ARMY IMMIGRANTS FOR ONTARIO FARMS

Five Hundred Passengers From S. S. Southwark Reach Toronto.

Five hundred immigrants, under the special care of the Salvation Army, reached Toronto on Tuesday. They were passengers on the Southwark and were brought from Montreal by special G. T. R. and C. P. R. trains.

A small contingent of 150 got here about 5.40 p.m., but the large party, about 350, came in on the G. T. R. at 11.30.

Brigadier Howell, Major Morris and the entire immigration staff received the new-comers and soon had them on the way to lodging houses. Busses had been provided for the women and children and they were taken to the Newcomers' Inn on Wellington-street. Quarters had been prepared for all, the some had to overflow to tents placed on the grounds. A hot supper had been provided for the travelers.

One contingent of domestics, numbering over 30, were placed in the Army Servants' Hostel on Yonge-street, where they will b eaccommodated until they enter the situations provided for them. Work has been secured for all, the majority entering the service of farmers in New Ontario. The party included many families.

A special feature was a party of 100 Dutchmen, who have come direct under the management of an Army officer.

Over 1000 persons came by the Southwark tthis trip, all of them Army immigrants. They will be distributed mainly between Moontreal and Toronto. The whole passenger accommodation had been reserved ,and this is the fifth exclusive charter that the Army has had on trans-Atlantic boats this season.

Proper Medicine For The Blood

Drives Away That Tired Feeling; Makes You Feel Brisk.

To everyone is sure to come that tired, exhausted feeling.

When the blood is weak, thin and debilitated, circulation is slow, and in consequence the system is congested with poisons and wastes that should be driven off.

The sensible person acts on the teachings of experience, and cleanses his system with a course of Dr. Hamilton's Pills of Mandrake and Butternut.

No medicine can be more certain to quickly cure. Convenient to take, just one pill at bedtime; safe, because entirely vegetable; unfailing, because proved by thousands that Dr. Hamilton's Pills set you up in a few days.

From Cheboque Pt., N. S., comes the following from Mrs. W. A. Reynolds: "A year ago my health began to fail. I lost appetite, became nervous and sleepless. My weight ran down; I became thin, hollow-cheeked, and had black rings under my eyes. I really felt as if the charm of life had left me, and when springtime arrived, I was in the 'blues.' I read of Dr. Hamilton's Pills, and got five boxes at once.

Within a month my appetite and color were good. I gained strength and felt like a new woman. New life and vigor returned, and my friends scarcely knew me. A medicine that will do this should be in every home."

Good health means much to you. Success and happiness depend upon it. The maintenance and source of health is found in Dr. Hamilton's Pills, 25c per box, or five boxes for $1.00; at all dealers, or by mail from N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.

By-Law re Laying Double Track on Main Street Submitted to Committee.

The board of works this evening considered the draft agreement submitted by the Dominion Power and Transmission Company with reference to the double tracking of Main-street from James-street to the terminal station. It provides that the Brantford and Hamilton Railway shall lay the tracks. The bylaw was held over until the city solicitor has a chance to inspect it, as it was feared there might be something in it that might affect the street railway. The legislature will be asked for power to prevent the opening up of gravel pits within the city.

In the future all overhanging signs must be approved of by the city engineer, and the owners must give a bond indemnifying the city against damage suits.

The building fund amounts to $760 and $34,600 has been raised for a new boys. building.
