WOMEN'S CANADIAN CLUB

The executive of the Women's Canadian Club met at the residence of Mrs. R. A. Stuart, Hon. President, on Thursday afternoon to decide on matters connected with the December meeting. It was arranged that the meeting should be held in Paul's Hall on Wednesday evening, Dec. 6th, and that it should take the form of a social evening. Cards, games, puzzles, competitions and a variety of amusements, will be provided, and very industrious members are invited to bring their work. The difficulty of obtaining sufficient seating accommodation in Paul's Hall has been overcome in a most pleasant manner. Mrs. A. D. Wetmore, of Truro, has very kindly given the Club the free use of the chairs in the Stevenson Hall. A very hearty and unanimous vote of thanks was extended to Mrs. Wetmore. It was announced that the Education Committee had met and agreed that this year the Club's School Prizes should be given to Grades 4, 5, 6, one prize for each Grade, and should be awarded to the scholar who comes at the head of his Grade in the spelling matches which will be held in June. The children had been told of the Club's intention by the members of the Education Committee, and it is likely that there will be some very accurate spellers in Grades 4, 5, 6 by the time June arrives.

LIEUT. J. L. MALLORY IN TOWN

Lieut, J. L. Mallory, of Toronto, recruiting officer for the Canadian Engineers in Military District No. 2 came up from Toronto yesterday and spent the day in company with Sergt. Andrew L. Sibbald, who has been recruiting here for the last few weeks. Lieut. Mallory is hopeful of securing a large number of tradesmen and young farmers in this vicinity for the special military work undertaken by this branch of the service. In Grey County he expects that a large num ber of farmers will take advantage of this chance to go overseas, as they are epecially valuable in this department as horsemen. In speaking to *The Sun* yesterday he said that fully 20 per cent of the Engineering Battalions were men to handle the horses He said: "This war has developed largely into an engineering war—previously the engineers were mere factors in warfare and were not called upon to take the great responsibilities." From Canada, 325 engineers are sent each month, and of this 50 to 60 must go from District No. 2. Lieut. Mallory said that only men with special knowledge of one of the different trades could qualify for this battalion—Carpenters, Bricklayers, Plumbers, Electricians and Farmers. The work undertaken by the Engineering Corps includes water supply, roads, sanitary arrangements, construction of rest billets, etc. It is chiefly the work of supervision and differs entirely from the Construction Battalion, in that special training is necessary. Lieut. Mallory will return to Toronto this afternoon, but Sergt. Sibbald will remain in Owen Sound and vicinity for some time yet. He has his head quarters at J. W. Clark's 8th St. East.—*Owen Sound Sun,* Nov. 10.

RED CROSS SOCIETY

The Red Cross Society in this province has been making special efforts to increase its funds. The provincial treasurer, Lady Tilley, has made urgent appeals for this purpose and has succeeded in raising $4,249.92. Of this the following amounts were contributed by Charlotte County:

Milltown Red Cross, $527.10.

St. George, $100.10, (collected by ten school girls, Muriel White, Eulalia O'Brien, Marjory Hibbard, Helen McGee, Myrtle Dunbar, Geneve Hennesey, Mary Lawrence, Bertha Philips, Eula O'Halloran, Alice O'Malley.)

Beaver Harbor Red Cross $30.00.

Wilson's Beach Red Cross $28.00.

The St. George Branch of the Canadian Red Cross Society held its second annual meeting on Thursday. Nov. 9, 1916. The Treasurers statement showed total receipts $1258.99. Expenditure $1065.18, $300.00 of which has been sent to Lady Tilley for hospital supplies, and the Society has taken two beds in the Princess Patricia Hospital, at Ramsgate, Eng. During the year 6 shipments have been made, containing in all 266 field shirts, 229 hospital shirts, 707 pairs of socks, 5 operation stockings. 46 Christmas stockings have been sent to Hospitals for our Canadian wounded, 12 of which were donated by the Ladies of Back Bay and 9 others by a class of girls in Back Bay Sunday School. The Society has also filled and dispatched 61 stockings for our own St. George boys in khaki. Special collection was made for this latter object.

Officers for 1916-17 are: Pres., Mrs. S. J. Clarke; Sec., Mrs. W. H. Johnson; Treas., Mrs. Hattie O'Brien.

The Bocabec Red Cross Society elected the following officers:

President, Mrs. Charles Groom; Vice Presidents, Mrs. George Holt, Mrs. Chas. McKay, Mrs. Jas. McMillan; Sec. and Treas., Mrs. John McMillan; Knitting Committee, Mrs. Chas. McCullough; Purchasing Committee, Mrs. Os. Mitchell. The Society will be glad to welcome any new members to help us do our "little bit" for the boys who are working and suffering for us.

The Society has shipped the following: 18 sheets, 107 pillow cases, 65 hospital shirts, 17 suits of pyjamas, 47 pairs of socks.

The Society acknowledges with thanks the receipt of the following contributions:

Mrs. Clara Fosberg, Dorchester, Mass., $5.00; Mrs. James McMillan, Bocabec, 2 prs. of socks; Mrs. John McMillan, Bocabec, 2 prs. of socks; Mrs. Chas. Hanson, Bocabec, 2 prs. socks; Miss Maud Wren, St. George, 2 prs. of socks; Mrs. H. Osborne Mitchell, St. Stephen, quilt.

The St. Andrews Red Cross Society met on Wednesday afternoon for the last time this year. The next meeting will be held in All Saints schoolroom on Jan. 3, 1917. All the finished garments were packed on Wednesday in a large case, and have been forwarded to St. John for shipment overseas. The list of contents which follows is evidence that the case will be a very welcome one when it reaches its final destination:—6 filled kit bags, 9 nightshirts, 84 prs. socks, 500 mouth wipes, 6 sponges, 6 prs. wristlets, 4 pgs. bed stockings, 1 pr. kneecaps, 2 prs. mittens.

Though there will be no meetings of the Society before the New Year, it is hoped that work will go on as usual and that another case can be shipped on Jan. 3rd.

The money contributed to the Society by the gentlemen of the Town during the month of October has been used to install a "St. Andrews" bed in the Canadian Hospital at Ramsgate. Concerning this the Society has received the following letter from Lady Tilley:

St. John, N. B.
Nov. 15, 1916.

Mrs. Fred Andrews,
Treas. Red Cross Society,
St. Andrews, N. B.

Dear Mrs. Andrews:—

Your letter of the 9th containing cheque for Fifty Dollars amount collected for October, reached me a few days ago and I am now enclosing receipt for same.

In forwarding this amount I will ask that it be used for the purpose of installing a bed in The Princess Patricia Canadian Red Cross Special Hospital at Ramsgate, the gift of the Red Cross Society of St. Andrews, N. B., so that your Branch will be represented there with many others from New Brunswick

Thank you as always for your great interest in the work, and with kindest regards in which Miss Clements joins me, I am,

Sincerely yours,
ALICE TILLEY.

A LETTER OF INTEREST

Charing Cross Hospital
London, England
November 5

Mrs. Greenlaw, Dear Friend:—

Just a few lines, hoping it will find you and your family enjoying the best of health. Dear friend, before I proceed any further I might state who this letter is from, I am Pte. Madden, of 11th Platoon, 26th Battalion, and I was wounded on the 17th day of September in the battle of Courcelette on the Somme, and it was your son Ernie that dressed my wounds, and dressed them in good shape, and I will take off my hat to your son, Ernest Greenlaw, the boy from St. Andrews, a stretcher bearer, who is second to none on the Western front to-day. Mrs. Greenlaw, I know you will feel proud when I tell you that your son's name has been mentioned more than once for his splendid work in attending to the wounded. And I must say St. Andrews should be proud of such a boy. I must now close, wishing you and yours the best of luck.

Pte. T. F. Madden

LETTER FROM THE FRONT

Miss Maud Weddall
St. Andrews, N. B.

Dear Miss Weddall:—

Last evening while looking in Red Cross stores for the patients in the tents, I came across a delightful surprise, your two pairs of lovely bed socks. It is the first thing I have found for the sisters and finding it on such a cold night made the surprise doubly pleasant. I must confess to being selfish and keeping one pair for myself, using them that very night. I really wish you knew the pleasure they gave us.

Your note I see is dated Oct. 13, 1915, your gifts came to light on Oct. 22, 1916. This is no new thing to us. In May 1915 I was amused to receive a calendar gay with stickers and wishes for a happy Christmas. posted in Canada in November 1914.

It interested me to see you were from New Brunswick. I am a Nova Scotian but I have a warm spot in my heart for New Brunswick.

We are now in deep preparations for a Hallowe'en party. This perhaps sounds frivolous to you, but these little gaieties give the whole unit, as well as the patients, a new lease of life. You probably know that we always celebrate July 1. It is simply wonderful what we can do with the materials at hand.

I am keeping your address, perhaps after the war I may come across you. We daily, almost hourly, bless the women at home who work so faithfully and unselfishly and make so many comforts for our patients possible, which without their effort would be quite out of the question.

With sincere thanks
A. C. STRONG, Matron
