Reconnaissance $20.60 and Verity $12.00, the Long Shots to Win Friday

THREE FAVORITES, TWO SECOND CHOICES AND TWO LONG SHOTS WIN ON SIXTH DAY

Prince of Wales Handicap, the Feature Race, to Dr. Hickman—Jockey Willis Rides Two Winners—Halter Men Again Busy.

Three favorites, two second choices and two long shots won on Friday at Woodbine Park, again in ideal weather and with another large attendance. Aconi, Lord Herbert and Dr. Hickman were the public picks to win. Yaphank and Shandon second choices, and Reconnaissance and Verity the long shots. The four beaten favorites, Roselyn, Key Mar, Waac and Almino finished inside the money. Willis rode two winners. The fields were large.

The opener was a drive the last quarter, Yaphank standing it gamely to stall off the long shot, Azreal. Roselyn, the favorite, again started slowly and her best the show, tho within a head of the place.

Shandon, another second choice, won the next race, taking the lead on the back stretch for an easy win; Sweet Apple, a long shot, second, in a close finish with Key Mar, the favorite.

Another for Commander Ross.

Aconie, from the Ross stable, was the first winning favorite, scoring easily when Claver gave him his head; Fair and Warmer second, 15 lengths back, and P. Moody holding the show for Jim Petrie.

Another Public Choice.

Lord Herbert trailed the bunch in the fourth to the turn and then won going away. Belario second alone, Ettahe getting the judges' award for the show for the other two.

The Dyment filly, Reconnaissance, upset the army of bad gueseers in the race for Canadian two-year-old fillies, beating the odds-on choice, Waac, all the way. Gallipot third. Eniled was the contender for a couple of furlongs and then dropped out.

Dr. Hickman, the third favorite to win, was the best at the weights in the handicap, tho they all finished well together. The winner waited for a stretch run and then won easily. Charlie Leydecker and My Boots second and third. Marmite looked good for five furlongs and then stopped.

Wise stable money was on Verity in the closing event, and the mare won at every post, tho Almino made it a close finish. Yowell was third all alone.

The Halter Brigade.

Five claims were put in for Kama after the seventh race on Thursday, and in the drawing W. Smith secured the horse for $1,350. This morning he sold the horse back to his former owner, W. J. McIlmurray at an advance of $200. G. B. Hennessy claimed Britain's Ally from Harry Giddings for $1,395. And there were more halter men busy yesterday.

T. D. Taylor took Fair and Warmer out of the third race for $1,180.

Jockey Houpel, who rode Primo in the last race, was warned for crowding.

Two were claimed in the fifth race, R. W. Coure taking Waac from Commander Ross for $1,370, while Mr. Dyment kept Reconnaissance after the winner was boosted up to the same figure.

A petition has been handed to the judges, signed by a large number of the horsemen racing here, asking for the adoption of the Kentucky claiming rule at the tracks operated under the jurisdiction of the Canadian Racing Association. Quite a bit of dissatisfaction has been engendered by the rule in vogue here.

Another petition is being circulated by W. Walker, looking to the alteration of the apprentice rule as that the five-pound weight allowance will be given all apprentice boys on all mounts until one year after they have ridden the first winner. Under the present arrangement the allowance is in effect for one year on contract mounts, but not on outside mounts after fifteen winners have been ridden.

There will be a meeting of the stewards of the Canadian Racing Associations at the Woodbine today for the purpose of considering several matters of importance incident to the current meeting. Among the cases expected to come up are those of J. B. Crawford and J. W. Graver, owner and trainer, respectively, of the horse, Uncle John. Graver is reported to have refused to bring Uncle John to the paddock recently altho he had been denied permission to scratch.

Steeplechase Jockey Archibald is an arrival from New York.

BIG WIND IN WEST.

Saskaton, May 28.—The heaviest windstorm of the season is doing considerable damage to the wheat crop today particularly on light land. Grain in many places is now sufficiently well advanced to avoid damage but there is no doubt that today's wind will do considerable damage.

NO MORE TEN PER CENT. FOR THE JOCKEY CLUBS

There's one official that a certain race track west of Toronto, in Ontario, must do away with, viz., the man who picks up a handful of $20 tickets on the winner after the race is over. The new Dominion government bill provides for government supervision of tracks, mutuel betting only, and the clubs are to take percentage of the total amounts wagered per race, on a graded scale, as follows:

$20,000 and under.... 7 per cent.
$30,000 and under.... 6 per cent.
$40,000 and under.... 5 per cent.
$50,000 and under.... 4 per cent.
$50,000 and over.... 3 per cent.

The clubs are to get the breaks under 5 cents and multiples of five, as has been the custom.

The new bill will sure become law inside a couple of weeks, and thus Woodbine Park and Thorncliffe are the only Ontario tracks that will be able to grab 10 per cent., with the breaks. The Ontario Jockey Club has been able to sit back and hand over the $7500 per diem without turning a hair.

Now that the Ottawa government are making an effort to protect the public, it would be in order for Premier Drury to repeal the big tax law, if the house was not due to prorogue, and let the sport of kings prevail, that attracts 20,000 representative citizen spectators on a single day. Or an order-in-council might assist.

It will be interesting to see what the jockey clubs that are scheduled to race after Thorncliffe Park will do.

Ottawa or Hamilton will have the first crack at the new conditions.
