MC 2035 POOR DOCUMENT

SUCCESSFUL OPENING OF CARLETON FAIR FOR SOLDIERS' COMFORTS

Several hundred persons attended the patriotic fair at the West Side immigration hall last evening for the opening. It was even a greater success than had been hoped for and the Soldiers Comfort Association, for whose effort to send out Christmas boxes to the Canadians in the trenches it was organized, will receive a substantial sum as the result of the fair, which is to be continued for the rest of the week. The hall had been capitally decorated with flags and green foliage, so that it looked cosy and attractive. The Carleton Cornet Band played selections during the evening and later there was dancing for which Messrs. Morgan and Dightman provided the music.

During the afternoon there was a large gathering of people, nearly all from the West End, who had looked upon the fair as their own particular idea to help the patriotic movement.

The tea table was under the care of Mrs. John McLeod, Mrs. W. E. Scully and Mrs. Owens, and the tea had not only been donated by G. E. Barbour, Ltd., but Mr. Barbour attended to see to the pouring. The candy table was in charge of Miss N. Tobin and Mrs. Allingham; the apron table, Mrs. Martin and Miss Sampson; soft drinks, Mrs. Horace Peters and Mrs. John H. Lee. Frank Belyea and Harold Mayes looked after the games and Miss "Louise" told fortunes. Miss Lee and Miss Tobin saw to the grab bag, and the fish pond was in charge of Miss Browning.

All the prizes had been donated by merchants in the city, and it is expected that the expenses will be very small so that the gross proceeds almost will go to the fund. The committee of ladies in charge of the general arrangements were Mrs. A. W. Fraser, Mrs. A. J. Mulcahy (convenor), and Mrs. Arnold Martinson. Mayor Frink was present during the evening.

The prize winners in the competitions were: Nine pins, C. Ferguson; air gun, G. Connors; babies on the block, A. Curry; Kill the Kaiser, W. Brennan; gentlemen's bean bag, J. A. Gregory; ladies' bean bag, Miss Tobin; excelsior, E. O. Leahey; bagatelle, A. Maxwell.

Fifty grand prizes in the patriotic drawing.

HOBOKEN OR NEW YORK?

Mrs. Hetty Green Lives in Each City "Some of the Time," But is Classed as a "Non-resident" in Both.

New York, Oct. 20—One of the latest stories concerning Mrs. Hetty Green, "the richest woman in the world," is to the effect that she is again occupying a $8-a-week furnished room at 1211 Washington street, Hoboken. An investigation, however, shows that she lives at that address only some of the time, and that she is "somewhere else" the rest of the time.

She goes to her little room in Hoboken—when she goes—on a fery boat which arrives there at 5 p. m. Mrs. Green's Manhattan abode is said to be at 5 West 19th street.

Mrs. Green's name does not appear on the tax list of New York because she is classed as a non-resident. Her name does not appear on the tax list of Hoboken for the same reason.

Jacques van Twisk, janitor of the "barracks," a row of queer yellow buildings which includes 1211 Washington street, admitted that Mrs. Green has been inhabiting for several days each week for the last few months the room above referred to.

POPULAR POLICY AT GEM THEATRE

Double Bills Attracting Interest—War Pictures Today—"Neal of the Navy"

Another excellent double bill in the new policy at the Gem Theatre was given yesterday, when several striking features were displayed, each attracting interest and popular attention. Of especial interest were the scenes pertaining to war activities shown in the British-Canadian news weekly, including pictures of Corp. Angus, late winner of the V. C., Canadian Machine Guns in Action, S. S. Arabic sunk by German torpedo and other good views, besides fashions and cartoons. The Gem orchestra gave a pleasing programme. The special double-bill matinees are proving popular every afternoon.

"The Vengeance of Wu Fang" was another two-part episode in "The New Exploits of Elaine," furnishing excitement; "For His Mother" was an Edison war story with Clifford King in the role of a young soldier; while "Save the Coupons" was as funny a Vitagraph comedy as Lillian Walker has appeared in for some time. Tomorrow and Saturday the second episode in "Neal of the Navy," will be presented, with Wm. Courtleigh, Jr., and Lillian Loraine, entitled "The Yellow Packet."

SMALL ZINC COINS ARE TO BE MADE FOR BELGIUM

Brussels, Oct. 2—(Correspondence)—On the heels of the announcement in Germany that 5-pfenning pieces are to be made of iron, the Governor General of Belgium announces that zinc is to be used here to help out the very notable shortage in nickel coinage. Coins are to be issued in 5, 10 and 20 centime denominations (one, two and four cents). No one, however, will be obliged to accept more than five francs (96.5) cents) worth of the substitute currency in change or payment of bills. The coins will bear the image of a lion surrounded by a wreath and the word "Belgium, in French and Flemish.
