consent, she drew a revolver and shot him in the head, subsequently taking a dose of laudanum herself. Both Hutchison and the girl recovered and in a few months afterwards they were married. Their married life does not seem to have been a very happy one, and Hutchison now claims that the woman is insane.

East Toronto Council.

The residents of that part of the village of East Toronto known as Balmy Beach presented a largely signed petition to the Village Council asking that the water on the villas lying south of the Kingston-road be allowed to withdraw from the municipality. The reason for this action is that the section named has neither police protection, light nor school accommodation. Some time ago the petitioners had asked for electric lights, but these were refused by the council and oil lamps were ordered to be erected instead. This did not please the residents, and the above is the outcome.

The council did not approve of the move, and it is likely the petitioners will take steps to endeavor to carry out their wishes.

In reference to the application of W. H. Lucas, W. H. Givens and Joseph Hind, asking that that portion of the village north of the G.T.R. tracks and east of Dawes'-road be taken off S.S. No. 6, the matter was left over until the School Board bring in a report.

The back taxes due the village was discussed at length. A motion moved by Mr. Morton was passed instructing the County Treasurer and Reeve Richardson to take necessary steps to collect all back taxes.

It seems that the treasurer of the village has failed to comply with the statutes for the past four years in returning to the County Treasurer a list of all lands on which the taxes have not been paid. The excuse which the treasurer gives is that the collector did not hand in his roll, and the then reeve, D. G. Stephenson, did not see that the officials performed their duties. This may be accounted for by the fact that the reeve's taxes on a large amount of property he held were not paid. The last auditors' report showed that over $8000 are due for taxes, and it is now doubtful whether the amount can legally be collected on account of the action of the village officials.

The report of the County Treasurer and the Reeve will be looked for with much interest at the next meeting of the council.

Opening of the Ontario Veterinary College.

We beg to call the attention of our readers to the advertisement of the Ontario Veterinary College. This admirable institution will open for the session of 1894-95 on Wednesday, Oct. 17. The prospect for a successful session are at least equal to former years. The Principal, Professor Smith, has just returned from Europe and has visited and inspected the leading veterinary colleges of Great Britain and the Continent.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhea, and have to use great precautions to avoid the disease. Change of water, cooking and green fruit is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced. d

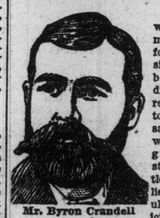
Rheumatism Cured



Mr. Byron Crandell

"In July last I was taken with rheumatism in its worst form. Local physicians treated me, but their remedies did not give me any relief. I was advised to give Hood's Sarsaparilla a trial, which I did. I take great pleasure in stating that two bottles gave marked relief. Continuing regularly with the medicine, I am now cured. While afflicted I was frequently obliged to use crutches. I cannot recommend Hood's Sarsaparilla too highly. BYRON CRANDELL, engineer at Water Works, Toronto Junction, Ont.
