SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive and the stomach in as bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and every all morbid bilious matter from the stomach and bowels, leaving the system strong and buoyant, and bowels regulating to permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on the vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids of the body and separate the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels they cleanse and renew the blood, thereby curing the cause of disease. The Forest Pills do not weaken, but give strength and animation to both body and mind. They are free from griping or any inconvenience whatever, and the patient is better able to attend to business while under their influence than before taking them. They are still in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted has induced the proprietor to recommend them to their friends and the public. Individuals of worth and longevity in almost every part of the country have testified in the world in favour of their great efficacy in curing disease.

Testimonial after testimonial showing their great powers of curing in almost every class of disease have been tendered to us by individuals of undoubted character and responsibility. The following is only one from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1848.

DR. G. W. HALSEY,—Every fall, for several years past, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. At this season, when sickness occurred in my family, I had always employed a Physician. But at this time having two leaves of your Forest Pills in the house, I concluded to try them. I gave to each of them six Pills, and four hours after I gave each them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they both recovered without any more medicine. Since this time I have used your Forest Pills at hand, and in all cases of sickness we have used them we have met with the happy results.

NOTICE TO THE PUBLIC.

In 1845 Dr. Halsey's Pills were first made known to the public, under the denomination of Dr. Halsey's Sugar-Coated Pills. Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousand boxes. This great success excited the envy of designing men, who commenced the manufacture of common Pills, which they coated with Sugar, to give them a forward appearance of Dr. Halsey's. In order to sell them under the good-will Dr. Halsey's Pills had gained by curing thousands of diseases.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be called with

GUM ARABIC,

An article which is every respect superseding Sugar, both on account of its holding Strong and its durability. The Manufactory of this improvement is the result of a succession of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America. The Gum-Coated Forest Pills present a beautiful transparent glossy appearance. The mild known wholesome qualities of pure Gum Arabic, with which they are coated, renders them still better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injure from dampness, but remain the same, retaining all their virtues for an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imposition and to obtain Dr. Halsey's true and genuine Pills see that the label of each box bears the signature of G. W. HALSEY.

Beware!!! Persons who in the sale of a medicine which does not contain that valuable Gum-coated or Sugar-coated HALSEY'S GUM-COATED FOREST PILLS, are guilty of a fraud.

If you desire a safe and gentle purgative, which neither nauseates nor gives rise to griping, ask for HALSEY'S PILLS.

If you would have the most convenient and safe as the best compound form, which Science in the world for purifying the blood, obtain Dr. HALSEY'S PILLS.

If you do this which is but a small sum to dangerous or expensive bill of 20 Dollars, and be substituted to a Physician's bill of 20 or 30 dollars, take a box of Dr. HALSEY'S PILLS as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, give strength instead of weakness, take HALSEY'S PILLS, and Castor Oil and all other purgatives.

Parents, if you wish your families to continue in good health, give a box of HALSEY'S PILLS in Fever and Ague.

Ladies, Dr. HALSEY'S PILLS are mild and perfectly harmless, that we stamped to the delicate delicacy of your constitutions. Persons therefore, Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. HALSEY'S PILLS as a sovereign against sickness.

With pleasure I assert, that the use of Smith's Exterminator was attended with complete success in destroying Cockroaches, Beetles, and Rats, in and about my premises; which was effected unknown, any inconvenience. SAMUEL BABLAGBOON, Esq.

Quebec, 7th March, 1849.

My premises have been infested with Rats for several years, and I have tried various means to rid myself of the annoyance, without success. Having heard strongly recommended Smith's Exterminator, I have much pleasure in testifying that its use has been perfectly successful in the total destruction of the Rats with which my place abounded, and that without the least inconvenience. BENJAMIN BARY.

Montreal, November 20, 1849.

I hereby certify, that by using Smith's Exterminator it has perfectly succeeded in ridding the College Premises of Cockroaches, Crickets, and such like disgusting insects, which were before very numerous.

J. VILLEBREUVE, Director of Montreal College.

Montreal, April 20, 1849.

From the Rev. R. Davis, D. D., Minister of the Baptist Church, Montreal.

I most willingly bear testimony to the good effects of Smith's Exterminator. I found my present dwelling over-run with Beetles; the nuisance had defiance to all efforts to chase it, until this preparation was applied. Our Rat has ceased to infest the premises since its use, and the Cockroaches have disappeared. Similar cases of success have occurred in my neighborhood. REN. DAVIS.
