DO YOU KNOW

that the musical qualities of the piano depend almost entirely upon the accuracy and excellence of the tuning, and the proper condition of its action? A very common instrument when put in fine condition by an expert tuner is more valuable as a musical instrument then the most expensive instrument when out of tune or in need of action regulation.

All description of piano repairs can be accomplished. The entire instrument can be rebuilt if necessary.

Scientific Compounding.

We have always made a specialty of prescription work, and as a result we are favoured by both the physician and the public. Our stock of prescription drugs is very complete and of the highest quality. The equipment of our prescription department is modern in all its details. We employ a checking system that removes the possibility of error, and our prices are as low, as can be made for perfect service.

Cash Register Bargains.

We have a number of unused up-to-date National Cash Registers (including some with separate drawers) as good as new, which have been in stock for some time and which I am authorised by the Company to offer at specially reduced price. Saving from $30.00 to $250.00. These machines will be sold with full supplies and guarantee within the next 10 days to the first comers on very low terms of payment without interest. During the same period we will make special allowances on old style machines taken in exchange.

NOTE:—These special prices cover 18 Cash Registers and Credit Account Files, the prices being based on the new reduced selling price and lowered duty.
