USE and READ — WANT ADS

The old sign "Rooms for Rent" is in the discard. It has lost its importance.

No wonder, when a little Advertiser want ad under "For Rent—Rooms" reaches all the possible prospects—and secures so many responses that people who have rooms "to let" can well afford to be particular in their selection.

As a matter of fact, the best rooms in desirable residence sections are rented practically exclusively through the more refined and effective means of a little want ad.
