HE SAW THE SUN SPOUT UP FLAME

Oxford Professor Claims to Have Seen 325,000 Miles of Blazes On Old Sol.

Oxford, Eng., Nov. 15—A remarkable outburst on the sun was observed by Professor Ambau, director of the Radcliffe observatory at 11.45 this morning. An immense flame shot up at the rate of over 10,000 miles a minute until it reached a height of 325,000 miles.

At ten minutes past twelve it broke into fragments and disappeared.

Sun spots and solar disturbances have been observed for some days past. It has been predicted that they would reach their greatest magnitude about the middle of November, and that they probably would lead to violent magnetic disturbances on earth, causing storms, floods, volcanic disturbances, and earthquakes. Professor Edward C. Pickering, of the Harvard observatory, said two days ago that he expected the sun spots to be attended by an earthquake, but not of sufficiently grave consequences to cause trouble.

Mrs. Arthur Haverstock Makes Public Statement

Tells of Her Belief in the Undying Merit of Dr. Hamilton's Pills

Halifax, N. S., Aug. 4—When interviewed at her home at 194 Argyle street, Mrs. Haverstock was quite willing to talk of her peculiarly unfortunate case. "I was always 'blue' and depressed, felt weak, languid and utterly unfit for any work. My stomach was so disordered that I had no appetite. What I did eat disagreed. I suffered greatly from dizziness and sick headache and feared a nervous breakdown. Upon my druggist's recommendation I used Dr. Hamilton's Pills.

"I felt better at once. Every day I improved. In six weeks I was a well woman, cured completely after different physicians had failed to help me. It is for this reason that I strongly urge sufferers with stomach or digestive troubles to use Dr. Hamilton's Pills."

Dr. Hamilton's Pills strengthen the stomach, improve digestion, strengthen the nerves and restore debilitated systems to health. By cleansing the blood of long standing impurities, by bringing the system to a high point of vigor, they effectually chase away weariness, depression and disease. Good for young or old, for men, for women, for children. All dealers sell Dr. Hamilton's Pills of Mandrake and Butternut.

Robert D. Kirk

Antigonish, N. S., Nov. 15—Robert D. Kirk, ex-mayor of this town and head of the dry goods firm of A. M. Kirk & Co., died suddenly here this evening. He was about 45 years of age and for many years was closely identified with commercial affairs in eastern Nova Scotia and Newfoundland. To his wide circle of friends and acquaintances the news of his death will come as a surprise.

"How's Your Stomach"

is the way people in China say "Good Morning." The greeting of almost every nation is an inquiry after health. The Chinese have the root of the matter. A strong stomach is the foundation. Look after this organ and the general health cares for itself. Man is so constituted it cannot be otherwise. It is the mission of

BEECHAM'S PILLS

to keep the stomach well, the liver active and the bowels regular. They dispel sickness and create health. **Dyspepsia, Indigestion, Biliousness** or **Constipation** cannot exist when **Beecham's Pills** are used according to directions. For over **50 years** they have cured disordered stomachs, and are now a world-famous remedy. They merit your confidence.

NO CHANCE FOR BUTTER TO GET ANY HIGHER

(Special to The Telegraph.)

Ottawa, Nov. 15—J. A. Ruddick, dairy commissioner, says that the limit has been reached in the price of butter in towns and cities. If it goes higher it will be met with the imported article. Denmark butter can be placed on the market here profitably at 30 cents per pound. There need be no fear, therefore, of the price going up, as some said, to 50 cents.

There is a plentiful supply in Europe this year. The ruling price of butter in London is now 24 cents and it can be marketed here at an additional four or five cents.

FASTEST FIGHTING CRAFT IN THE WORLD

British Destroyer Mohawk Made 40 Miles An Hour in Test Yesterday.

Cowes, Isle of Wight, Nov. 15—Great Britain, not content with possessing the largest warship in the world in the Dreadnought, has constructed the fastest fighting craft in the destroyer Mohawk. On her official trial in the North Sea today, the Mohawk maintained for six hours a mean speed of 34 1-4 knots an hour. In six runs over a measured mile, she traveled at the rate of 34 1-2 knots an hour. This is equal to forty miles. The Mohawk is fitted with steam turbines and a water tube boiler, using oil.

ARE INJURY TO CANADA

Ministerial Appeals in Britain for Aid to Canadian Churches Have Deterrent Effect On Immigration.

Montreal, Nov. 15—The Star's London correspondent cables:

"I say," remarked a well known English public man, whom I met on the street this morning, "why don't your prosperous Canadians look after your own missionaries and Indians, and pay for your own religious agencies, without sending your parsons begging to a country like this that, God knows, has poor people and slums enough of her own."

He held a paper with a half column statement by Archdeacon Lucas, of the MacKenzie diocese, who is now here. Other Canadian clergymen have been here of late to collect funds. The average Englishman knows no more of Canadian conditions than the average Canadian knows of English conditions. After listening to these clergymen's tales of terrible isolation the Arctic frigidity and semi-starvation, set out to lure money from the soft-hearted, religious minded people, the average English audience is only too apt to associate it all with the land, which Canada is now striving, at great expense, to induce Englishmen and women to settle on. Canada is thus repeatedly placed in a most undignified, even contemptible position.

The Canadian government emigration workers here admit that the effect is most harmful to Canada's best interests. As one of them said today: "Every self-respecting Canadian must be ashamed to see these perpetual presentations of Canada before British audiences as too poor, or too mean to carry out her own religious missionary work. What Canadians themselves will not pay for, they may well do without. These appeals to Englishmen should be stopped and at once."

Thousands Acquiring the Dope Habit

The dope habit is being acquired by thousands of Canadians through using so-called cures for Catarrh containing an excessive amount of alcohol and other dangerous drugs. Doctors claim there is only one safe and certain cure for Catarrh—fragrant healing Catarrhozone which cures by medicated vapor that is breathed direct to their seat of the disease. The balsamic vapor of Catarrhozone kills the germs, heals sore spots, stops dropping in the throat, keeps the nose clear and permanently eradicates every trace of catarrh from the system. Catarrhozone can't fail; it's guaranteed. Two months treatment $1.00; trial size 25c.

ILLEGAL MARRIAGES

Rev. Robert Brown, of Toronto, Had No Authority to Perform Matrimonial Ceremonies.

Toronto, Nov. 15—(Special)—Rev. Robert Brown, who has married a number of white girls to Chinamen, and who calls himself the pastor of the Chinese church, was found guilty today of performing marriages without authority. The case will be taken to the court of appeals, and in the meantime Brown must not perform any marriages.

Plain Face?

Your doctor understands the formula of Ayer's Hair Vigor. Ask him about your using it. Do as he says. He knows.

Did nature give you a plain face? What of it? Make your hair so handsome that every one will forget your face. Make them talk only of the softness, richness, and marvelous beauty of your hair. Ayer's Hair Vigor, "the new kind," does not color the hair.

TRIED TO KISS HER

Taunton, Mass.—The unwritten law of Ireland is cited as a defence for a policeman accused of attempting to kiss a pretty girl. In certain parts of Ireland, it is the custom of a constable, after escorting a pretty girl to the end of his duty, to say, "Now, isn't that worth a kiss?" Nine-tenths of the Taunton women are in sympathy with the policeman.

A pretty woman is irresistible. It is easy to be beautiful—with well rounded figures, clear skins and sparkling eyes. Mrs. Jackson, of Toronto, writes: "I have finished my second box of Fruit-a-tives, and can say they were just what I needed. I never thought my health could be improved so much in so short a time. I feel better than I have for years." As a blood purifier—and general tonic to build up the whole system—Fruit-a-tives are wonder workers. They are made of fruit juices and tonics. 50c. a box. At all dealers.
