Mrs. George Waterbury's

CELEBRATED DINNER PILLS!

A sure remedy for Indigestion, and all bilious and Liver Complaints. Made by her daughter, Mrs. E. H. Lester.

THE above Pills having stood the test over forty years, and being prepared with great care and study, nothing cheap or impure being tolerated in their composition, are perfectly safe to administer to the most delicate constitution. They never reduce the patient; no cessation from business or any unusual change is ever necessary. They never render any one more liable to take cold, containing no dangerous drug, they act as kindly on the tender infant, the most delicate female, and infirm old age, as upon the most vigorous and athletic system, exercising the most healthful influence on the whole system, invigorating the debilitated organs, building up the flagging nervous energies, imparting vigor to body and mind, and bringing every faculty into healthy play.

To Females, from the peculiar affections that attend them when they are arriving at maturity, and also at the decline or "change of life," they are the best remedy and assistant that can be used.

What may seem almost incredible is the astonishing rapidity with which they cure diseases hitherto considered incurable.

Numbers of our first-class families keep them constantly on hand for the various ills of life, and rely on them implicitly.

They are sold with the understanding that they exceed their recommendation, and are the best Household Medicine extant.

For sale at all Drug Stores.
