SECOND-HAND STOVES wanted at Foxgord's, 1608 Douglas. Phone L1482.

COAL

We desire to call the attention of the public to the advisability of laying in during the months of August and September their winter supply of coal. During these months roads are in good condition and deliveries, especially to the outside districts, can readily be made. If this is not done, then, when the rainy season arrives and the roads are in bad condition, deliveries cannot be guaranteed.

Whenever a cold snap has come in the past the demands on the coal dealers have been more than they could possibly take care of, but if the public will take the precaution of laying in early and maintaining a reserve supply this trouble can be minimized.
