NOW THEY'RE DOWN TO THE FINALS

Berlin and Stratford Left for the Last Tug.

SOME GOOD GAMES YESTERDAY

Result of Play in the Association Series —Gosnell's Crack Playing—Notes of the Contests.

The Dutch Companie, represented by Eddie Seagram, and Tom McCurdy, of Stratford, will fight it out today for the Labatt trophy, the blue ribbon of the bowling world. Both rinks have come up through the long series through no flukes, but have bowled well and true, and when they meet in the finals there will be some excitement every minute.

By the way, the semi-finals did not develop any sensational play at all. The McCurdy-Aspinall game was a runaway game for the Classic City boys, Aspinall not being able at any time to get his team into their stride. The luck broke badly for him at that, and he was soon hopelessly out of it. McCurdy got a seven end right soon after the start, and after that there was nothing doing for the Pan-drieds.

The other semi-final game was much better, and was attended by a good gallery. Eddie Seagram started badly, and before he could get the way of the ice, Crawford had him seven down. The German kept coming, and began to draw up on the Wingham bunch. At the sixth end he had one to the good, but the northerners came back hard with a bunch of three. Eddie evened it up on the next one, and the pair seesawed this way until the fouteenth end, when the score was a tie. Eddie won out in the next end. Crawford's boys got on the bad side of the green, and their shots all went fast. In the meantime, Eddie was bunching the Dutchmen, and when they cleared the ice, Seagram had six on the right side of the ledger. Crawford was game, but he could not get up, and the Germans were seven to the good at the call of time.

Eddie Seagram's score was 23. Wonder if there is anything ominous in that score?

It was simply a caution the way that the London rinks hit the slippery slope. When the dawn broke, there were several in the Association, but when the sun set, there were none there, and mighty few anywhere in sight. Still, we certainly do like to be good to our visitors, and have been so. For proof consult the dope sheets.

The rinks with the big reputation have nearly all been whipsawed to death, and many are now trekking for the haven of rest where none can blame the other fellow for rotten shots—the singles, and perhaps the doubles.

Del Marr's trophy winners are down and out of the whole business. So is Dr. Hawke, and Tony Tillmann and—but what's the use?

John Hayes, of Finchamp's Canada rink, remarked as he came in from his customary trimming: "Sacrificed on the altar of good fellowship." John is a good one.

One skip won a game, and as he came up to the score board, he remarked, "I got one scalp, but there is mighty little blood on it."

"Kind and Gentle Mary," sung with much feeling semed to soothe a certain bowler, as he packed away his bowls until he returned home.

Bowling is a funny game and the

TENDERS FOR STEEL BRIDGES

Sealed tenders addressed to the undersigned and marked on the envelope "Tender for Steel Bridges," will be received at the office of the Commissioners of the Transcontinental Railway until 12 o'clock noon of the 14th day of August, 1906, for the construction and erection of the steel superstructures and floor system (with ties and guard rails complete) required for bridges at the points named below, the said superstructures to be manufactured and ready for shipment on or before the dates set opposite the respective bridge sites, as follows:

River aux Pommes, Sept. 1, 1906.
River Jacques Cartier, Nov. 1, 1906.
Crossing C. P. R., Nov. 1, 1906.
River Portneuf, Dec. 1, 1906.
River St. Anne, Jan. 1, 1907.
River Noir, Feb. 1, 1907.
River Charest, March 1, 1907.
River Batiscan, April 1, 1907.

Plans and profiles may be seen, and full information obtained at the office of the chief engineer at Ottawa, or of the district engineer at Quebec.

Tenderers must submit designs of superstructures with stress sheets, all to be in accordance with the general specifications for steel bridges of the Department of Railways and Canals of the Dominion Government, 1905. The class of load to be used is that designated "Heavy" in the said specifications.

Tenders will be received for one or more of the superstructures required.

Each tender must be signed and sealed by all the parties to the tender, and witnessed, and be accompanied by an accepted check on a chartered bank of the Dominion of Canada, payable to the Commissioners of the Transcontinental Railway, for a sum equal to ten per cent (10%) of the amount of the tender.

The right is reserved to reject any or all tenders. By order,

P. E. RYAN, Secretary.
The Commissioners of
The Transcontinental Railway.
Dated at Ottawa, 18th July, 1906. 86n

SIR ROBERT HART SOON TO RETIRE

New Chinese Customs Board to Assume Executive Duties.

Pekin, July 26.—Sir Robert Hart, who is stopping at the seaside, has written to a friend in Pekin that he has finished his work for the Chinese customs, and proposes to devote a few months to arranging his affairs and then retire to England.

Sir Robert's decision appears to confirm the evidences that the new customs board proposes to assume executive duties. No one expected that he would accept a secondary position in the service he has directed for nearly half a century.

The return of Prince Tsai Tche and his retinue to Pekin after a tour of the world has caused remarkable precautions. Their departure in September last was the occasion of bomb-throwing by which several bystanders were killed.

They feared a repetition of the attempt at assassination of the conservatives. The railway was strongly guarded by troops and police, and a pilot engine preceded the special train which skirted the city instead of entering the main station.

The prince and his retinue alighted unexpectedly at the station and hurried to the palace, where they were received in audience by the Emperor.

CITY HALL CONDEMNED.

San Francisco, July 26. — The city hall, which cost $7,000,000, was formally declared unsafe at the meeting of the board of public works yesterday and notice was served on the police department that its station in the building must find other quarters. The entire building was condemned.

MOTHER GRAVES' Worm Exterminator has no equal for destroying worms in children and adults. See that you get the genuine when purchasing.

There is always the danger that every man will become the hired man and every mother the hired girl to their family.

A MAGIC PILL.—Dyspepsia is a foe with which men are constantly grappling, but cannot exterminate. Subdued, and to all appearance vanquished in one, it makes its appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrument, in which even a breath of air will make a variation. With such persons disorders of the stomach ensue from the most trivial causes, and cause much suffering. To these Parmelee's Vegetable Pills are recommended as mild and sure.

If a man will studiously practice looking wise it will go for the real stuff with most people.

WE HAVE no hesitation in saying that Dr. J. D. Kellogg's Dysentery Cordial is without doubt the best medicine ever introduced for dysentery, diarrhea, cholera and all summer complaints, seasickness, etc. It promptly gives relief and never fails to effect a positive cure. Mothers should never be without a bottle when their children are teething.
