REMEMBER

The only original and genuine WISTAR'S BALSAM OF WILD CHERRY, was introduced in the year 1838, and has been well tested in all the complaints for which it is recommended. For ten years it has proved more efficacious as a remedy for Coughs, Colds, Influenza, Bronchites, Asthma and Consumption in its incipient stages, than any other medicine.

SETH W. FOWLE, Druggist, No. 138 Washington street, Boston, Mass., is the sole proprietor of the original receipt for the manufacture of the genuine medicine, and supplies both at wholesale and retail, and of whom agencies can be obtained.

Dr. Wm. A. Shaw says, "I heartily wish success to your medicine. I consider every case of arrest of the fatal symptoms of pulmonary disease as a direct tribute to suffering humanity; and so hopeless are those cases generally that physicians are always justified in using any remedy which has signally benefitted others. One thing is certain: the public always have a guaranty that patent medicines will generally be sustained only just so long as they are well prepared and continue to relieve or cure."

In a more recent letter he says—"As Wistar's Balsam of Wild Cherry is the only patent medicine to which I have ever given my public recommendation, I shall not be suspected by the candid of giving rash or precipitate testimony as to what I have seen and heard of its effects."

None genuine without the written signature of I. BUTTS on the wrapper.—For Sale by S. L. TILLEY, King Street, Saint John, N. B.

MECHANICS' INSTITUTE.

Provincial Manufactures, AND PICTORIAL, HORTICULTURAL & FLORAL EXHIBITION.

THE Directors of the ST. JOHN MECHANICS' INSTITUTE are making arrangements for the above Exhibition, which will take place at the Hall of the Institute on Wednesday and Thursday, the 10th and 11th September next.

As the object of the Directors is to carry out the intention of the Institute, by affording an opportunity for the development and display of Artistical and Mechanical Provincial Talent, and at the same time by increasing the funds of the Institute, to enable them to make it more attractive and useful—the Members and friends of the Institute are earnestly requested to aid the undertaking.

This being the first public opportunity our Artists and Mechanics have had of exhibiting their ingenuity and skill in the Fine Arts and Domestic Manufactures, it is earnestly hoped that the scheme will meet with that approval and aid from the great body of the people which its importance deserves, and without which it cannot be successfully carried out.

During the Exhibition there will be a CONCERT of Vocal and Instrumental Music

With a view to encourage social and friendly feelings among the Members of the Institute, it is proposed to have a PIC NIC to the Bellisle on THURSDAY, the 17th July next, for which a suitable Steamer will be engaged

Contributions of Domestic Manufactures are solicited from all parts of the Province.
